My Rotaract journey uptill now has been amazing. Till this moment, I didn't realize that it's already been 3 years of me being the member of this beautiful rotaract family. I joined rotaract to do social service, to do something for the society from my end and I never imagined that one day i'll become the President of Rotaract Club of JIMS Vasant Kunj.

I've learned, grown and a had complete change of personality during these 3 years of my life and I cannot thank enough to the people who helped me get here..

Here in this club I could do something that actually made a difference in one's life and I am proud that I could motivate others to do something like this as well.

The lessons that I've been taught during these years are something i'm gonna hold on to for the rest of my life.
