*"Everything you need for better future and success has already been written.  
And guess what? All you have to do is go to the library."*

## **Henri Frederic Amiel**

### **About Library**

JIMS library has been playing a fundamental role in enhancing the learning experience of its stakeholders mainly faculty, staff and students by facilitating them with all the materials and services they need to improve their knowledge. The primary aim of any library is to develop the worthiest habit of reading among the students as well as supporting their curriculum needs. The provision of services designed to meet the user information and learning needs are mainly the book bank service, lending service, digital library service, multimedia and periodical service. The role of library in research is pivotal. The library offers space for students to learn and provides excellent environment for research. Through the use of computers and e-resources students can search their sources, write their assignments and check the plagiarism percentage of their written work with much ease. Library follows the open access system, encouraging the user to browse resources freely in the reading centre.

### **Vision:**

“To provide comprehensive resources and information services to the users to enrich their knowledge horizons”

### **Mission:**

- Acquisition and organization of relevant information resources.
- Consolidate and disseminate information to the users.
- Advocate strong library ethics.
- Applying innovative tools and techniques for its continuous management and improvisation.

### **Library Profile:**

JIMS Library consists of a vast collection of different types of documents comprising Books, Journals, Magazines, Project Reports, Compact Discs, Solved Question Papers, Best Answer sheets, etc. on different subjects/ areas that collectively support the teaching & other extension programs. The library has automated all its routine activities through library management software “*LIBMAN*” which also provides access to the online catalogue of Library. The facilities and services rendered by the library include book lending, referencing, document delivery, OPAC, photocopy, inter-library loaning of material through DELNET. The library is fully Wi-Fi enabled and has a well-established cyber library with 06 networked PC connected with LAN which helps users to access electronic resources.

The Awakening Ray journal creates, collects and curates content on contemporary issues i.e. issues that get at the root of living a meaningful life. The purpose of the Awakening Ray journal is to facilitate the growth of consciousness and inspire readers to live a happy, complete life through addressing issues relating to the different aspects of living: intellectual, emotional, spiritual

## Online Journals and E-books

While technology has drastically altered most industries in recent years, one of the biggest impacts has been in the education sector. From online courses to automating feedback and scoring, opportunities to learn are now more accessible than ever for more people across the globe. In the contemporary dynamic environment, we at JIMS Vasant Kunj provide all possible facilities in form of online Journals and E-books, to the students and faculties to keep them abreast. The library has online journals and E-Books.

## Availability of Online Databases:

### **Education and E-Library as a Knowledge Hub**

“One cannot debate the fact that a visit to the library is on a decline. Libraries are undergoing transformation and are now a hybrid of traditional print library resources and the growing number of electronic resources.”

E-library is electronic information; it maintains a database as the collection of e-materials and provides services in digital form. A set of documents available through electronic means by the use of digital technologies that allow for the retrieval, archiving, preservation, and dissemination of those documents. JIMS, Vasant Kunj e-library is portal for easy access of learning materials 24x7 from anywhere.

Our e-Library collection has all ranges of information materials that can be kept in the library for the purpose of meeting the overall objectives of the library, eg- e-Journals, e- Books, Annual Reports, Question paper bank, e-newspapers, e-databases and other useful links.

**N-LIST**: JIMS Library is a member of N-List Programme & all the members of JIMS library can access this database. The Project N-List being jointly executed by the e-ShodhSindhu Consortium, INFLIBNET Centre and the INDEST-AICTE Consortium. It provides access to e-resources to students, researchers and faculty from colleges and other beneficiary institutions through server(s) installed at the INFLIBNET Centre. The programme was funded by the MHRD under NME-ICT to extend access to selected e-resources to colleges component of e-ShodhSindhu consortium with access to 6000+ journals, 1,64300+ e-books under N-List Programme.

# DELNET

Developing Library Network

## **Extent of Inter-library network:**

**DELNET** was initially supported by the National Information System for Science and Technology (NISSAT), Department of Scientific and Industrial Research, Government of India. It was subsequently supported by the National Informatics Centre, Department of Information Technology, Ministry of Communications and Information Technology, Government of India and the Ministry of Culture.

DELNET has been established with the prime objective of promoting resource sharing among the libraries through the development of a network of libraries. It aims to collect, store, and disseminate information besides offering computerised services to users, to coordinate efforts for suitable collection development and also to reduce unnecessary duplication wherever possible. The JIMS Library is a member of DELNET. As such, the users at JIMS Library can access databases hosted by DELNET.

# National Digital Library of India

**NDLI**-National Digital Library of India: National Digital Library of India (NDLI) is a virtual repository of learning resources which is not just a repository with search/browse facilities but provides a host of services for the learner community. It is sponsored and mentored by Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT) NDLI is designed to hold content of any language and provides interface support for 10 most widely used Indian languages. It is built to provide support for all academic levels including researchers and life-long learners, all disciplines, all popular forms of access devices and differently-able learners
