Report:

To know the development of society, Literacy is another proper indicator of economic development. India has raised its current literacy rate of 74.04% (2021) from 12% at the time of Independence in 1947, it still lags behind the world average literacy rate of 84%. Compared with other nations, the Republic of India has the largest illiterate population.

Rotaract Club of Jagannath International Management School, Vasant Kunj commenced a new initiative known as, Project "AKSHAR" under Project Hope organized by District Rotary Organization, RID 3012 on 1st August 2020 initially for 20 days with an aim at Right to Education for all children under the age of six to sixteen. Later, seeing the success of the event it was decided to extend the project.

The motive was to increase the support for the underprivileged children in education and share the power of valuable knowledge for the upliftment of the underprivileged children of our community.

The project corroborated the enthusiastic rotaractors, who volunteered to teach two subjects a day to classes 2nd to 11th, the teaching periods were divided among the volunteers for which a proper schedule was made. Subjects like Mathematics, English, and Science were taught to different sections & classes regularly with the help of electronic media platform (Zoom meeting & WhatsApp video calls).

We collaborated with Samidha, Lakshyam NGO, Childrenwise. 30 student volunteers to teach 40 students from classes 2nd to 11th, teaching subjects: English, Mathematics, and Science on the virtual media platform, Zoom.

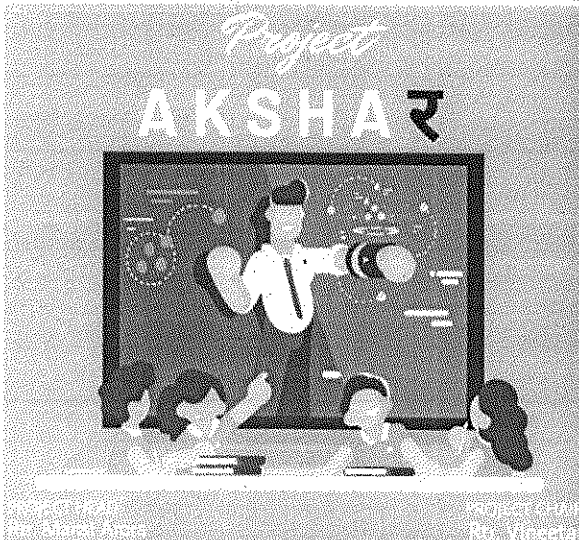

This Project has helped in realizing how technology can be used to help underprivileged students to get access to quality and continued education, even in these tough times.

The exuberant student volunteers who have contributed their time & efforts to channelize their positive energies to the children and were acknowledged with Certificates from Lakshyam NGO and Rotaract Club of JIMS, Vasant Kunj.

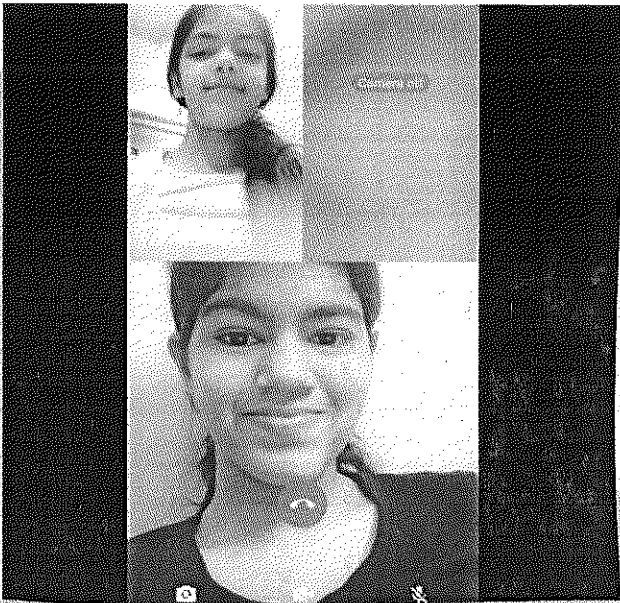

We successfully carried out 20 days of educational and interactive sessions for 40 underprivileged children and now, we have the opportunity to spread knowledge and happiness to many more children.

Project Akshar was extended further and was carried throughout the year. There were many other activities that were conducted for these students under project Akshar.

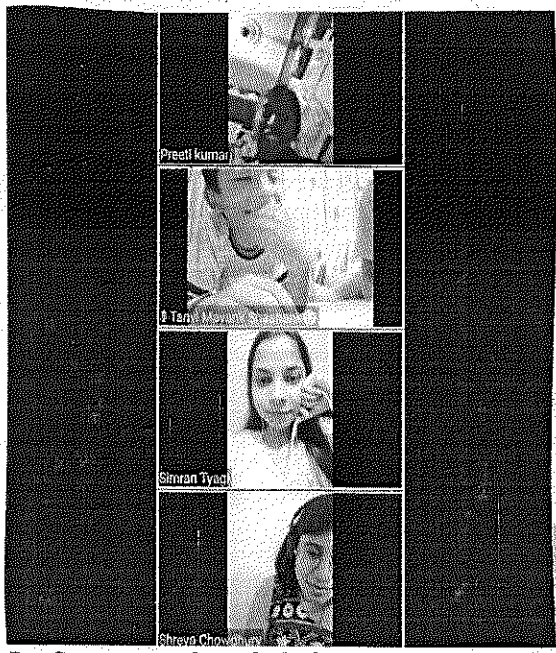

Project Akshar inspires us to organize and indulge in this year-long journey in the crusade to make quality education accessible to all irrespective of their socio-economic backgrounds. We are planning to extend this project for the next tenure of 2021-2022 as well.

Mahabhandara- Food Donation Drive

Event Category: Community Services- Project Zero Hunger

Date: 8th - 14th November, 2020

Venue: All four zones of Delhi

Number of Students Participated: 65

Organising Unit/Collaborating Agency: Rotaract Club of JIMS Vasant Kunj

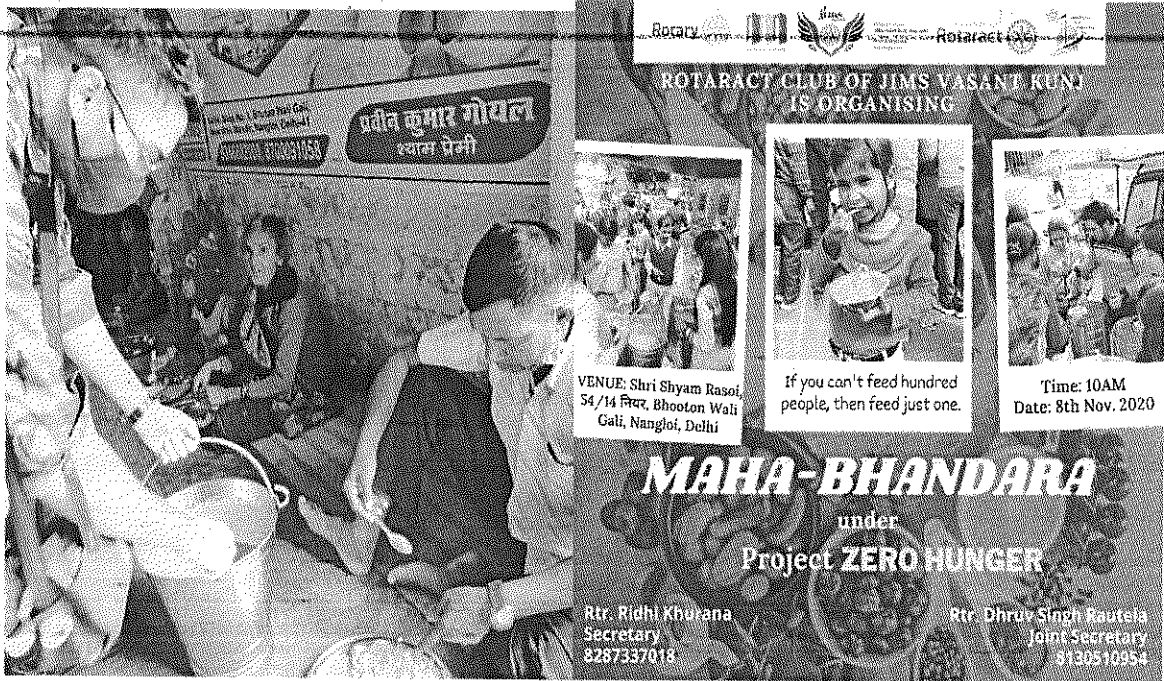

Faculty Coordinator: Dr. Anu Bhardwaj

Report:

The United Nations Food and Agriculture Organisation estimates that every year more than 40% of food produced is wasted in India. India stands 94th on the global hunger index. Globally, about 8.9% of the world's population (around 690 million people) go to bed on an empty stomach every night. Since 2014, the no. of people affected by hunger has been increasing gradually. If it continues at this rate, it'll exceed 840 million by 2030.

Rotaract Club of JIMS Vasant Kunj had organised a Food Donation event, in the name of MahaBhandara. This event was conducted from the 8th of November, 2020 to the 14th of November, 2020, with 65 student volunteers. MahaBhandara was an extension of the club's previous event Zero Hunger. The major motive was to help those people who need food. The

club has also collaborated with six other clubs. The club fed more than 1000 people. In times of pandemic, every day we try our best to support those people with basic amenities.

Report:

Strong people stand up for themselves, but stronger people stand up for others and our Rotaractors are the strongest when it comes to helping others.

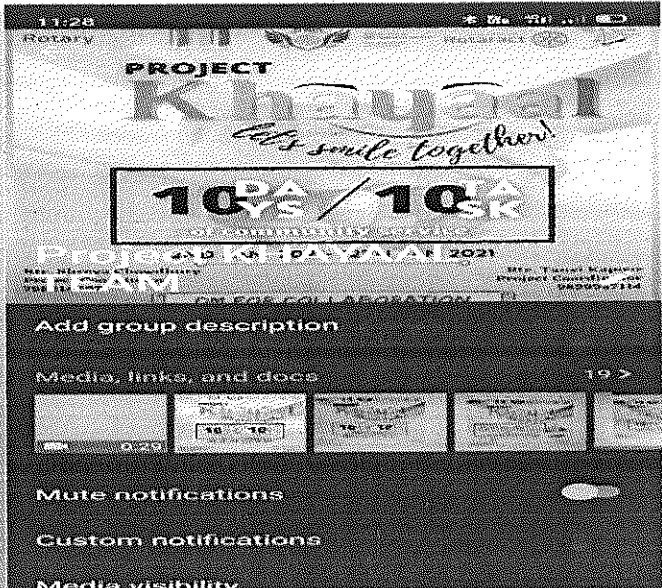

Rotaract Club of JIMS, Vasant Kunj organized a 10-Day Project "KHAYAAL" along with Rotaract District Organisation 3012, aiming to create awareness and thoughtfulness amidst people about their surroundings. It was all about acknowledging, recognizing, and showing gratitude to those who make efforts to make our community clean, help save lives and show immense appreciation for all that we have, our parents, nature, all the services which have been provided throughout our life.

Project Khayaal highlighted the art of giving and showing gratitude for everything we have and also in these 10 days, major social issues like hunger, stray animals, and ragged clothes were addressed and proper solutions were given by our enthusiastic participants. Rotaractors took

heartfelt initiatives to perform the 10 days of selfless actions towards making the world a better place through nurturing and care of all that is around us. 100 students volunteered for the event. It was a very successful project where every rotaractor contributed to making a small difference for the better each day.

Ration Donation in Blind School

Event Category: Community Services

Date: 2nd March, 2021

Venue: Rashtriya Blind Hostel and Training Center, Dwarka

Number of students Participated: 72

Organising Unit/Collaborating Agency: Rotaract Club of PCTI

Faculty Coordinator: Dr. Anu Bhardwaj

Report:

Rotaract Club of JIMS Vasant Kunj donated Ration to Rashtriya Blind Hostel and Training Centre on 2nd March 2021. Surprises were arranged for them and various fun-filled interactive activities were also planned. In the end, their smiles touched our hearts to the core. It was a great feeling when the team met all the students living there. Contributions were made to 72 students and many of them also visited the blind school. The moment we went inside the school, our first question was how do blind people experience the world? So, we asked this question to the schools incharge. His reply was inspiring. Normal people observe visual happenings and eyes are the sources for their knowledge. But visually impaired people will put their other senses into alertness. They touch and identify a specific object, and while crossing the roads or walking outside the school they observe the sounds around them. This made us realize that our weakness will never make us weak but if we stay positive then definitely it will make our strengths

stronger. We got connected with the kids and learned a lot of lessons from them. They all were an inspiration for us.

Report:

Rotaract Club of JIMS Vasant Kunj had organised another Food Donation event, in the name of MahaBhandara under the project Zero Hunger. This event was organized on 14th of March, 2021. MahaBhandara was an extension of the club's previous event Zero Hunger. The major motive was to help those people who need food. The club has organised MahaBhandara in North-South-East-West Zones of Delhi with the help of 53 student volunteers. This time it was organized on a larger scale, where food donation was done to more than 1500 people. This was done with team support. The main motive behind this event was to help more people who need food. To our surprise, as soon as we created Zonal Whatsapp Groups, all the four groups were filled immediately. Their enthusiasm had kept us energetic throughout the event. It was a pleasure to make others happy. Student Volunteers had brought snacks, biscuits, chocolates, and many other edible items. The event ended on a happy note.

Report:

In Delhi, 13.8L people have been affected by Covid 19 and 12.9L people have been recovered. Rotaract Club of JIMS Vasant Kunj had started a campaign on social media to create awareness on Mental Health in the month of May.

Mental Health awareness takes very important role as things like stress and depression can lead to a lot of fatal health issues and may even result in suicide in extreme cases. Being mentally healthy increases the longevity of your life as you experience more joy and satisfaction. Therefore, we have posted reels relating to mental health on our Instagram handles for 5 days. 25 student volunteers were involved in spreading the message through official social media handles and also through their personal accounts We received a lot of positive feedback from our followers. It is important to stay both physically and emotionally fit to overcome the obstacles.

We ended the event with a beautiful quote, let's stop comparing our behind-the-scenes to someone's highlight reel. Everyone has a difficult phase in their life, let's keep our minds healthy.

"Project- Saahas" an initiative that focuses on providing basic education to underprivileged children. "One day" to give the precious gift of education. This project aims to impart one to one knowledge to the kids of the NGO, channelizing them into the correct path of life, and making them valuable assets for our society. In July project Akshar completed its one year. To celebrate this special day, Rtr. Palak. Gupta gave an interactive session on the topic '*Personality Development*' via zoom with the kids of Childrenwise NGO. Everything can be stolen from you like money, land etc. But the only thing which cannot be stolen from you is your knowledge.

The idea behind the project was to motivate the student not to sit back and add on their learning on the continuous basis. It was an interactive session where student volunteers along with the children attend the session and discussed various issues.

H.O.P.E- Manifestation of aspiration towards creating a better tomorrow. We manifested our little ray of sunshine for the world in this tough time. One jovial project- 20 days of HAPPINESS, KINDNESS and HOPE.

This project Involved 3 Sub Projects:

- a) Project Zero Hunger
- b) Project- Power Of Ponytail
- c) Project Aaina

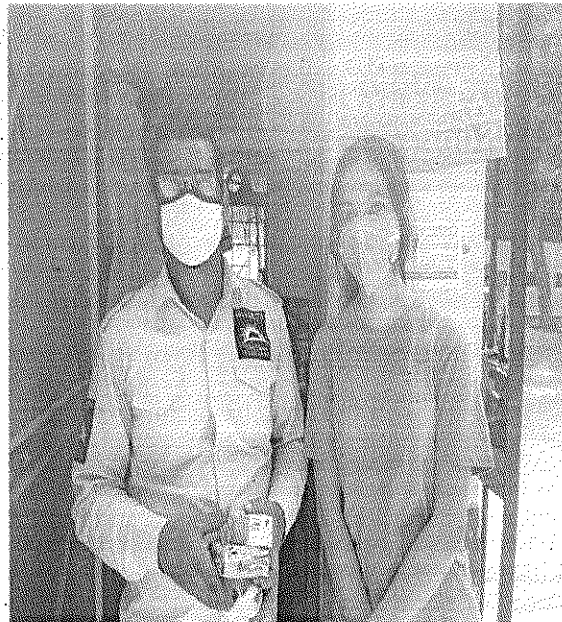

Project Zero Hunger

'If you want to eliminate hunger, everybody has to be involved.'

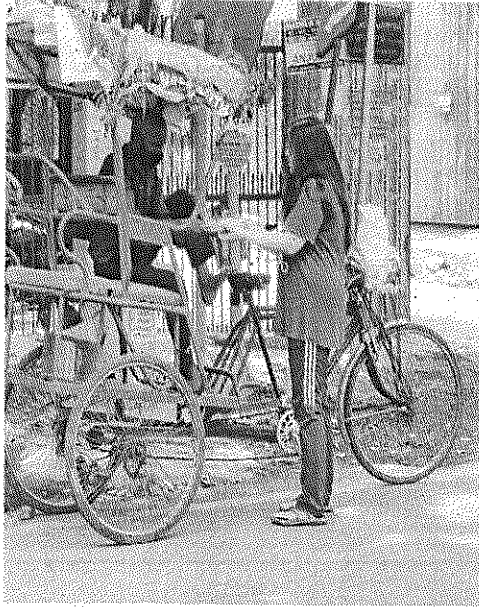

Rotaract Club of Jims Vasant Kunj has organised “**Project- Zero Hunger**” from 1 July 21- 8 July 21, under *Project- Hope*. Project Zero Hunger is a small step to eliminate hunger in Delhi. In this pandemic, the Hunger rate has increased drastically as many people have lost their jobs. Project coordinator allocated the dates along with the names of the members. This lively one-week project aimed to provide at least one full meal to the needy. Club members performed their food donation drive at individual level at their nearby localities. 112 student volunteers of the club served the by donating/feeding packed foods, frooties, biscuits, homemade food, dry ration and many more food items to the people who were in need of food, due to pandemic. It was a delightful event as our club had covered 200 people and hopefully we will continue to do this activity.

Project- Power of Ponytail

'Don't waste it, donate it'

Another Project which is growing under Project Hope is "**Project- Power of Ponytail**" from 12 July 21- 16 July 21. The project Aims to spread awareness about the importance of hair donation for cancer patients. Worldwide, cancer was the leading cause of death. In 2020, nearly 19.3 million people, have lost their lives. The club took a step towards this virtuous project by spreading awareness through Instagram reels, where the sensitization of the cause was done. 30 volunteers actively promoted the idea through the social media handles of the club and also through their personal account. The idea was to make as many people aware as possible. In this event, social media was extensively used to create awareness and to prove that it is not about the exploitation of technology but service to the community. We got a tremendous response from our followers and many people came up to donate their hair. All the volunteers of the club actively participated to spread the message.

Project Aaina

'Sex is important, but what if phobia adds on?'

Another bud of the Project- Hope is **"Project Aaina"** from 19 July 21 -23 July 21. The aim of the project was to provide 'sex education' to the people. As we all know that sex is an important part of life and overall, well-being. This project was an attempt to make people aware about the 'sexual phobias' via creating and posting reels on Instagram and other social media handles. 18 volunteers actively promoted the idea through the social media handles of the club and also through their personal account. The idea was to make as many people aware as possible.

Venue: Sanjay Van, New Delhi

Number of students participated: 95

Report:

Throughout the world, about 900 million trees are cut down annually. This equates to about 2.47 million trees being cut down every day. As we all know, in 2020, Brazil's Amazon rainforest had suffered the worst fires in a decade. And let's not forget Australia's bushfire which was catastrophic. Billions of animals were injured and Millions of trees were burned. As humans we cannot stop the fires but definitely, we can do something to compensate for the loss.

Therefore, the Rotaract club of JIMS, Vasant Kunj organized a Plantation drive on 27th July 2021 at Sanjay Van, New Delhi. The chief guest was Dr. Ravi K Dhar Sir (Director JIMS Vasant Kunj). The objective of the tree planting program was to create an awareness among the student community about the role played by trees in environment protection. New committee members were very excited and enthusiastic to execute this event. They tried their best to contribute to this

event, and they were very cooperative. And with the guidance of our mentor Dr. Anu Bhardwaj we were able to organize this event perfectly. Everyone participated in the drive with equal energy and helped each other in planting saplings.

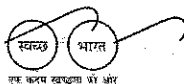

Our club completed the target of planting over a 1000+ saplings and with the help of our team of 95 student volunteers and faculty coordinators.

After plantation our team bonded with each other and with our faculty coordinators over some warm snacks and all together ended the drive on a positive note.

It was a red letter day in the history of India when our country got freedom on August 15, 1947. It took hundreds of years for us to break shackles of slavery. People of the country celebrate this festival every year with great pomp's and shows. The main Program is celebrated at the Red Fort in New Delhi. Besides, this festival is also celebrated in every city and town, in School, College and University. We too were very eager to celebrate Independence Day at our campus with great zeal but due to the ongoing pandemic, we couldn't do it like every year. This year the flag was hoisted in the presence of teachers only, while the students saw the hoisting via Zoom online. All precautions were taken at the college campus. The flag hoisting was followed by recitation of Patriotic poems and songs. Speeches were also given by some students to commemorate the sacrifices made by our eminent leaders. Every student learnt the importance of Independence Day and realized the fact that it is because of the sacrifice made by our ancestors that we are breathing this air of an independent nation.

Report of National Unity Day

Event Category: National Unity Day

Topic: Birth Anniversary of Sardar Vallabh Bhai Patel

Date: 31st October 2020

Time: 1 to 2 pm

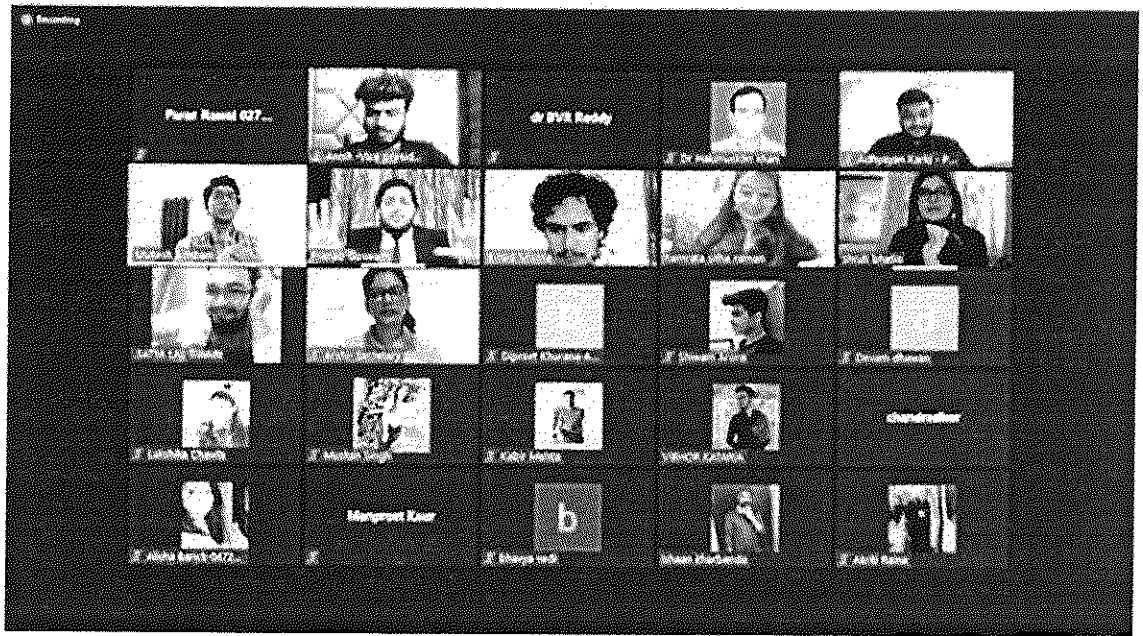

Venue: Zoom

Beneficiaries with number: Students (61)

Programme Officer: Dr. H. Khan

REPORT:

National Unity Day 2020 was celebrated in our campus to pay tribute to Sardar Vallabh Bhai Patel on his birth anniversary. He was an Indian politician who played a pivotal role in India's freedom struggle and then during the integration of Jammu and Kashmir with India, played an important role in convincing several princely states to align with Indian Union. Therefore, 31 October is celebrated to honor his efforts and contributions. In October, 2018, our Prime Minister had inaugurated the 'Statue of Unity', sculpted in Patel's honor in Gujarat. The Director and the Registrar addressed the students and highlighted the importance of celebrating the National Unity Day and the contribution of Sardar Vallabh bhai Patel for integrating the country. This year's theme of National Unity Day is "Bring the Nation Together, United in Times of Strife and Rising Extremism". This day was decided and introduced by the Central Government of India in New Delhi in 2014 in order to observe the birth anniversary of Sardar Vallabhbhai Patel every year as Rashtriya Ekta Diwas. It was aimed to pay tribute to him for his great efforts made to unite India.

Beneficiaries with Number: Students (6)

REPORT: -

On 28th February 2021, a team of 6 volunteers from the NSS Cell of JIMS Vasant Kunj visited an NGO based in Malviya Nagar to meet the children at the Jamghat NGO to interact and conduct recreational activities with them. They had a fun talk with the girls of the NGO after which the session initiated wherein various topics including gender equality, women empowerment, eve-teasing, were discussed.

After the session, in the remaining time, volunteers had a rendezvous session with the girls wherein all of them got to know each other a bit more. They all had a fun time conversing about movies, novels, and history to build a good relationship with them.

The main purpose of this visit was to make them learn things through games and simple activities, suited for children. So, we played few games like passing the parcel, situation-based reaction game, and had also had a storytelling session before leaving. Volunteers at NSS- Cell of JIMS, Vasant Kunj looks forward to organise more than events and thus put forward their role in the betterment of the society.

REPORT: -

The International Women's Day, which is observed on 8th March 2021 worldwide was celebrated at Jangpura by the Robin Hood Army (Nehru Place branch) along with the NSS (National Service Scheme) Cell of JIMS Vasant Kunj providing assistance in the self-defense sector, on 8th March 2021. In addition to this, the volunteers of our cell proved to be useful to the Robin Hood Army thus forming a friendly mutual alliance with the organization. The drive ended on a peaceful and happy note with the hopes of having more such alliances and collaborations with Robin Hood Army and more such organizations in the future.

Beneficiaries with Number: Students, Faculty and Staff (65)

Faculty Coordinator: Dr. H. Khan

Learning Objectives:

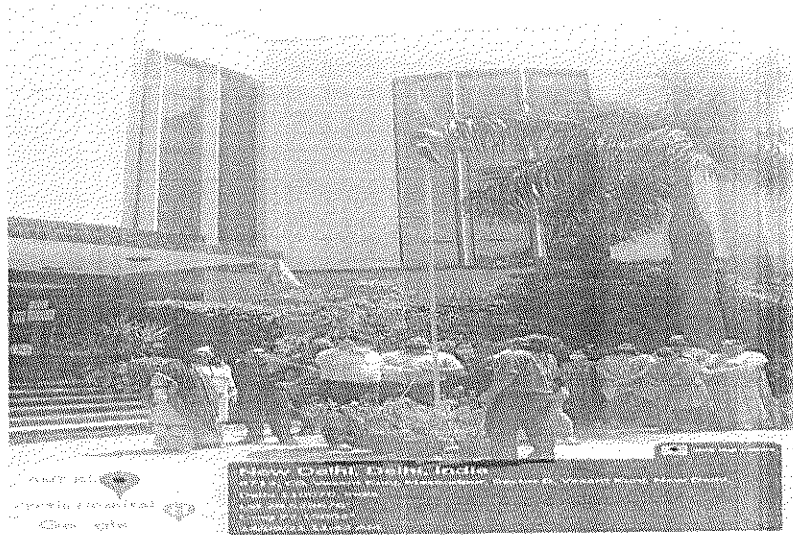

- To commemorate our country's achievements and sacrifices made by the soldiers and martyrs.

Report:

“Freedom is never given, it's won!” Indeed, freedom is something which has to be fought for. Independence Day brings a sense of pride, bravery and appreciation and takes us back to the time where our soldiers and freedom fighters fought fearlessly. So, to celebrate the victory of our brave soldiers we at JIMS VK decided to honor their sacrifices.

The celebrations began with the hoisting of our flag and other rituals, conducted in the presence of our director, Dr. Ravi K Dhar, faculty and the staff members in the college premises on the 14th of August 2021.

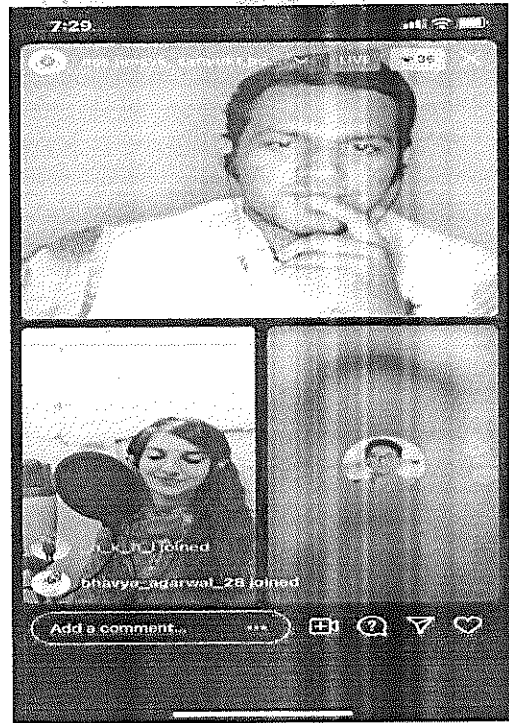

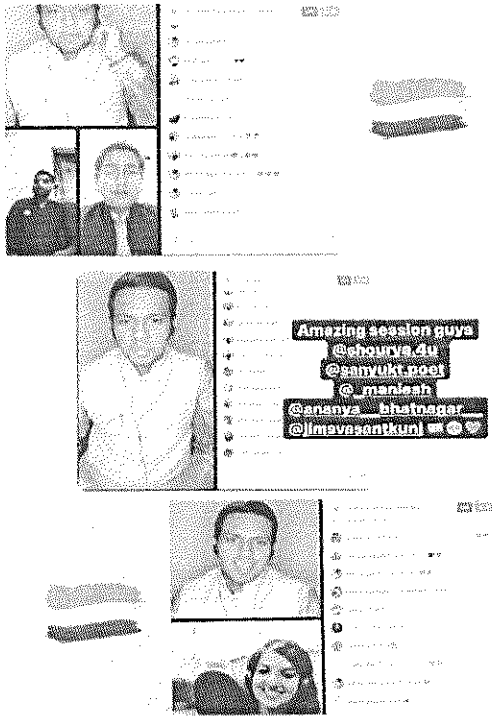

This was further followed by 'Jashn-e-Azadi', an Instagram live event on the 15th of August 2021. This was wonderfully hosted by Shourya Bhatnagar, the head of the NSS Core team. To grace the event, two recognized guests were invited. First guest speaker was Master. Sanyukt, a 13-year-old poet with so much potential and energy and the second guest speaker was Ms. Ananya who is a social activist and a great singer. While Sanyukt amused all of us with his poetry and reciting skills, Ananya's soothing voice made sure to make us feel the love and respect we have for our country. This was a very interactive and magnificent session, where the audience thoroughly enjoyed and motivated the speakers. Eventually, everybody enjoyed and thanked the guests for taking their time to be a part of this event. The NSS Cell aspires to work for the betterment of the community and to keep the nation's head as high as possible.

Slum Visit Friendship Day

Event Category: Community Service

Date: 4th August 2019

Place: Shahipur village located in Shalimar Bagh, Delhi

Number of Students Participated: 20

Organising Unit/Collaborating Agency: Rotaract Club of Delhi Youngsters and Rotaract Club of Delhi Akash

Report:

“The best way to cheer yourself up is to try to cheer somebody else up.”

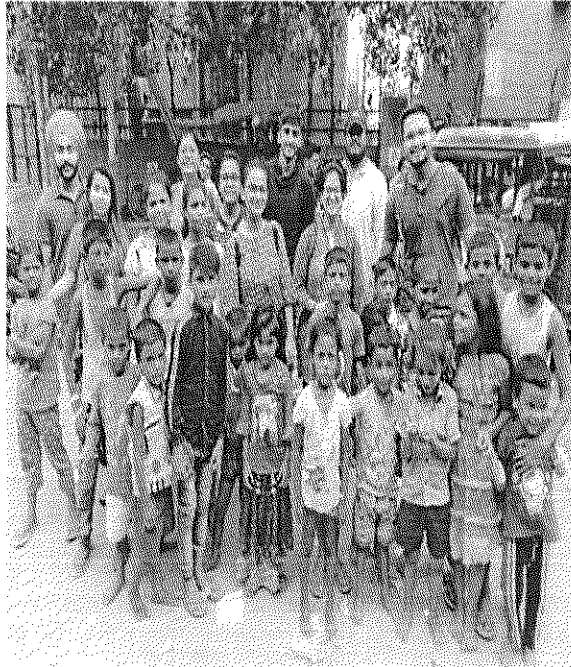

Rotaract Club of JIMS Vasant Kunj along with Rotaract Club of Delhi Youngsters and Rotaract Club of Delhi Akash paid a visit to the residents of Shahipur village located in Shalimar Bagh on the occasion of Friendship Day. The event was held on 4th Aug, 2019. The event comes under Community Services. All the clubs brought various food items, to create a bond with the people. Rotaract Club of JIMS Vasant Kunj got the friendship bands, Rotaract Club of Delhi Youngsters came with chocolates and juices and Rotaract Club of Delhi Akash brought pastries. It was a sense of satisfaction which took place in their hearts when they saw the kids having the eatables and showing their bands with smiles which were reaching their eyes.

Once the 20 student volunteers went inside the slum, they could feel thousands of eyes staring at them with suspicion, as well as some hope. But soon they realised that all the kids were very friendly as the kids gathered around them, and the kids even shared their grievances and how each & every single day for them is filled with so much struggle for small and basic things.

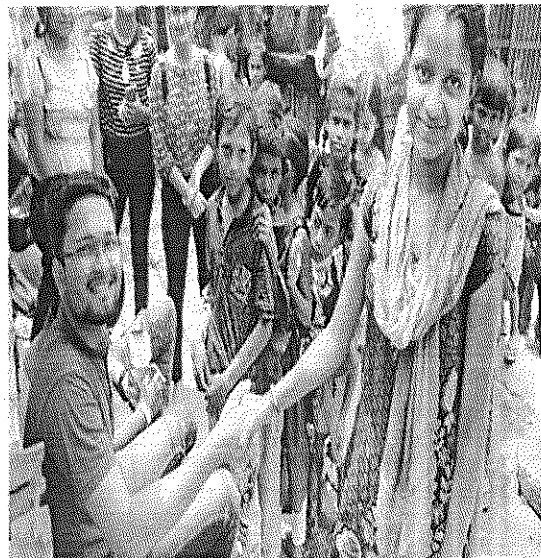

It's so ironic that Delhi's slums (like all over India) are the abode of lakhs of people whose work makes the lives of its better-off citizens easier and comfortable but they themselves are forced to

live in the worst of conditions. They can't even fulfill their basic needs in a slum. As Katherine Boo unfolds the dark belly in "Behind the Beautiful Forever", life in an urban slum can be full of squalor and deprivations.

"We all need to work together for making & keeping our country beautiful and it's our responsibility to keep the people around us happier."

Report Raksha Bandhan

Event Category: Community Service

Date: 17th August 2019

Venue: India Gate, Delhi

Number of Students Participated: 15

Organising Unit/Collaborating Agency: - Rotaract Club of G.L. Bajaj

Report:

Rotaract Club of JIMS Vasant Kunj collaborated with the Rotaract Club of G.L. Bajaj for celebrating Rakshabandhan with a unique approach. This event was organised on 17th Aug, 2019. This event comes under Community Services. The Rotaractors of both the clubs got together at India Gate where they tied Rakhis to the jawans on duty at that time. The main motive of this event was to appreciate the Indian soldiers who work day and night to protect people. It was a refreshing feeling for them to see those smiles on the jawans' faces. This showed them how much the jawans were moved by such a simple and sweet gesture.

And Raksha Bandhan is an ancient Hindu festival which means "a knot of protection", a symbolic renewal of one of the most beautiful emotions in humans. The festival of rakhi brings the entire family together and strengthens the bond of love and affection between the siblings.

To celebrate Raksha Bandhan, the 15 rotaractors tied rakhis on the soldiers' wrists. It was a pleasure for them to see those young and enthusiastic soldiers smiling at them. The jawans were very pleased by the gestures. The rotaractors believe that, "Small things done with great love will change the world". Together, will spread happiness.

The plantation drive took place at Sultangari Archeological Park, Near Ryan international School, Vasant Kunj on 14th September 2019. The occasion was graced by our Parent Rotary, Rotary Club of Delhi Imperial, President Rtn. Dushyant Arya Sir and IPP Rtn. Ram Chand Sir. The event witnessed the footfall of 83 volunteers and as per the stats more than 250 planting spots were covered during that time.

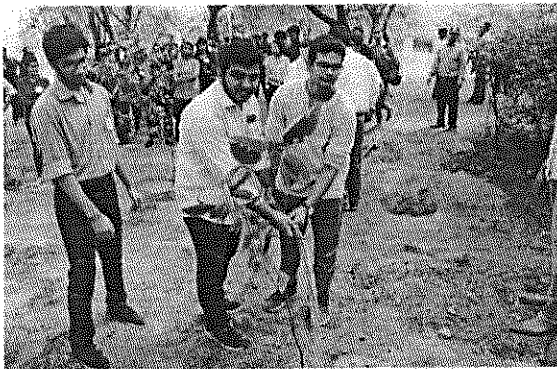

Their new members were very excited and enthusiastic to execute this event. And they got a tremendous response from their newly joined rotaractors. As it was their first event, they tried their best to contribute to this event. And they were very cooperative. Sanjay Van is a sprawling city forest area near Vasant Kunj and Mehrauli in Delhi, India. It is spread over an area of 443 acres. It is one of the most thickly wooded areas of the city's green lungs. Trees were planted in the said area. And their mentor Prof. B.Manchanda Sir, also helped them to organize this event more perfectly. The day began with a short address given by Prof. B.Manchandha Sir and he also addressed our newly joined members. Followed by him, President Rtn. Dushyant Arya Sir and IPP Rtn. Ram Chand Sir also told us about the importance of trees and the difficulties we will face without trees. Their short speeches were really inspiring and it made them realize what the youngsters must do to save our Earth.

Swachhta Hi Sewa

Event Category: Community Service

Date: 18th October 2019

Venue: JIMS Vasant Kunj

Number of Students Participated: 82

Organising Unit/Collaborating Agency: - Rotaract Club of Delhi Imperial

Report:

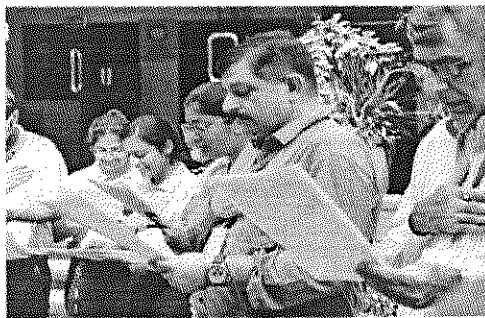

Cleanliness begins with the purity of your own mind, thoughts and heart." Cleanliness is the major step to a healthy living. Cleanliness can prevent and cure people from communicable diseases. Effective cleaning can forbid viruses and other infectious diseases. Cleanliness is nothing that should be forced upon a person but should be properly practiced and be made a lifestyle. A clean and a well-maintained person will always succeed in all his difficulties if he applies it in every path he walks.

The Rotaract Club of JIMS Vasant Kunj in collaboration with RaC Delhi Imperial has organised a program called "SWACHHTA HI SEWA" under Swachh Bharat Campaign initiated by the government of India on 18th October 2019, in the college campus. All the students joined their hands together for this good cause. Their esteemed Director, Dr. Ravi K Dhar was invited to inaugurate the event with his words of wisdom. He enlightened the students about the conditions of the streets of India and administered the Swachhta pledge of cleaning our surroundings in 100 hours per year that means 2 hours every week.

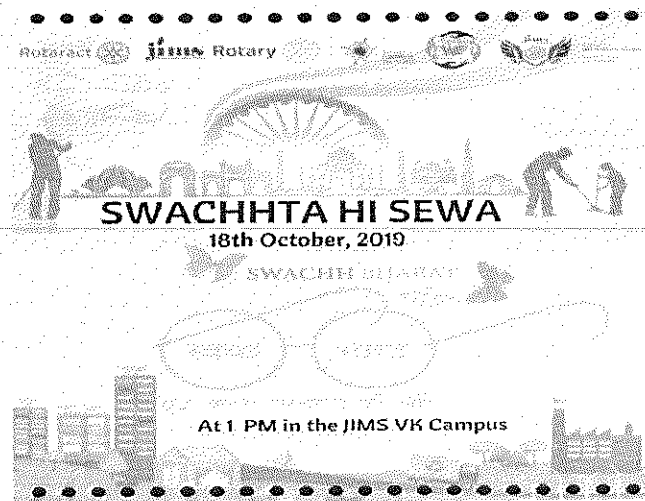

All 82 students were in zeal and made groups with 3 coordinators in every group. They took the broom, pan and the dustbin and collected all the waste near the college and cleaned the surroundings. After the cleaning of roads, it gave them immense satisfaction when they compared

the roads to what they were before and what they had become after cleaning them. Everyone had an amazing experience, and it gave them an immense joy to see the clean roads.

Everyone should do their bit to maintain cleanliness in the areas we live or visit. In fact, for this very purpose, the Government of India has initiated the Swacchh Bharat Abhiyan so as to educate and inculcate good habits among the citizens of the country with regards to cleanliness. Everyone should be mindful of this habit. Everyone should stop others from throwing waste at undesignated places. It is the cumulative effort of all the people which can help to build a clean India someday.

Director, JIMS VK, Dr. Ravi K. Dhar with our team members taking pledge and informing the members about the event and how it will be executed.

Project ULLAS- Diwali in Slums

Event Category: Community Service

Date: 21st October 2019

Venue: Andrews Ganj Delhi

Number of Students Participated: 54

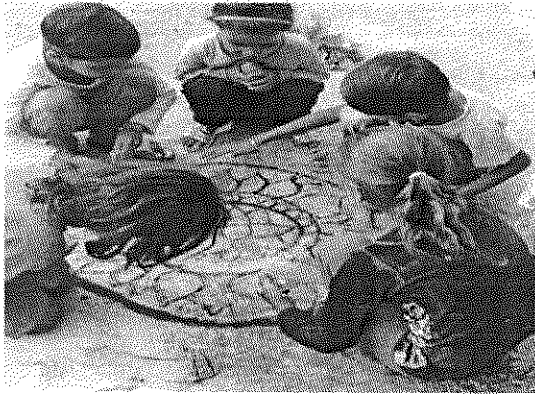

Organising Unit/Collaborating Agency: - Rotaract Club, JIMS Vasant Kunj

Report:

Rotaract Club of JIMS Vasant Kunj celebrated Diwali with the children and the people living in Andrews Ganj Slum on 21st October 2019. This event comes under Community Services wher 54 student volunteers planned activities for the children in slums. The day began with the introduction of the kids. The kids made some amazing rangolis along with their fellow Rotaract members. They clicked many pictures with them and after that, they went to dance on many songs on which some talented kids gave their amazing performances. Then they had a singing session, followed by this they played kho-kho and chain-chain with them.

The children from slums are miles away from happiness. Poverty is the main hurdle in celebrating the festival. These children have many unfulfilled dreams and despair which result in hatred and exasperation in the hearts of these children towards the society. The main objective of this event was to bring joy and happiness to those children's lives.

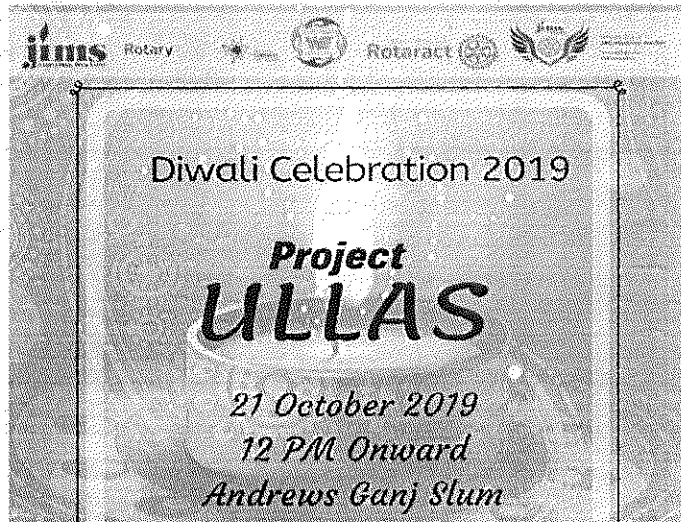

At the end of day they distributed sweets, toffees, chocolates and diyas to everyone and they celebrated Diwali with a lot of fun. The children also had loads of fun. They hope that those children will remember this day for their whole life. By this project, these moments will become memorable to all those children. On the occasion of Diwali, the gifts will dispel their darkness of disappointment and bring the light of happiness to the life of these children. This little help will create a trust in the hearts of these children towards humanity.

Masti Ki Paathshala- Children's Day

Event Category: Community Service

Date: 14th November 2019

Venue: Andrews Ganj Delhi

Number of Students Participated: 38

Organising Unit/Collaborating Agency: - Rotaract Club, JIMS Vasant Kunj

Report:

Rotaract club of JIMS Vasant Kunj has organized an event namely "Masti ki Paathshala" on the occasion of Children's day which was celebrated on 14 Nov 2019 in the slums of Andrews Ganj by 38 student volunteers.

The event comes under Community Services. The club had conducted various fun activities like they danced and sang with them. The student volunteers also distributed sweets to them and played a lot of interactive games. The members had a great time and loved becoming kids once again. It was a fun-filled event.

As soon as they went to Andrews Ganj, the kids came running to them. Their eyes were filled with hope and happiness. Their smiles were more than enough to warm their hearts. And everytime they have a great time with them. They tell the club members about everything, and they make them smile with their innocence.

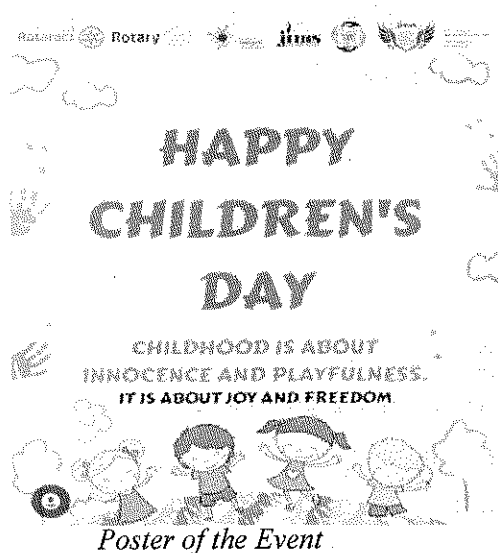

There are some lessons that everyone will only learn by handling tough situations and by going through hardships. The members have learnt many things from those kids.,

1. That they don't get things easily in life, they tend to appreciate little things. Unlike the other humans, who want anything and everything. They never let greed take over their lives, and stretch their legs according to the size of their quilts.

2. They all work hard to make ends meet. They shoulder their responsibilities well. There are kids who work part-time during the day and then attend night school. Now isn't that inspiring?

3. No one saw them whining or cribbing about their lives. Instead, they are always full of hope and emerge as total winners.

The event concluded on a happy note and it was an impactful event.

Mask Donation Drive

Event Category: Community Service

Date: 18th November 2019

Venue: Andrews Ganj, Delhi

Number of Students Participated: 26

Report:

Rotaract Club of JIMS Vasant Kunj organized Mask Donation Drive on 18 Nov' 2019. The event comes under Community Services. Masks were donated to the kids living in the slums of Andrews Ganj due to the alarming pollution levels. AQI level is still hazardous for the health of people. Volunteers tried to help some people with an aim to keep more and more people safe and healthy. All the rotaractors showed keen interest for this good cause. It was fun spending time with those kids.

The motive behind this event was to make the kids aware of the causes of pollution, how pollution might harm humans and the precautions of pollution. Kids were asked to share this knowledge with their friends also.

Air pollution is a serious health threat, especially in the Delhi-NCR region, where the air quality is declared as poor and at times, very poor. With the pollution levels rising at a drastic rate and the air quality hitting an all-time low, it's up to every individual to opt for anti-pollution measures to breathe cleaner air. And one such simple, easily available and effective option to fight pollution is the use of anti-pollution masks.

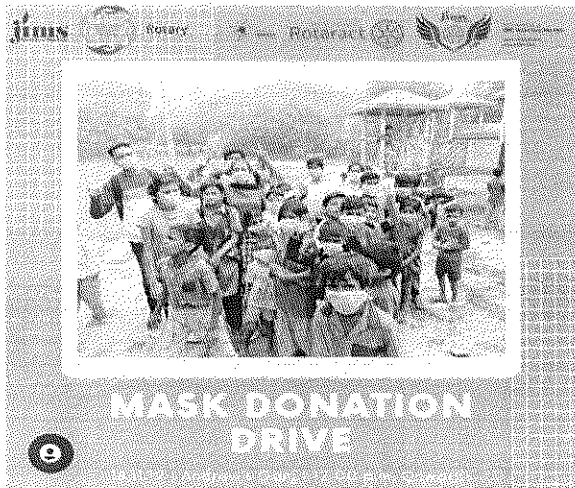

Benefits of wearing masks:

- Preventing long-term effects of air pollution on the body - Pollution masks restrict the inhalation of air pollution which causes airborne allergies and other lung diseases. Prolonged

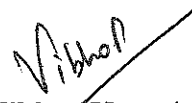

exposure to air pollutants can lead to various respiratory problems including asthma.

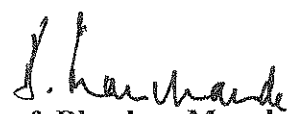

- Pollution masks help to increase lung capacity - Inhaling pure air results in higher lung capacity and makes breathing easier. This improves the strength of respiratory muscles and increases the oxygen intake.

The event was a huge success as many of the rotaract members helped the committee in organizing this event.

Report:

Rotaract Club of JIMS Vasant Kunj organized a Stationary Drive for the underprivileged children on 25th January in Andrews Ganj Slums. This event comes under Community Services. Each child was provided with notebooks, pencil pouches, scales, pencils, erasers and crayons by the members of the drive. Later, a sketching competition was hosted which required the children to draw the Flag of India in order to make them realize the importance of and value of the TRICOLOR and REPUBLIC DAY.

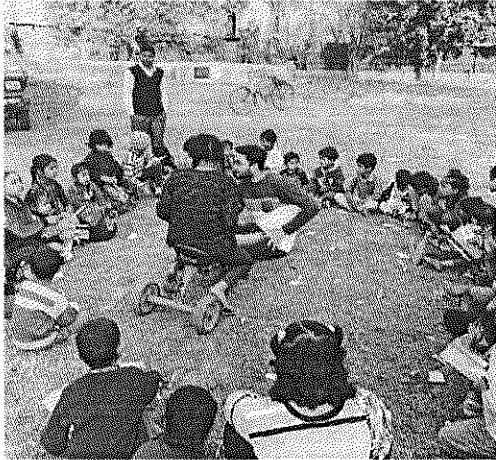

It is great to witness the excitement of the kids whenever the student volunteers visit the Andrews Ganj Slum because as soon as they step in their area the kids greet the team with a wide smile and they will hug the student volunteers with full of excitement. The student volunteers also forget their stress after they see those little kids hugging them with full excitement. It warms their hearts. The day began with some fun. Everyone was interacting and the student volunteers promised the kids to give a surprise at the end of the day.

And firstly, all the kids were asked to draw an Indian Flag. All the children enthusiastically participated in the competition. student volunteers explained to them about the importance of those three colours. Saffron colour indicates the strength and courage of the country. The white middle band indicates peace and truth and the last band is green in colour shows the fertility, growth and auspiciousness of the land. In the center of the white band is a navy-blue wheel which represents the Ashok chakra, which is a depiction of the Dharma Chakra; a wheel represented with 24 spokes.

And then they were asked to draw whatever they like or want to do in their life. Their innovations

and creativity was mind blowing. The way they presented their ideas on the paper through art, it just astounded the club members.

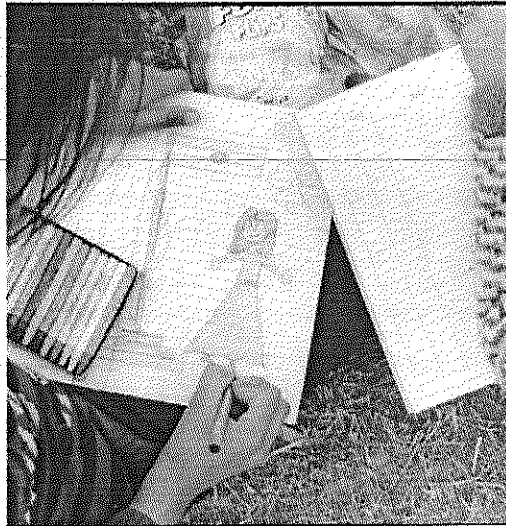

At the end of the day, the children were provided with treats. It was a fruitful workshop and was very impactful for both the kids and student volunteers. Everyone had an amazing time together.

Project Rakshak

Report:

The ability to protect oneself physically from harm is a basic human right that should be accessible to everyone, including children. Teaching children self-defence is something that everyone will often overlook in today's society, but it is of utmost importance. In an age when the bullying epidemic in school is a huge problem, it is important to ensure that every child can defend themselves if the need arises. And, it also empowers children with the knowledge of self-defence.

Self-defence not only allows children to tangibly defend themselves against physical attacks, it also sparks various benefits to them in everyday life. Important values and principles can be learned, such as hard work, dedication, and perseverance, as well as the importance of maintaining personal relationships.

Rotaract Club of JIMS Vasant Kunj organized PROJECT RAKSHAK a Self-Defence workshop which was for the underprivileged children on 2nd Feb' 2020 in the slums of Andrews Ganj. Rtr. RishelPuri, Black Belt in Taekwondo, supervised the event along with other rotaractors. The seriousness of children and the members and their shared a mutual understanding, helped the rotaractors to make this event productive and successful.

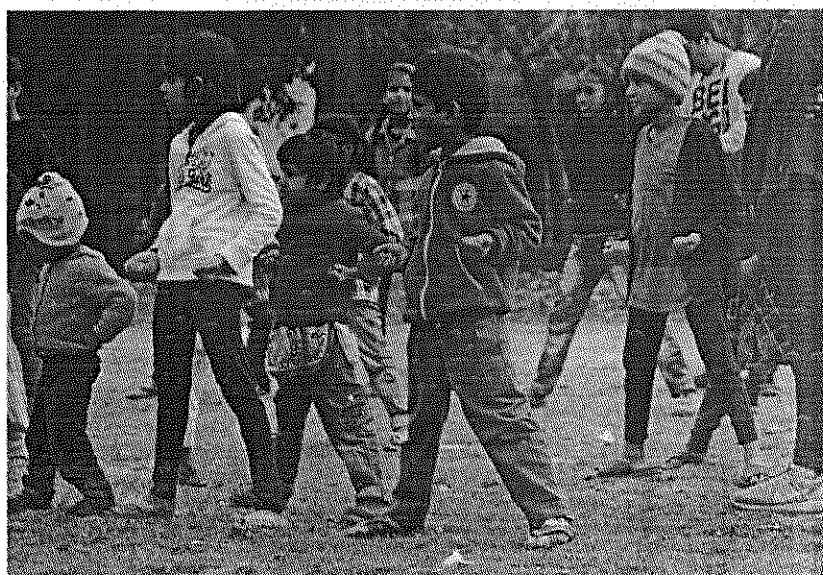

The project was named Project Rakshak because this project is concerned with training the

children with self-defence techniques, the target audience are the slum children of Andrews Ganj. The club took up this as a project because the children keenly were interested in learning the techniques and as self-defence cannot be taught in one day so the rotaractors have conducted different sessions, till now four sessions and more such sessions are expected after the pandemic.

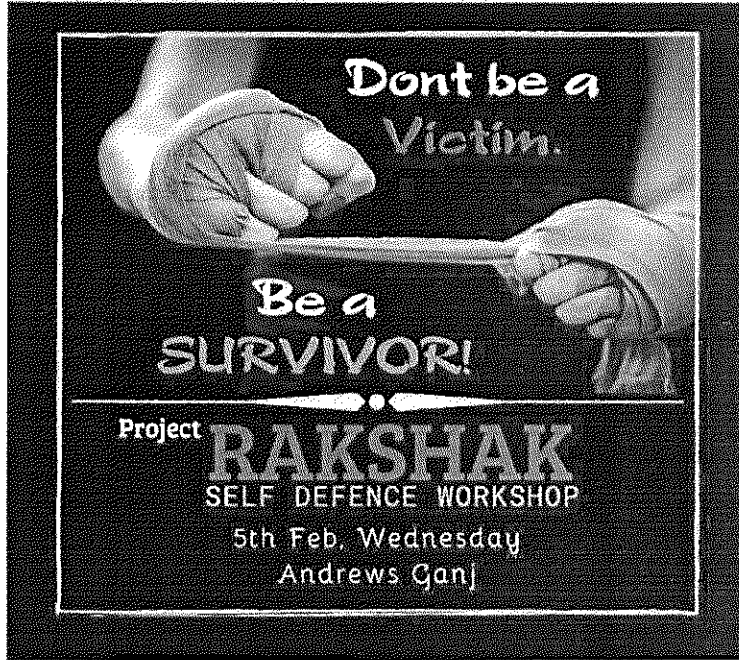

All the four sessions were held in Andrews Ganj. And after each training session all the children were provided with the energy drinks (Glucon-D), and some treats to encourage them for their attention and efforts towards the event. The success of this event had guaranteed the occurrence of similar workshops in the time to come. It was a fruitful workshop and was very impactful.

Report Project Seva

Venue: Gurudwara Bangla Sahib Connaught Place and Andrews Ganj Slum Area ,New Delhi

Number of Students Participated: 81

Organising Unit/Collaborating Agency: - Rotaract Club of Coimbatore RID 3201

Report:

According to FAO estimates & The State of Food Security and Nutrition in the World, 2019 report, 194.4 million people are undernourished in India. By this measure 14.5% of the population is undernourished in India. Also, 51.4% of women in reproductive age between 15 to 49 years are anaemic. Death by hunger is India's tragic reality. It is pertinent to realise that 34 out of 1,000 children born in the country die in the mother's womb itself. Nine lakh children below the age of five die much before they can comprehend the meaning of independent India and approximately 19 crore people in the country are compelled to sleep on an empty stomach.

Rotaract Club Of JIMS Vasant Kunj, wanted to join in the fight to terminate hunger so they organised a Long term project namely, Project Seva. This project was organized six times in the year 2019- 20. We got a tremendous response from their club members every single time. The club members were very cooperative & enthusiastic and as a team they gave their best.

1. August 14, 2019.- On the day of 14th of august along with IDYE collaboration , Rotaract club of JIMS Vasant Kunj RID 3012 and Rotaract Club of Coimbatore RID 3201 performed their flagship project. The student volunteers in the project, provided SEWA to the people in the Gurudwara Bangla Sahib under the flagship project name PROJECT SEWA.

2. 22nd and 23rd September, 2019- Under the flagship Project Seva of Rotaract Club of JIMS Vasant Kunj, the student volunteers organized an offline distribution drive on 22nd and 23rd September 2019, in which they distributed food items to underprivileged people like, ice creams , sweets , etc. Freshly cooked food boxes were also donated to people.

3. 13th October, 2019- Rotaract Club of JIMS VASANT KUNJ organised an event PROJECT SEVA so that we could come together and serve the society. It was not only about serving people, it was about going hand in hand and creating a sense of togetherness; Vasudhev Kutambakam.

With this thought, we felt everyone should do service selflessly. On 13th October 2019 at Bangla Sahib Gurudwara Connaught Place, all the student volunteer's s met up and served langar to the devotees and made chapati (roti) and contributed for the Seva. We completed the project successfully. It was a great experience with peacefulness.

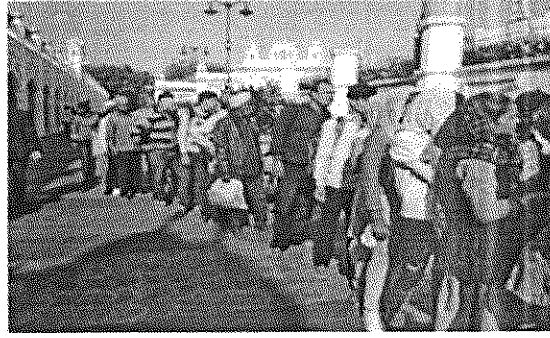

4. 17th November 2019- Rotaract club of JIMS Vasant Kunj organized an event "Project Seva" on 17th November 2019 in the Bangla Sahib Gurudwara, Connaught Place. This time we had distributed tea and biscuits to the needy people who were visiting the Gurudwara early in the morning and within 30 mins we had distributed more than 300 cups of tea. We had a wonderful time serving people there.

5. 6th Feb 2020- Rotaract Club of JIMS Vasant Kunj organised Project Seva. Tea Distribution event which was organised for needy ones on 6th Feb' 2020 on the wayside of nearby areas of Andrews Ganj Slum Area. The Project was conducted by the student volunteers. Student volunteers arranged tea and cookies for road siders which included Auto/Cab Drivers, Cobblers, Police Men, Vegetable/Fruit Vendors and some aged people in the park. People were amazed and very happy by seeing our gesture and also gave many blessings to student volunteers. Their Blessings motivated us to conduct more and more projects like this.

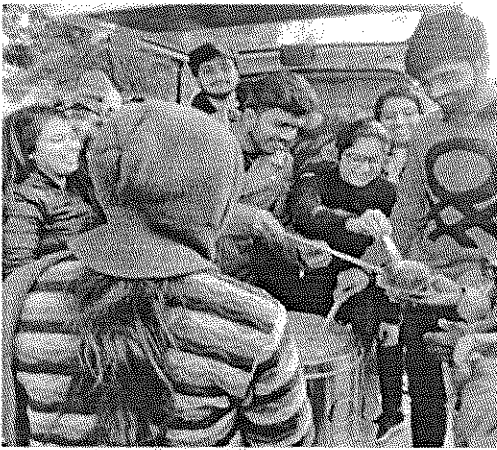

It's a responsibility to fulfill people's basic needs. They believe that, "Small contributions can make a huge change in the future." And finally, they concluded this event with an inspiring quote , "It's not about being the best, it's about being better than yesterday." Together, we will try to make a positive change."

Report:

Blood donation camp was organized in collaboration with Rotary Blood Bank. Donation of blood is the best social service to humanity. It is a very noble cause as by donating blood, one gets the opportunity to save someone's life.

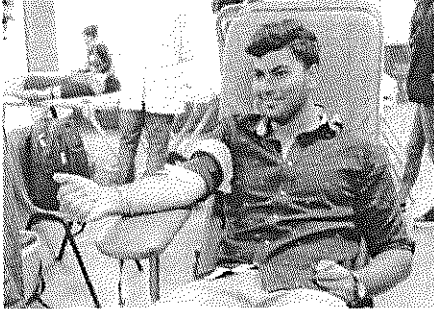

All it takes is just 15 minutes to donate blood. By donating blood, one can bring happiness to someone's life and make a difference in his life. Keeping this noble thought in mind, Rotaract Club of JIMS Vasant Kunj organized the Annual Blood Donation Camp.

The Annual Blood Donation Camp was held on 12th Feb' 2020 in the college premises only. Both the students and staff were enthusiastic about the event and showed their full support. There were quite a few volunteers donating blood for the first time. Many of the donors said that initially, they were a bit skeptical about donating blood. But seeing the response of the student volunteers, they realized that this is the best chance to start and made up their mind to donate."

One of the key aspects of the event was the doctors' amicable approach that provided assurance to students (especially first time donors) that donating blood is a safe and smooth process. Moreover, the motivation of the doctors inspired them to donate.

The donors were provided with certificates in order to make them special and then they were provided with nutritious appetizers to help them gain energy. The event was a huge success with a large number of students and teachers turning up for the cause. A total of 158 units of blood were collected in a single day.

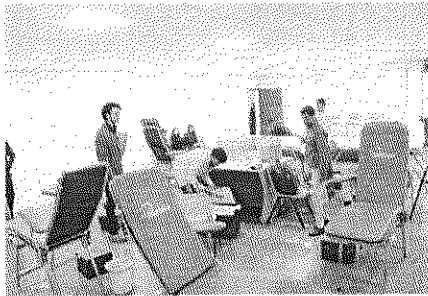

At the end of the day the student volunteers were happy that a large number of people came forward to contribute for this noble cause and donated their blood voluntarily. The student volunteers expressed their immense gratitude to all the donors who took out time in spite of their busy schedules and made this blood donation camp a great success.

Sanitation Awareness Drive

Event Category: Community Service

Date: 15th February 2020

Venue: Kusumpur Pahadi

Number of Students Participated: 43

Organising Unit/Collaborating Agency: Rotaract Club, JIMS Vasant Kunj

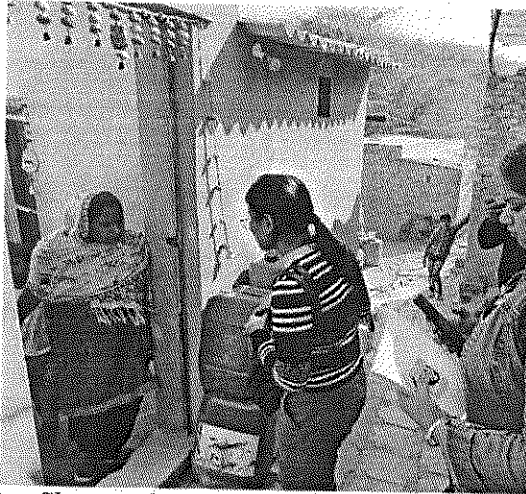

Report:

Rotaract Club of JIMS Vasant Kunj organised a Sanitation Awareness Drive in the Slums of Kusumpur Pahadi on 15 Feb' 2020. This event comes under Community Services. The drive was conducted to make people aware about some proliferating diseases which can counter them easily if they do not create proper hygiene around them. Also the Female Rotaractors talked with women over there, about their menstrual hygiene and guided them to have a proper care of themselves especially in those 5-6 days of their periods. Ladies over there so nicely greeted and openly talked about everything with the rotaractors. The rotaractors also spotted their Garbage Dumping Areas and Public Toilets. The event was successfully managed by the enthusiastic rotaractors who were well trained with their thoughts of addressing people.

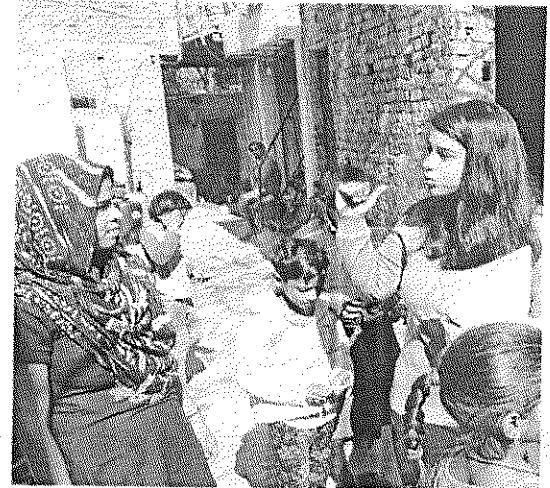

The aim of hygiene awareness-raising is to improve the hygiene behaviors not only of water and sanitation service users, but also of inhabitants of a given town or area. Over one million people around the world die each year from diseases caused by a lack of safe water and sanitation, with most of these deaths recorded in developing countries. Using good sanitation and hygiene practices is one of the most effective means of reducing the spread of diarrheal diseases, which are the leading cause of death among children under five years of age.

In India in 2017, 59.5% had access to "at least basic sanitation". Between 2014 and 2019, the NDA Government in India built around 110 million toilets all across India, due to which the basic sanitation coverage went up from 38.7% in October, 2014 to 93.3% in 2019.

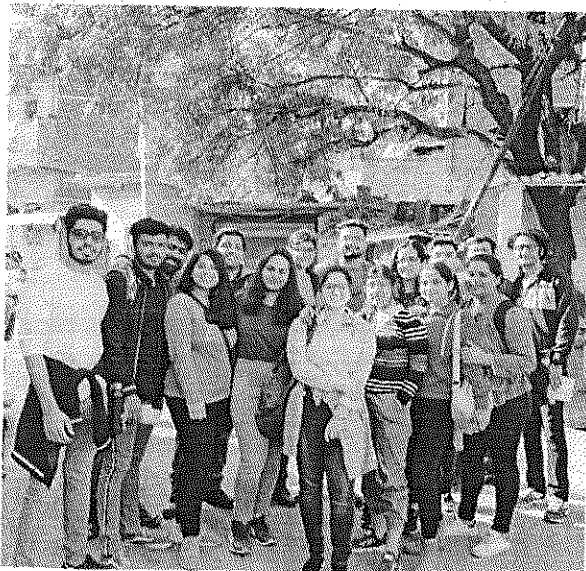

Overall, the event was a huge success and the event concluded on a happy note.

Report:

"Who feeds a Hungry Animal, Feeds his own Soul."

As the nation welcomes the summer season it becomes hard for animals to find water for themselves with these initiatives animals were able to finish their thirst for water

We see animals drink whatever water is available, they cannot differentiate between clean and dirty. The lack of clean drinking water leads to dehydration and finally the demise of thousands of stray animals and birds in our city. So, it is our duty to ensure they have access to clean water.

The main motive of this event was to quench the thirst of homeless animals in this unforgiving heat. Rotaract Club of JIMS Vasant Kunj organized Water Bowls and Food for Animals on 24th March, 2020. This event comes under Community Services. Due to COVID-19, all the members have placed a container of water or milk for the strays and some grains for the birds and squirrels near their homes. 32 members of our club came forward to help the animals out there who are dependent on people for their daily food and water.

The event was a huge success as many Rotaractors had taken part. And the event concluded on a happy note.

5. Safety Collars for Strays-

- 1st of January 2020, on the occasion of New Year's, the club purchased a number of reflective dog collars for stray dogs out on the streets.
- The purpose of the reflective collars is that when the light falls on them in the night, they reflect which makes them less prone to road accidents at night.
- The members had put collars on dogs around their houses and the college campus.

6. 14th February 2020-

- On 14th of February 2020, on the occasion of Valentine's day, 50 members went to Dhyan Foundation animal shelter.

8. Holi Awareness Campaign-

- On 10th of May 2020, on the festival of Holi, the club had huge concern for all the stray animals on the streets as the colours and chemicals can cause major skin problems in them.
- We did an online awareness campaign to sensitize people about the same on our club Instagram handle.

9. National Pup Day-

- On 23rd of March 2020, the occasion of National Pup Day, the club spreaded an online awareness about the importance of “ADOPT NOT SHOP” on their Instagram handle

- On the 23rd of March 2020, during the Covid-19 lockdown the club initiated a project to tell people how important it is to currently help the stray birds and animals outside as they are completely banking on us for their survival.
- People were asked to put out bowls of milk for the dogs and cats and a bowl of grains and water for the birds and small animals.
- It was a huge success as so many people participated in the project and made sure to do their bit and sent us photos and videos of the same which were featured on our Instagram page.

11. National Pet Day-

- On 11th of April 2020, the occasion of National Pet Day, the club uploaded videos on Instagram page with a personalised message with an aim to sensitize people about the need to feed stray animals in this unprecedented time.

Plastic Free Day

Event Category: Community Service

Date: 3rd July 2020

Venue: Online Awareness

Number of Students Participated: 30

Organising Unit/Collaborating Agency: - Rotaract Club, JIMS Vasant Kunj

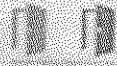

Report:

"Be a part of the solution not the problem. We are the last generation with a real opportunity to save the world.

Rotaract Club of JIMS Vasant Kunj has taken an initiative to create awareness on Plastic Bag Free day which was celebrated on 3rd July, 2020. Plastic waste is one of the major threat to Earth. With a population of 1.35 billion people, the country is responsible for 500,000 tonnes of mismanaged plastic waste reaching the ocean every year. Around eighty percent of plastic in India is discarded as waste, and more than forty percent of this goes uncollected.

Therefore, the proactive student volunteers created a video in which they highlighted how plastic bags are the major source of plastic pollution and they also mentioned the alternatives of plastic bags. The student volunteers encouraged everyone to look for eco-friendly alternatives. They voiced out on this date to increase awareness of the dangers and harm that is being associated with the use of plastic bags and its impact on marine life, animal life and nature.

Report:

Rotaract Club of JIMS, Vasant Kunj in collaboration with Rotaract Club of Maharaja Agrasen organised Project- PRABHAV. The project was undertaken beautifully and in full solidarity by 58 student volunteers from JIMS VK and 48 student volunteers from Rotaract Club of Maharaja Agrasen.

The Project had three phases carried out by our passionate student volunteers selflessly. The idea is to bring impact to the society in a holistic manner. In this project 3 main areas were included like Environment, Hunger and Animal Protection. All the three phases were jointly done by both the clubs.

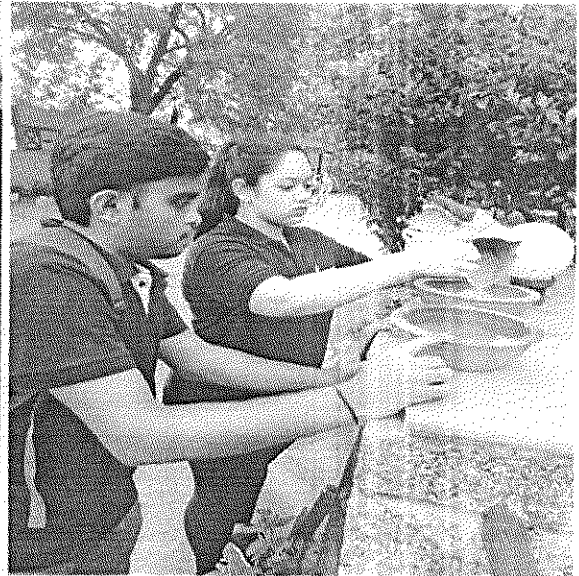

Phase 1 was about, "Establishing foundation" where 1524 saplings were planted to nurture our community and save nature.

Phase 2 was "Sustaining humanity" in which 6373 individuals in need were fed and last but not the least,

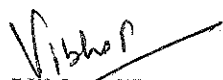

Phase 3, "Protecting lives"- 497 stray animals were fed. It was surely a great project that brought smiles on the faces of several people in direct need of basic necessities like food, enhanced beauty of nature and took care of our furry friends outside on the streets. It was a very successful project that created a huge impact and instilled hopes in the world around us.

Project Wolle

Event Category: Community Service

Date: 18th July, 2020

Venue: Online mode

Number of Students Participated: 42

Organising Unit/Collaborating Agency: - Rotaract Club of GL Bajaj

Report:

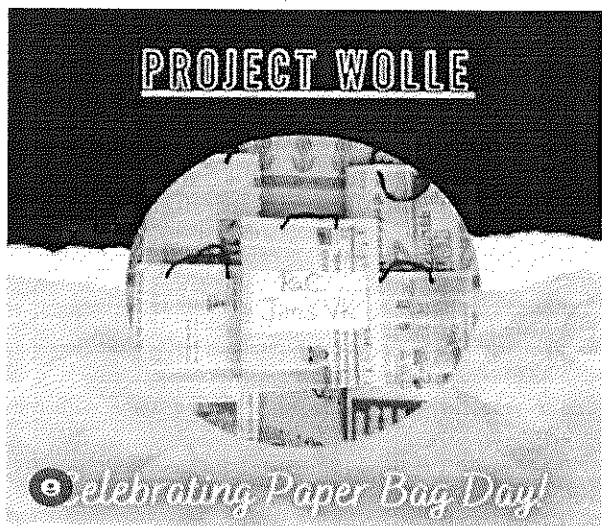

Plastic pollution has become one of the most pressing environmental issues, as rapidly increasing production of disposable plastic products overwhelms the world's ability to deal with them. Plastic pollution is most visible in developing Asian and African nations, where garbage collection systems are often inefficient or non-existent. But the developed world, especially in countries with low recycling rates, also has trouble properly collecting discarded plastics. Plastic trash has become so ubiquitous it has prompted efforts to write a global treaty negotiated by the United Nations.

Rotaract Club of JIMS, Vasant Kunj in collaboration with Rotaract Club of GL Bajaj, undertook the initiative, "Project Wolle" to spread awareness about environmental concerns like banning the use of single-use plastics and recycling of waste paper.

42 Student volunteers from JIMS Vasant Kunj made beautiful paper bags out of waste paper and promoted sustainable living for a better planet. It was a fun and enlightening event.

Both the clubs encouraged other people to bring a change in the society by reducing the use of plastic bags. The major motive of this project was to make their surroundings plastic free. An awareness was created among the students, their family members and people working with them. The harmful effects of plastic were highlighted and the idea of avoiding the use of plastic was promoted.

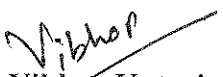

This event was organised as a small step to move towards a sustainable development. The club hopes to make more such small changes to create a big difference in the environment.

Report:

Rotaract Club of JIMS, Vasant Kunj had collaborated with Rotaract club of Navi Mumbai paid tribute to Nelson Mandela on his birth anniversary through "Project Sixty-Seven". More than 67 clubs had participated and planted 428 seeds and saplings in this initiative. The 67 clubs were from all across India. It was a great opportunity to connect and collaborate with other clubs. The major motive was to spread love and positivity on the occasion of Nelson Mandela Day.

Nelson Rolihlahla Mandela was a South African anti-apartheid revolutionary, political leader and philanthropist who served as the first president of South Africa from 1994 to 1999. He was the country's first black head of state and the first elected in a fully representative democratic election. His government focused on dismantling the legacy of apartheid by tackling institutionalised racism and fostering racial reconciliation. Ideologically an African nationalist and socialist, he served as the president of the African National Congress (ANC) party from 1991 to 1997.

The millennial efforts were appreciated in making the world a better place and bringing in a change for a better tomorrow. It was a great learning experience. The participants interacted with other clubs and they made strong bonding. They shared and gained some valuable information.. The event ended on a happy note.

India is a secular country with diversified cultures and the significances in their own kind. In an endeavor to solidify the bond of oneness and unification, the country celebrated the Birth Anniversary of Sardar Vallabhai Patel on 31 st October as Rashtriya Ekta Diwas (National Unity Day). In line

with the celebrations countrywide, Jagannath International Management School, Vasant Kunj following the mandate organized various activities in the school premises in order to extend their heartfelt appreciation about the life and the involvement of the great leader, Sardar Patel, in the veritable contribution during the freedom struggle and to lay a foundation of a unified country fused with oneness. The idea was to infuse in the young future generation with values integrated with the knowledge and adoration about the country's rich heritage.

The celebration began by a speech from our Chairman, Dr. Ravi K Dhar on the theme for the year 2020 i.e. "Unity in diversity is better than unity in similarities." The chairman also highlighted the fact that it is high time to take stand for one another and especially for ourselves. No matter how bad the situation is, one must always stand for the right things without thinking much about repercussions. This was followed by a short poem recitation and speech competition on the topic, Unity in Diversity. The basic idea of the competition was to enable students to appreciate the value of synergic efforts rather than individual efforts so that students can go back to society as ambassadors of unity, peace and security. All the performances were delivered exceptionally and were appreciated by the chairman. The event was attended by almost 200 students and felt very satisfied and content.

1. To not focus on individualism but help the community grows.
2. Appreciated the efforts of our eminent leaders and policemen who helped our country grow.

It came into force on 26 January 1950.

26th November has its own importance in the history of independent India as it marked the dawn of a new era. To acknowledge the contribution of the framers of the Constitution and to aggravate the people regarding the prominent values, 26 November is celebrated as the 'Constitution Day'. Riya Gupta, student BA(JMC) 3rd year highlighted the following for Constitution Day 2019. This year the country will celebrate it for the 5th time. It was celebrated 4 years ago as a mark of tribute to Dr. Bhimrao Ambedkar, the first law minister of India while laying the foundation stone of B.R Ambedkar's statue of Equality memorial in Mumbai. The year 2015 also celebrated the 125th Birth Anniversary of Dr. Ambedkar. Dr. B.R Ambedkar, known for championing the cause of the down-trodden, was the head of the committee that finalized the draft of the Indian Constitution. The completion of the draft had taken 2 years, 11 months and 17 days. Addressing the nation in his monthly radio program Mann Ki Baat on Sunday, Prime Minister Narendra Modi said he hopes that "Constitution Day" reinforces people's obligation towards upholding the constitutional ideas and values.

“I hope that the ‘Constitution Day’ reinforces our obligation towards upholding the constitutional ideals and values, thus contributing to nation-building. After all, this was the dream of the makers of our Constitution,” PM Modi was quoted as saying by news agency ANI. “My dear countrymen, November 26 is Constitution Day and it is a special day for the whole country,” the Prime Minister said. “This year it is even more special as we will be completing 70 years of the adoption of the Constitution,” he added National Constitution Day 2019: Celebration In all the Government Offices or Institutions, the celebrations will start by reading the ‘Preamble’ of the Constitution. The National Campaign will also launch that focus on the fundamental duties, an important feature of the Constitution. It will start on 26 November, 2019 and culminate on 26 November 2020.

On 26 November, 2019, the ‘Preamble’ shall be read out in the Civil Secretariat at 11:00 AM which will be followed by people in Jammu and Kashmir after the abrogation of article 370 and for the first time will celebrate ‘Constitution Day’. Kerala Flood Relief Initiative

The idyllic tourist destination of Kerala is experiencing the worst flood in nearly a century, with abnormally high rainfall resulting in severe flooding in 13 out of 14 districts in the State killing at least 324 people and shattering the state's major infrastructure. Thousands of people were injured in landslides and authorities said that nearly 220,000 people have been displaced since the heavy rains began battering the southern Indian state last week.

The Rotaract Club of JIMS Vasant Kunj organized the Donation Drive in August, 2018 as a community service initiative, for providing relief to our Kerala brethren. 56 student volunteers collected the donations to help out the people affected by Kerala flood. On 28 August 2018 the donations were made to Uday Foundation for onward dispatch to the needy in Kerala. The following items were collected from the students and faculty members, which was further donated.

- Torches, Batteries
- Sarees, Shirts, Shoes
- Towels, Bedsheets, Curtains, Blankets etc.
- Tooth brush, tooth paste, Bathing Soap
- Dry rations such as Rice, Atta, Salt, pulses, spices, sugar, tea, coffee, biscuits, Ready to eat packages etc.
- Glucose-D, Dettol, Band Aid, Multivitamin Tablets.

The contribution done was apart from the individual donations made by people in Prime minister relief funds. Though the contribution was small but students were happy to contribute whatever they could.

Educate the Girl Child

In India, many children fail to receive a quality education. Although some children simply do not have access to a school, others are hindered for socioeconomic reasons. Those fortunate enough to enroll often drop out owing to poor school infrastructure and curriculum. Some do not attend because of the low value their parents place on education. This issue needs attention as many children and especially girls do not get an opportunity to make their careers.

So, for promoting girl child education the Rotaract Club of JIMS Vasant Kunj as a part of the community service adopted a girl Ms.Vimlesh Kumari on 29 August 2018 for supporting her education. She was supported by 5 Volunteers to help with her admission, fee and studies to complete a One Year Diploma Course at the NSIC Centre in Okhla, New Delhi. Her Tuition fee was raised through crowdfunding. It is done under the scheme of government Right to education.

“Swachhta Hi Sewa” Abhiyan

The College organized a Cleanliness Drive inspired by “Swachhta hi Sewa” Abhiyan on 5th October 2018 as a part of Swachh Bharat Mission. The program was inaugurated by our esteemed Chairman, Dr Amit Gupta who administered the Swachhta Pledge to the students.

The Director, Dr. Ravi K. Dhar and the Faculty Advisor, Prof. B. Manchanda also addressed the students

Students from different departments joined hands and went outside the College to clean the area around the college. A group of 143 volunteers divided into teams of 10-11 students headed by 14 Coordinators did a spectacular job.

On this day a wide variety of activities ranging from students wielding the broom and cleaning the campus, identifying the message of Cleanliness in the Workplace and Home were organized.

With the active participation of our Faculty members and students, the Swachhta Abhiyan was a resounding success.

Swachhta Pledge

The Pledge that the student volunteers and faculty members took

Mahatma Gandhi dreamt of an India which was not only free but also clean and developed.

Now it is our duty to serve Mother India by keeping the country neat and clean.

I take this pledge that I will remain committed towards cleanliness and devote time for this.

I will devote 100 hours per year, that is two hours per week, to voluntarily work for cleanliness.

I will neither litter nor let others litter.

I will initiate the quest for cleanliness with myself, my family, my locality, my village and my work place.

I believe that the countries of the world that appear clean are so because their citizens don't indulge in littering nor do they allow it to happen.

With this firm belief, I will propagate the message of Swachh Bharat Mission in villages and towns.

I will encourage 100 other persons to take this pledge which I am taking today.

I will endeavour to make them devote their 100 hours for cleanliness.

I am confident that every step I take towards cleanliness will help in making my country clean.

The program was successful, the people of the localities had a smile on their face seeing young people taking responsibility and setting an example for everyone.

Women's Empowerment Programs

JIMS Vasant Kunj is running a Sewing and Beauty Culture training program for Skill Enhancement and Community Service. This initiative started on 7 October 2018, with the aim to empower the girls and women of underprivileged families. By attending this skill training, females can not only become independent but also can contribute to the family income. This program was initiated and launched with the help of 20 student volunteer who went to the slums of Mahipalpur, Kishangarh, Masoodpur and Rangpuri Pahari and convinced females to attend the program. There were two skill enhancement programs:-

a. Sewing & Tailoring Course

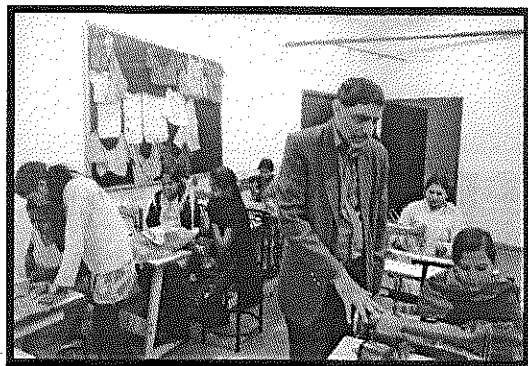

The women of EWS category from the slums of Mahipalpur, Kishangarh, Masoodpur and Rangpuri Pahari are being provided an opportunity to learn sewing and tailoring in our campus. Women in batches of 12-15 learn sewing and tailoring during the 3 months course in this ongoing programme. Till date about 350 women have been trained in Sewing and Tailoring. It is expected that after learning sewing and tailoring, these women would become self-sufficient and would be able to supplement their family income by stitching clothes in their respective neighborhoods.

b. Beauty Culture Course

The first Beauty Culture class in JIMS was held on Monday, 7 October, 2018 - during the auspicious occasion of the Navratras.

Women in batches of 12-15 learn Beauty Culture during a 3 months course in this ongoing programme. Till date about 160 women have been trained in Beauty Culture. While some of the women have become professionals in their own respective neighborhoods, others have been helped in securing jobs locally through the Beauty Parlours.

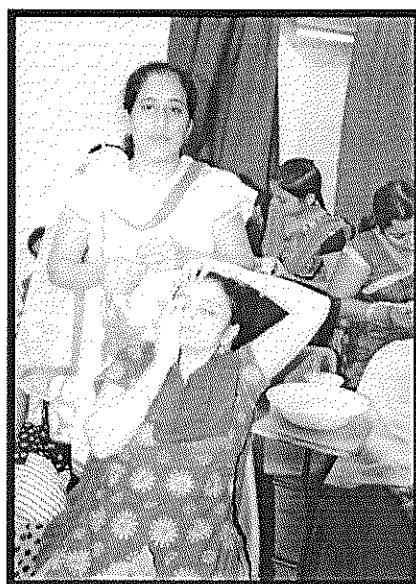

This course taught them how to make money and being independent is a bliss.

Plantation Drive

Planting as many trees as possible to increase greenery in the area. The students of JIMS Vasant Kunj organized a plantation drive in the DDA Sanjay Van, Gate no. 3, near Rockland Hospital, New Delhi on Saturday, 27 October, 2018. In total of 184 student and faculty volunteers took part in this drive. In this drive 600 saplings of fruit and medicinal trees were planted. This event was carried out in collaboration with Sanjay Van Authorities, DDA. The objective of the tree planting programme was to create an awareness among the student community about the role played by trees in environment protection. Greens will also convey the message that trees are the answer for climate change. The event was organised to foster a mental disposition among the student community towards social commitment and ecological conservation.

184 students volunteered to be part of this program. We involved the maximum number of students in this drive. It is important to plant trees to maintain the ecological balance," said Mr. Ram Chand, President of the Rotary Club of Delhi Imperial who had inaugurated the programme at Sanjay Van. The students planted a number of indigenous varieties of plants such as Mahua and Gulmohar and also Picus Calendla. "The trees, when they grow up, will act as the protectors of the environment. It will give us immense satisfaction and also inspire the coming generations to continue the practice," said Ms. Muskan Sharma, a BBA Student. And they also understood the importance of trees.

Say No to Crackers this Diwali Campaign

School and College students have long refrained from bursting crackers on Diwali and this year is expected to be no different. Teachers, Students and the Administration of various Schools and Colleges are once again joining hands to ensure that this year the Festival of Lights is safe and peaceful for all citizens. Delhi saw the PM10 particle levels shoot up by five times after last year's Diwali celebrations. In fact even SO2 levels were much higher, while in some areas the level of sound pollution also went up.

The pollution caused by fire-crackers not only affects the environment but also creates respiratory problems. The pollutants make it difficult to breathe and it is harmful for the asthmatic patients. One should also keep in mind that the sound from the crackers annoys and affects the elderly people also. To bring in the environmental consciousness 52 student volunteers of Rotaract Club of JIMS Vasant Kunj organized a "SAY NO TO CRACKERS" Campaign on 5 November 2018 where aggressive efforts were made to generate an awareness regarding the cause among the students and community. On this occasion a poster making contest was also held. The best 3 posters were awarded prizes and these posters were displayed at vantage locations in the College. Awareness was also created that burning crackers make the environment polluted which is harming the earth and causing global warming.

Blood Donation Camp

A Blood Donation Camp was organized in the by **JIMS Vasant Kunj** under the aegis of the Rotary Club of Delhi Imperial on 12 February 2019 as the community service initiative.

Our esteemed Chairman, Dr. Amit Gupta inaugurated the camp and informed the students that Voluntary Blood donation is undoubtedly, the highest form of humanitarian services as it is done without expectation of even knowing who it will help. There is a higher altruistic thought that motivates such action.

Prof. B. Manchanda, Faculty Advisor, JIMS VK Club also spoke to the students and motivated the students to donate blood and be a part of this noble cause. He also cleared various myths attached to blood donation.

This event was organized under the guidance of experienced doctors and nurses. This was carried out in three stages:

- a) Registration of the students – at this stage around 500 students registered for the blood donation.
- b) Checking the students for medical Fitness- this was done by doctors and after careful checking 328 students were found fit to donate the blood.
- c) Blood Donation

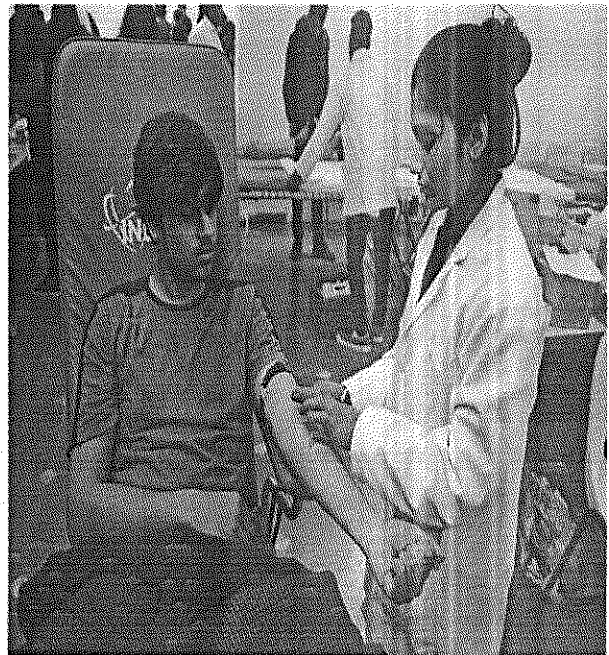

During this drive a total 328 student volunteers donated blood. It was an all-time record for the College.

Voters Enrolment Drive

Election is an important instrument of a true democracy. The Indian government and election commission always motivate the people to cast their vote. So, to create awareness on how to vote among students and people living in slums, JIMS Vasant Kunj carried out a Voters Enrolment Drive from 19th March 2019 in the slums of the adjoining area. This event was carried out by the students of JIMS Rotaract club. In total of 118 student volunteers carried the drive actively for the students and slum dwellers. This drive was conducted at two levels: -

- A. Through visits to the Slum Areas- For this drive a group of 118 student volunteers were selected and trained for educating the slum dwellers about Voter enrollment for the elections. Students visited the slums of Masood Pur, Rangpiri Pahari and Mahipalpur and created awareness regarding elections and its importance in democracy. Slum dwellers were also educated on the process through which they can enroll themselves as voters and how to get names added in voters list. Students also helped the people in filling the application forms.
- B. Online for students in the College—30 Students enrolled themselves for the voter card.

Literacy Programme

JIMS Rotaract club initiated a literacy program on 4th August 2017 as a part of community service. This was done under the framework of the Right of Children to Free and Compulsory Education Act, 2009. As per this Act, the right to education will be accorded the same legal status as the right to life as provided by Article 21A of the Indian Constitution. Every child in the age group of 6-14 years will be provided 8 years of elementary education in an age appropriate classroom in the vicinity of his/her neighborhood. 22 student volunteers worked hard to convince the people living in the slums of Mahipalpur and Rangpuri Pahari to admit their kids in school. After much effort and continuous persuasion volunteers could convince 6 children in the age group of 6 to 14 years were admitted to the MCD Primary Schools in and around Mahipalpur and Masoodpur.

On 12th August 2017, the College Rotaract Club organized a campaign where the students collected various discarded, old and unused items and distributed the same to the needy people such as beggars, street children, labourers, rickshaw pullers, residents of slum bastis and many more.

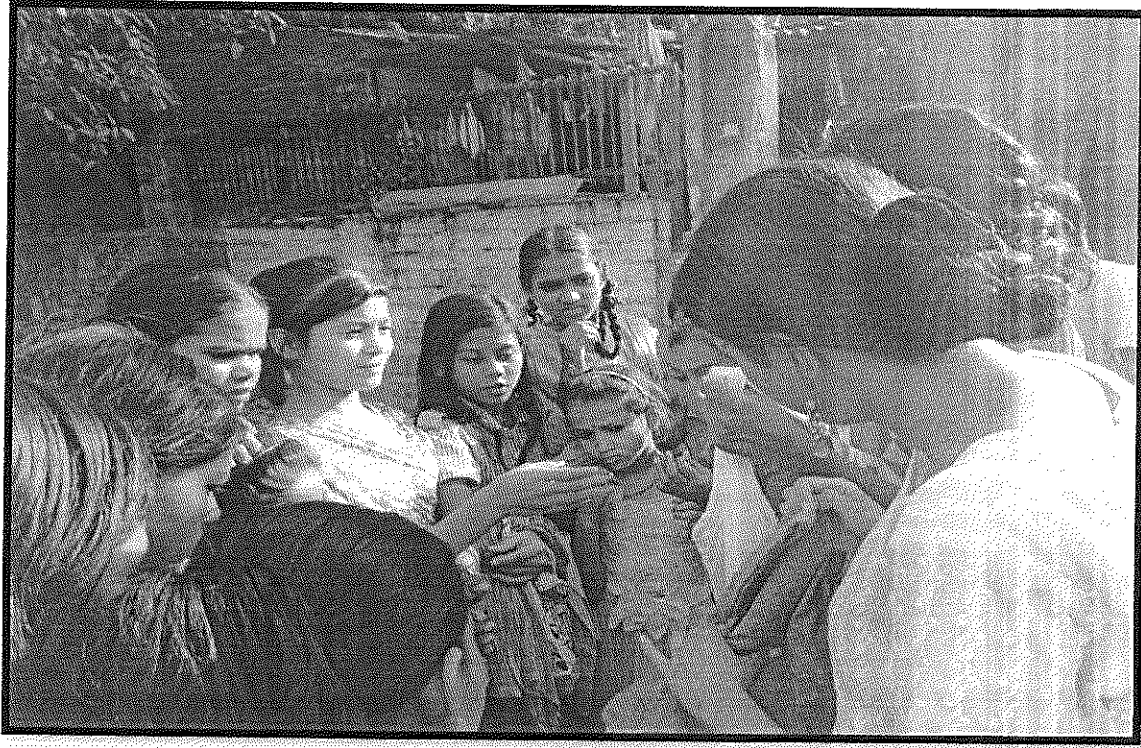

The students donated clothes, bed sheets, blankets, sweaters, as well as books, shoes, stationery, utensils, toys, etc. The members donated these extra items available in their houses to someone who actually needed it. A programme on Personal Hygiene was organized by the Rotaract Club of JIMS, Vasant Kunj on 4th September 2017, in collaboration with Nazariya on personal hygiene. Nazariya is a charity driven platform founded by Ms. Anvi Ahuja. At Nazariya Anvi and her passionate team try to break the chains of menstruation taboos, societal norms, body shaming, inhibitions and insecurities. The session was planned and organized by 20 student volunteers.

For this event a group of 30 girls and women from the EWS category were selected. These women are the students of the beauty culture and sewing classes conducted by JIMS Vasant Kunj under the ISR activities. This workshop on Personal Hygiene was organized on 4th September, 2017 in the college auditorium.

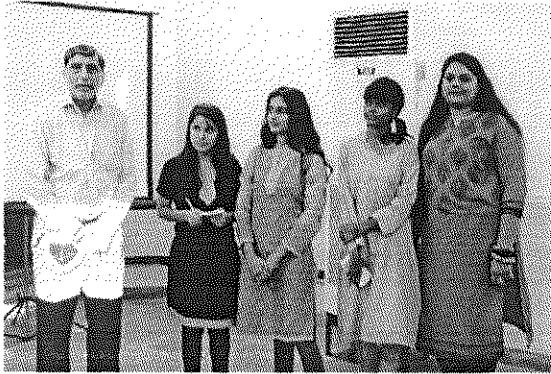

The Director of JIMS Vasant Kunj, Dr. Ravi K. Dhar along with Dr. Avtar Singh Sethi, the HOD of Department of Management Studies and Prof. Bhushan Manchanda, the Faculty Incharge of JIMS Rotaract Club inaugurated the session and shared their valuable insights on the concerned issue.

The team Nazariya took over the session where Ms. Anvi Ahuja with her team members, Shreya and Dhriti spoke on the topic with help of a presentation. The session was immensely interactive and fun. It covered topics like cleaning up, the importance of a healthy diet and breaking the taboos of menstruation. The presentation was followed by a long question answer session which busted all the doubts in the heads of the attendees. The attendees and team Nazariya came along pretty well and it was a learning experience for both the parties. The session was a success due to the efforts of our 20 volunteers.

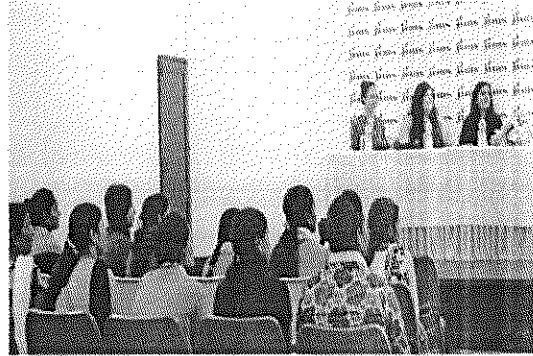

The Rotaract team presented a token of appreciation along with certificates to team Nazariya. The session ended with lots of photographs and smiles on the faces of all the girls.

“Say No to Crackers this Diwali” Campaign

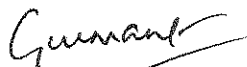

School and College students have long refrained from bursting crackers on Diwali and this year is expected to be no different. Teachers, Students and the Administration of various Schools and Colleges are once again joining hands to ensure that this year the Festival of Lights is safe and peaceful for all citizens.

Delhi saw the PM10 particle levels shoot up by five times after last year's Diwali celebrations. In fact even SO2 levels were much higher, while in some areas the level of sound pollution also went up.

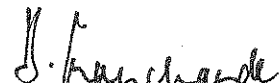

The pollution caused by fire-crackers not only affects the environment but also creates respiratory problems. The pollutants make it difficult to breathe and it is harmful for the asthmatic patients.

One should also keep in mind that the sound from the crackers annoys and affects the elderly people also. To sensitize the students and faculties about the environmental issues the Rotaract Club of JIMS Vasant Kunj spread the message of “**SAY NO TO CRACKERS**” by organizing a Poster Competition on 17 October, 2017 where 33 students took part.

The best 3 posters were awarded prizes and these posters were displayed at vantage locations in the College.

Plantation Drive

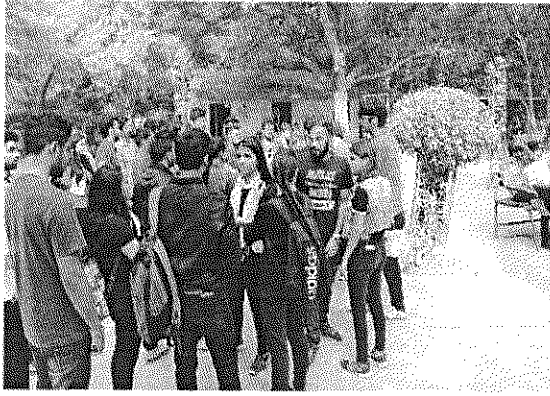

The students of JIMS celebrated the JIMS Planting programme, facilitated the Rotaract Club, by doing a plantation drive by planting 600 saplings in the DDA Sanjay Van, near Mehrauli, New Delhi on Saturday, 28 October, 2017.

The objective of the tree planting programme was to create an awareness among the student community about the role played by trees in environment protection. Greens will also convey the message that trees are the answer for climate change. The event was organised to foster a mental disposition among the student community towards social commitment and ecological conservation. 218 students took part in this daylong programme.

"We involved the maximum number of students in this drive. It is important to plant trees to maintain the ecological balance," said Dr. Ravi K.Dhar, Director who had inaugurated the programme at Sanjay Van.

The students planted a number of indigenous varieties of plants such as Mahua and Gulmohar and also Picus Calendula.

"The trees, when they grow up, will act as the protectors of the environment. It will give us immense satisfaction and also inspire the coming generations to continue the practice," said Ms. Aarti Singh, a BBA Student.

Blood Donation Camp

Voluntary Blood donation is undoubtedly, the highest form of humanitarian services as it is done without expectation of even knowing who it will help. There is a higher altruistic thought that motivates such action. One single blood donation actually helps many patients as blood is usually segregated into RBC's, Platelets, WBC's and Plasma and given accordingly for their requirement.

Blood that is donated is made good in the system within 48 hours. Further trained doctors first examine the prospective donors and only if found medically fit, do they proceed further.

Keeping the above objectives in view, a Blood Donation Camp was organized in JIMS-VK by our College under the aegis of the C on 12 February, 2018. A total of 371 Students and Faculty/Staff members came forward as voluntary blood donors and donated blood. 66 Students were rejected as they were not found to be medically fit or had health problems.

Finally 305 student volunteers could donate the blood.

Our esteemed Chairman, Dr.Amit Gupta ,Dr.Ravi K.Dhar, Director and Mr.Vinay Singla, President, Rotary Club of Delhi Imperial who were present spoke to the Blood donors and appreciated their kind and caring action that would serve as an example for others.

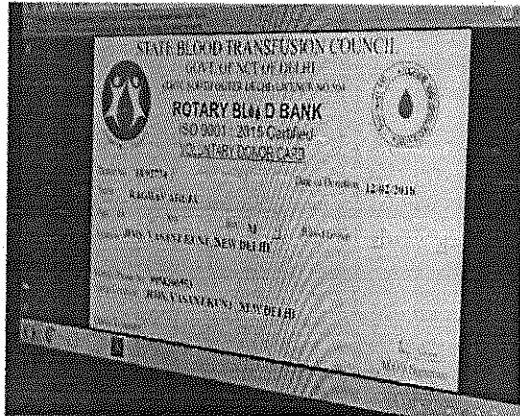

The students have done a service to our nation and our cause by donating blood. Prof. B. Manchanda, Faculty Advisor expressed his deepest gratitude to the students for their support and continued cooperation to help those in need.

Computer Literacy Classes

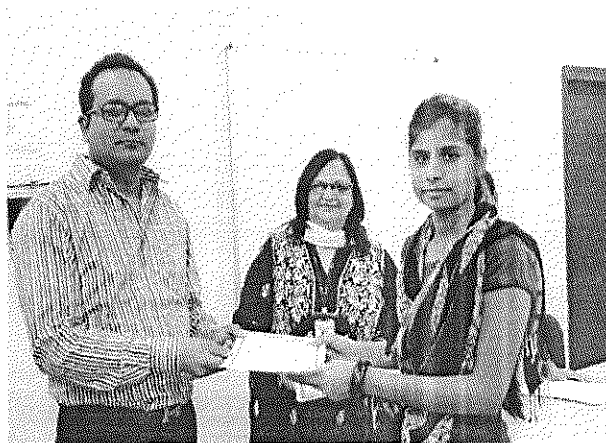

For most slum families, educating their children is the last thing on their minds. Every child up to the age of 14 is entitled to free schooling, but the government schools they attend are poorly resourced and have low teaching standards. English and computing skills are barely taught, and the option of higher education remains an expensive dream. As slum children grow up, parental pressure to leave school and start work increases, and the vast majority of young people leave school by the age of 16. Among slum residents, the most common belief about higher education - or even completing school - is that it's a waste of time and money.

It is felt that the acquisition of basic computing skills by any set of children can be achieved through incidental learning provided the learners are given access to a suitable computing facility, with entertaining and motivating content and some minimal (human) guidance.

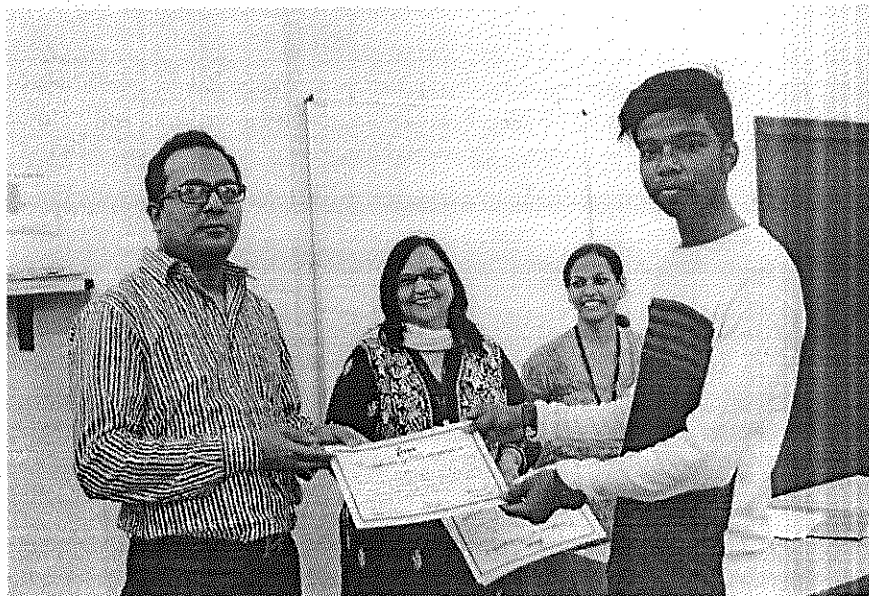

With the above in view at the time of the summer vacation every year (June / July) Computer Literacy Classes were organized for 2.5 hours every day (Monday to Friday) for the children of EWS Category from the slums of Nangal Dewat, Rangpuri Pahari, Masoodpur and Mahipalpur by the rotaract club of JIMS, Vasant Kunj . 34 volunteers of ours helped locate students who could benefit from the classes. These children are given free computer education. A course on Microsoft Office is taught to at least 30 students every year.

Report

BLOOD DONATION CAMP

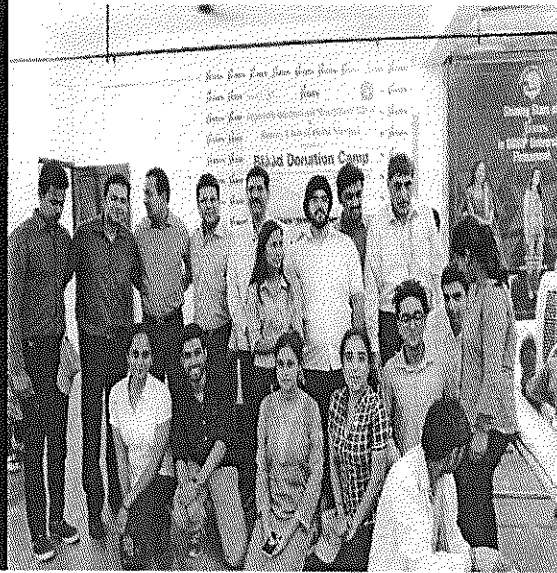

Volunteering the Blood donation is undoubtedly the highest form of humanitarian services, as it is done without expectation of even knowing who it will help. There is a higher altruistic thought that stimulates such action. One single blood donation actually helps many patients as blood is usually segregated into RBC's, Platelets, WBC's and Plasma and given accordingly for their requirement. Blood that is donated is made good in the system within 48 hours. Further trained doctors first examine the prospective donors and only if found medically fit, do they proceed further.

Keeping the above objectives in view, as a community service a Blood Donation Camp was organized by JIMS-VK by our College under the aegis of the Rotary Club of Delhi Nirvana and Rotary Blood Bank on 19 September, 2016. A total of 293 Students members came forward as voluntary blood donors and donated blood.

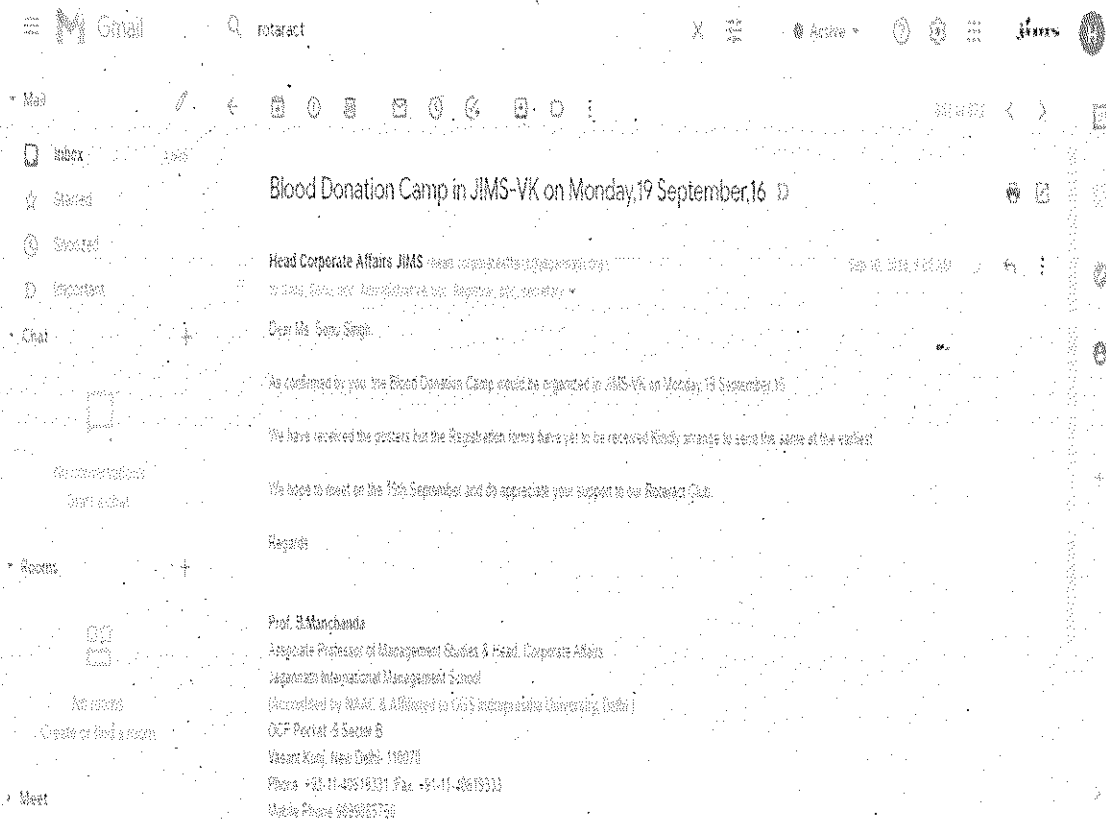

Our esteemed Chairman, Dr.Amit Gupta and Mr.Sharad Jain, District Rotary Governor who were present, spoke to the blood donors and appreciated their kind and caring actions that would serve as an example for others. The students have done a service to our nation and our cause by donating blood. Prof. B. Manchanda, Faculty Advisor expressed his deepest gratitude to the students for their support and continued cooperation to help those in need.

SWACHHTA ABHIYAN

Prime Minister Shri Narendra Modi launched his nationwide cleanliness campaign, 'The Swachh Bharat Mission' or 'Clean India Campaign' from the Valmiki Basti in New Delhi on Thursday, 2nd October, 2014 on the occasion of Mahatma Gandhi's Birth Anniversary. Addressing the nation at the launch, Modi asked India's 1.25 billion people to join the 'Swachh Bharat Mission' and promote it to everyone.

Our 183 students volunteers under the aegis of the JIMS Rotaract Club, as community service, enthusiastically participated and organized a cleanliness drive on October 6, 2016, in the areas adjoining the campus and spread the message of cleanliness and Swachhta Abhiyan.

The morning started with the students taking the "Swachh Bharat" pledge that was administered by the Chairman Dr. Amit Gupta, the Director, Dr. Ravi K. Dhar and the Faculty Advisor, Prof. B. Manchanda. The pledge spread the message '**na main gandagi karoonga, na main gandagi karne doonga**' (I would not litter and won't allow anyone to do so). Later all the students cleaned the outer campus areas as also the adjoining areas of Masoodpur and the Car Market.

Head Corporate Affairs, JMS

Dear Sir,

Swachhta Abhiyan, a cleanliness drive initiated by Hon'ble Prime Minister Narendra Modi was launched in Mahatma Gandhi's 147th Birth Anniversary on 2 October 14. Students and Faculty members of JMS, VK had enthusiastically joined this 'Clean India Campaign' and participated with fervor on 2 October 14 and subsequently during the Cleanliness Drive on 3 April 15 and 6 October 15 and 5 April 16.

In order to sustain this drive and spread awareness about cleanliness, hygiene and sanitation a 'Swachhta Abhiyan' has been planned in our campus under the aegis of the JMS Postman Club on Thursday, 6 October, 16.

Our esteemed Chairman, Dr. Anur Gupta would be the Chief Guest.

The programme would be from 11.30 am to 1 PM. Students interested to take part in this programme can give their names to their respective Class Coordinators and the Executive Committee members of the JMS Postman Club.

Only students supervised by the Faculty Advisor would take part in this drive.

On this day a wide variety of activities ranging from students washing the floors and cleaning the campus, identifying water conservation in sanitation, cleanliness, and to other eco-friendly projects to carry forward the message of Cleanliness in the Workplace and Home would be organized.

Further to the above, the Cleanliness Drive would be extended to the surrounding areas of our Campus such as the Car Market, Motorcycle Rally and so on.

We expect our Faculty members and students to wholeheartedly take part in this Swachhta Abhiyan and make it a rewarding success.

Necessary notices on the drive has already been put on the Notice Boards of all the Class rooms.

Best wishes

Prof. B. Manchanda

“SAY NO TO CRACKERS THIS DIWALI” CAMPAIGN

Diwali is a festival of enlightening divas, not the reason to harm the environment by bursting crackers. The JIMS Eco Club of Jagannath International Management School, Vasant Kunj, spread the message of “SAY NO TO CRACKERS” by organizing a Poster Competition on 21 October, 2016, as a community service event, where 30 students volunteers took part. The best 3 posters were awarded prizes and these posters were displayed at vantage locations in the College.

School and College students have long refrained from bursting crackers on Diwali, and this year is expected to be no different. Teachers, Students and the Administration of various Schools and Colleges are once again joining hands to ensure that this year the Festival of Lights is safe and peaceful for all citizens. Delhi saw the PM10 particle levels shoot up by five times after last year's Diwali celebrations. In fact, even SO2 levels were much higher, while in some areas the level of sound pollution also went up.

The pollution caused by fire-crackers not only affects the environment but also creates respiratory problems. The pollutants make it difficult to breathe and it is harmful for the asthmatic patients. Also harms animals' health. One should also keep in mind that the sound from the crackers annoys and affects the elderly people also.

Digital Financial Literacy Campaign

Under the Vittiya Saksharta Abhiyan (VISAKA) launched by the Ministry of Human Resource Development, On November 14, 2016, the Rotaract Club of JIMS Vasant Kunj organised a community service event named "Digital Financial Literacy Campaign." The 103 student volunteers of JIMS Vasant Kunj visited the Mandis and markets adjoining the campus and met the shopkeepers, hawkers and merchants to explain, train and then request them to adopt/accept digital payments from customers. Following work was carried out by the trained Volunteers in the Masoodpur and Mahipalpur areas of Vasant Kunj, New Delhi. The volunteers met and spent time with a cross section of shopkeepers and merchants.

1. The volunteers visited the markets and impressed on every shopkeeper/merchant to adopt/accept digital payment from customers.
2. This needed skills and ability of the volunteers to effectively communicate and remove misgivings about use of digital payments.
3. They also explained the safety and ease of use of these technologies/mobile apps such as Paytm, SBI Buddy, BHIM, etc.

This campaign was a big success. 98 merchants and shopkeepers of the above markets implemented the digital payments system. Two of our student volunteers, Mr. Gurmant Chhatwal and Ms. Ishika malhotra who had spearheaded this drive were awarded Commendation certificates in this regard by the Hon'ble Minister of HRD, Govt. of India.

COMPUTER LITERACY CLASSES

For most slum families, educating their children is the last thing on their minds. Every child up to the age of 14 is entitled to free schooling, but the government schools they attend are poorly resourced and have low teaching standards. English and computing skills are barely taught, and the option of higher education remains an expensive dream. As slum children grow up, parental pressure to leave school and start work increases, and the vast majority of young people leave school by the age of 16. Among slum residents, the most common belief about higher education - or even completing school is that it's a waste of time and money.

To counter the above premise, the CSR Cell of JIMS has been successfully running Computer Classes for the children of the EWS Category for the last 4 years. On 1st June, 2017, the Rotaract Club of JIMS Vasant Kunj in collaboration with the CSR Cell Organised yet another community service activity named Computer Literacy Classes wherein 43 of student volunteers worked hard to make it a success. In total 30 students from the EWS Category were convinced to join the computer classes.

It is felt that the acquisition of basic computing skills by any set of children can be achieved through incidental learning provided the learners are given access to a suitable computing facility, with entertaining and motivating content and some minimal (human) guidance.

With the above in view at the time of the summer vacation every year, (June / July) Computer classes are organized for 2.5 hours every day (Monday to Friday) for the children of EWS Category from the slums of Nangal Dewat, Rangpuri Pahari, Masoodpur and Mahipalpur. These children are given free computer education. A course on Microsoft Office is taught to at least 30 students
