Subject: Industry Visit for JIMS Vasant Kunj students

Dear Mr. Aadish,

Greetings from JIMS!

Jagannath International Management School (JIMS) established more than a decade ago for imparting quality education in Journalism and Mass Communication, IT & Management. The institution is affiliated to Guru Govind Singh Indraprastha University, Delhi.

We, at JIMS have consciously worked at bringing out the best in our student community so that it adapts into any professional organization.

As part of their course curriculum, we arrange Industry visit for our students to have practical knowledge about the Industries and their operations/management etc.

Visit to your plant has always been a great learning experience for our students in the past and I hope the new batch shall also get an opportunity for the same. Therefore, you are requested to allow our Management students to visit your factory to gather insight of functioning of a modern manufacturing organization

Kindly allow visit by our Management students to your esteemed organisation on **27th and 28th August 2019**.

Awaiting your confirmation

Best Regards

Jasmeet Kaur Bajaj

Industry Visit -Yakult Danone India Pvt.Ltd

Event category: Industry visit to 'YAKULT'

Date: August 28th, 2019

Time: 09:00 am

Venue: Yakult Danone India Pvt.Ltd Plot No. 402-405 & 410-413, Food Park, Rai Industrial Area, HSIIDC, Sonipat, Haryana 131029

Resource Person(s) with Designation and Organization:

Mr. Aadish, PR Manager

Beneficiaries with number:

1. Faculty, Department of Management Studies
2. BBA students I B (E)– 52

Faculty coordinator:

1. Mr. Pramod Pandey

Learning objective

- Insights regarding internal working of company,
- Going beyond academics and getting the practical perspective of the work place.

Report:

Jagannath International Management School organized an industrial visit to YAKULT DANONE (P). LTD, Rai Industrial Area, HSIIDC, Sonipat, Haryana 131029

As the bus reached the plant we were accompanied by the YAKULT DANONE representative from there we were headed to the seminar room where Mr. Aadish (PR Manager) gave a brief presentation about the company's history and its presence across the globe distribution channel. Also, explained how exactly the company has fixed objectives, further plans and introduced us with the new variants they have in the market for sale. They very well explained the strategies adopted to deliver the products with the help of women workforce visiting home to home for the orders which helped spreading awareness about the importance of Yakult and its sales. After the presentation we were distributed the Yakult drink and packet of biscuits.

It was no doubt a great learning experience at YAKULT. We all liked the interest and enthusiasm shown by our students for the visit. We look forward for more such visits in future for students.

Learning Outcomes:

- Students are exposed to real working environment and shown how things are done.
- They are totally educational in nature with rich learning experience.
- The gap between theoretical learning and practical exposure is bridged by industrial visits.

Industry Visit- Parle Biscuits Pvt. Ltd.

Event Category: Industrial Visit

Topic: Attaining knowledge about the production process

Date: August 29, 2019 and August 30, 2019

Time: 10am-1pm

Venue: Parle Biscuits Pvt. Ltd, Bahadurgarh

Resource Person(s) with Designation and Organization:

Ms. Hanisha Dalal,

Beneficiaries with number:

1. Faculty, Department of Management Studies - 1
2. BBA Students I A(M)- 50 and I B(M)-52(Total Students-102)

Faculty Coordinator:

1. Ms. Nisha Wadhawan
2. Dr. Manisha Gupta

Learning Objectives:

1. To make students well informed about the how production till quality check of the Biscuits and other products of Parle takes place.
2. The way this sector helps in building economy.

Report:

Registered in 2009, PARLE BISCUITS PRIVATE LIMITED has made a name for itself in the list of top suppliers of Cookies & Biscuits in India. The supplier company is located in Bahadurgarh, Haryana and is one of

the leading sellers of the listed products. Parle Biscuits Private Ltd. is listed in Trade India's list of verified sellers offering supreme quality of PARLE-G Biscuits, Pineapple Kream Biscuits, Mango Kream Biscuits etc.

The students of Jagannath International Management School had an encouraging visit to Parle Biscuits Pvt. Ltd. baking unit at Bahadurgarh. The Students were very excited on the bus ride from the college to the factory. On reaching the premises the students were received by Ms Hanisha Dalal. The students were taken to the baking and packaging lines where students saw the whole process of biscuit making. After this, the students were taken to the auditorium where a short animated movie was shown. They got to know about background, other units and process of Parle Biscuits. The official there also discussed the CSR activities of Hero Motors. The students were excited to see packaging section. Then a questionnaire session was conducted wherein the students also satisfied their queries. Overall, it was an informative, knowledgeable and memorable trip for the students.

Student visiting Parle Biscuits Pvt Ltd

Learning Outcome:

- They have an idea about the various Products of Parle Biscuits.
- Students well interacted to clear their queries on the production and quality check process.
- They also understood the CSR activities carried out by the companies.

Industry Visit to "Mother Dairy"

Event category: Industrial Visit

Date: October 16th, 2019

Time: 9:00 am- 3:00p.m.

Venue: Mother Dairy, Patparganj, Delhi-110092

Resource person with designation and organization: Ms.Neha.

Beneficiaries with number:

1. Faculty, department of management studies -02
2. BBA students III A(M)-56 and V B(M)-36 (Total Students-92)

Faculty coordinator:

1. Dr. Nidhi Gupta, Head, Department of Management Studies
2. Dr Shruti Bhuttani, and Ms.Swati Mathur

Learning objective:

1. To make the students well aware about the production cycle and process of Mother Dairy.

Report:

The BBA department of JIMS VasantKunj organized an Industrial Visit to Mother dairy for the BBA students on 16th October, 2019. Mother Dairy is an Indian company that manufactures markets and sells milk, milk products and other edible products. Mother Dairy milk has a market share of 66% in the branded sector in Delhi where it sells 2.5 million liters of milk daily and undertakes its marketing operations through around 1400 retail outlets and over 1000 exclusive outlets of Mother Dairy. The objective was to provide students an insight

regarding internal working of Mother Dairy and opportunity to learn practically through interaction regarding the Milk Collection, Transportation, Testing, Processing and Manufacturing of other dairy products.

To make students aware and have better understanding of processes technical instructor started with the description of Procurement of milk where he explained how the milk is being collected through insulated road/rail tankers at very low temperature thus retaining the freshness of the milk. The milk Collecting containers are called Silos. After the collection of milk in the plant the milk is subjected to **23 stringent quality test (few of the tests were demonstrated as well) these include organoleptic, physiochemical and microbiological tests.** The next steps include the **Processing of the milk** where different devices used for processing were shown to the students. The important processes included clarification where the instructor explained the working of clarifier which is used to remove the dust particles that are visible to the naked eye. After Clarification, the milk is subjected to **Standardization** which is done to make the uniform composition of the milk so as to deliver the milk to the consumer's as per the prescribed norms of FSSAI. **Homogenization** of the milk is carried out after Standardization with the help of Homogenizer, where milk is processed at a very high pressure during which the large fat globules present in milk are broken down into tiny droplets. Homogenization improves palatability of milk and is easily digestible. The next step of processing of milk is pasteurization where milk is pasteurized which involves heating of milk at 72 degree Celsius. This process kills all the pathogenic bacteria in the milk.

The final stage is the **Distribution of the milk**; this is done after processing of the milk where milk is dispatched in hygienic & Sterilized milk tankers packed in food grade materials and transported under cold chain to our nearest milk shops.

Finally the students ended their visit by having a look and understanding the functioning of the processing units which the instructor had discussed with the students through video while he was describing the whole functioning of the plant. **Exposure to Solar Panel & Nano Water tank** was very exciting & fruitful for students. The tour came to an end with the distribution of milkshakes and ice-cream to all the students and faculties.

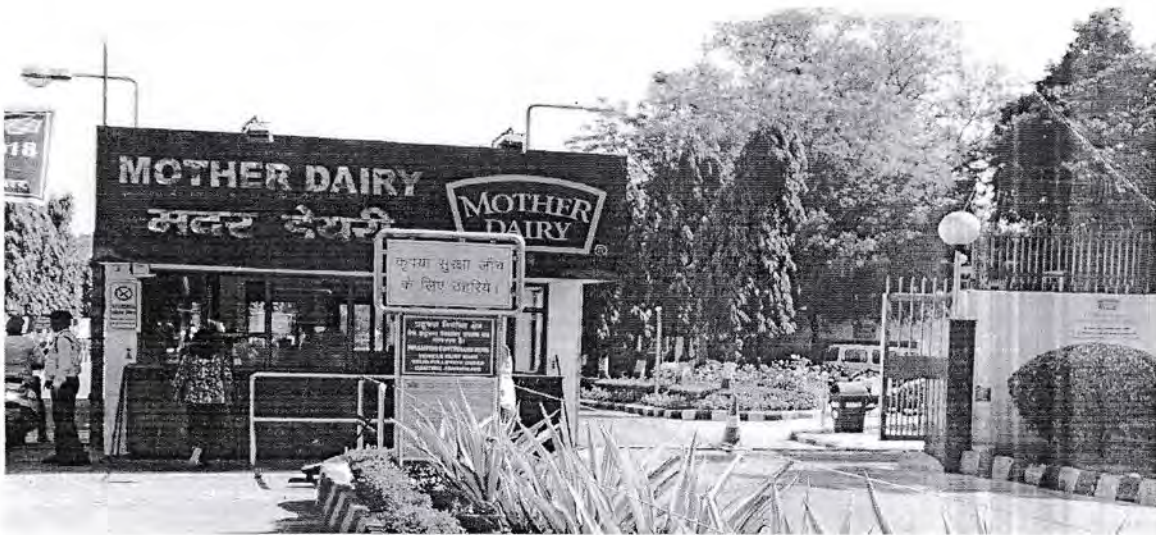

The visit was very useful for the students as they could now relate their theoretical knowledge with the practical exposure which they have gained after visiting this plant. It was a good learning experience for the students

Learning outcomes:

1. Students were able to have an insight of the internal working of Mother Dairy.
2. Students were able to learn how the collection, transportation, testing, processing and manufacturing of dairy products takes place.

3. Students were able to understand the challenges being faced by the milk industry while storing and distribution of milk.

Industry Visit to "Mother Dairy"

Event Category: Industrial Visit to Mother Dairy

Topic: Mother Dairy Factory

Date: October 17th, 2019

Time: 10am-1pm

Venue: Mother Dairy, Patparganj, Delhi-110092

Resource Person(s) with Designation and Organization: Ms. Neha

Beneficiaries with number:

1. Faculty, Department of Management Studies - 2
2. BBA Students III B (M)- 19 and III A (E)- 30(Total Students-49)

Faculty Coordinator:

1. Dr. Nidhi Gupta, Head, Department of Management Studies
2. Mr. Vipul Singh, and Mr. Gaurav Bhardwaj

Learning Objectives:

1. To make the students well aware about the production cycle and process of Mother Dairy.

Report:

The BBA department of JIMS Vasant Kunj organized an Industrial Visit to Mother dairy for the BBA students on 17th October, 2019. Mother Dairy was commissioned in 1974 and is a wholly owned subsidiary of the National Dairy Development Board (NDDB). It was an initiative under Operation Flood, the world's biggest dairy development program launched to make India a milk sufficient nation. Over the years, Mother Dairy has contributed significantly in achieving this objective through a series of innovations and programs. Today, Mother Dairy manufactures markets & sells milk and milk products including cultured products, ice creams, paneer and ghee under the Mother Dairy brand. The Company also has a diversified portfolio with products in edible oils, fruits & vegetables, frozen vegetables, pulses, processed food like fruit juices, jams, etc. to meet the daily requirements of every household.

Mother Dairy is an ISO 9001:2008 (QMS), ISO 22000:2005 (FSMS) and ISO 14001:2004 (EMS) certified organization. Quality of milk is of paramount importance for the company and hence it has invested extensively in installing hi tech automated machines to ensure high product quality/reliability and safety.

Ms. Neha welcomed us into the Mother dairy plant. She gave an introduction on the history of the plant and the various processes used in the plant for processing of milk. She gave the guided tour of the plant. She also instructed the precautions to be taken by the students during the plant tour. During the visit, the students witnessed the whole process of purifying and processing if milk and related products and the inspection to the final dispatch.

It was a remarkable experience where the students got a chance to see high-tech robotic technology and automation in different stages of processing. The visit was an informative experience satisfying the curiosity of students, where they could relate the theoretical knowledge of the subjects to the practical application in industry.

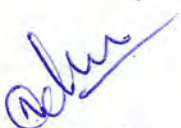

Group Picture at Mother Dairy

Learning Outcome:

- To make students get the practical exposure of the working of a factory in real time and get insight into the actual managerial practices used in a real life environment.
- The way this sector helps in building economy.

1. Ms. Divya Gupta

Learning Objectives:

1. To make the students well aware about the production cycle and processes of Coca Cola Beverages.

Report:

The BBA department of JIMS VasantKunj organized an Industrial Visit to Hindustan Coca Cola Beverages PvtLtdfor the BBA students on 22nd October, 2019.Coca-Cola India, is one of the country's leading beverage companies, offering a range of healthy, safe, high quality, refreshing beverage options to consumers. Ever since its re-entry in 1993, the Company has gone on to establish an unmatched portfolio of beverages, refreshing consumers with its leading beverage brands like Coca-Cola, Coca-Cola Zero, Diet Coke, Thums Up, Fanta, Fanta Green Mango, Limca, Sprite, Sprite Zero, VIO Flavored Milk, Maaza, Minute Maid range of juices, Georgia and Georgia Gold range of hot and cold tea and coffee options, Kinley and Bonaqua packaged drinking water, Kinley Club Soda and BURN energy drink. The Company

along with its bottling partners, through a strong network of over 2.6 million retail outlets, touches the lives of millions of consumers. Its brands are some of the most preferred and most sold beverages in the country.

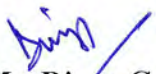

The company showed the plant where beverages are manufactured. They also demonstrated various stages involved in production, packaging of soft drinks. It was surely an enriching experience to witness the working of the Coca Cola plant and gain some practical knowledge. The technical instructor started with showing a digital presentation and then took the students to a tour of the factory to show its working. She also answered many technical questions asked by the students. The tour came to an end with the distribution of snacks and coca cola soft drinks.

Group Picture at Hindustan Coca Cola Beverages Pvt Ltd

Learning Outcome:

- Students got an insight into the internal working of Hindustan Coca Cola Beverages Pvt. Ltd.
- Students learnt about the stages of production of the various beverages produced at the plant.

Dear Mr. Ray,

It was a pleasure meeting you yesterday!

Thanks for taking out time from your busy schedule and also showing me your plant. The Green Technology you are using is impressive, your factory is a shining example of what other companies must still strive to achieve.

As discussed, you are requested to kindly arrange the visit of our Management students on **01st November 2019**, to your plant to gather insight of functioning of a modern manufacturing organization.

We await your kind confirmation.

Dear Sir,

Greetings for the day!

Jagannath International Management School (JIMS) established more than a decade ago for imparting quality education in Journalism and Mass Communication, IT & Management. The institution is affiliated to Guru Govind Singh Indraprastha University, Delhi.

We, at JIMS have consciously worked at bringing out the best in our student community so that it adapts into any professional organization.

As part of their course curriculum, we arrange Industry visit for our students to have practical knowledge about the Industries and their operations/management etc.

Visit to your plant has always been a great learning experience for our students in the past and I hope the new batch shall also get an opportunity for the same. Therefore, you are requested to allow our Management students to visit your factory to gather insight of functioning of a modern manufacturing organization

Kindly allow visit by our Management students to your esteemed organisation on **any two days in the last week of August 2019** (except Saturday/Sunday).

Awaiting your confirmation

Industrial Visit to BISLERI Plant

Event Category: Industrial Visit to Bisleri Plant

Venue: Bisleri Plant, Ghaziabad

Date: 05th November, 2019

Time: 11:00 am

Number of Beneficiaries:

1. Faculty, Department of Management Studies – 1
2. BBA V B (E)- 30 Students

Faculty Coordinator:

1. Ms. Sakshi Chhabra
2. Mr. Saurabh Kumar (Academic Assistant)

Learning Objectives:

1. It bridges the gap between classroom theoretical training and practical learning in a real-life environment.
2. It broadens the outlook of students with exposure to different workforces from different industries.

Report:

The main objective of industrial visit was to give first hand industrial exposure to BBA students as to how a brand like Bisleri carries out its manufacturing activities. This industrial visit was directed towards understanding about Bisleri's manufacturing capabilities and infrastructural competencies. Students with Professor Sakshi Chhabra visited the plant. A brand that pioneered the concept of mineral water, bottled with its distinct green label, Bisleri, today, is a household name. Powered by 18 owned plants, 33 co-packers, 13 franchisees and a wide distribution and retail network pan India, Bisleri is at the centre of the Aqua Green Revolution. Its headquarters are at Mumbai, India. The manufacturing plant consisted of 3 units- Filtration of water, manufacturing of bottles and

Filling and packaging of the same. It was indeed a learning experience and helped students to get insight of water and beverages industry. It was started by "Signor Felice Bisleri" an Italian entrepreneur in the year 1965. It is the first company to start packaged drinking water in India and in 1967 it set up a plant in Mumbai. Parle bought over Bisleri in 1969.

Overall, the activity was highly interactive and it was a learning visit for the students on the concepts related to production and operations within a manufacturing plant.

Learning Outcomes:

1. The students get to see the best practices opted by different companies for similar work.
2. This also gives students a platform to enhance their interpersonal skills.

Visit to "Parle Product Pvt. Ltd"

Event category: Industrial Visit

Topic: Industrial Visit at Parle Product Pvt. Ltd.

Date: January 29, 2020

Time: 11:30AM -1PM

Venue: Parle Product Pvt. Ltd., Delhi-Rohtak Corridor, Suryanagar, Bahadurgarh, NH-10, (Near Saankhol), Haryana 124507

Resource person(s) with Designation and Organization: Ms. Hanisha Dalal, PR Department (Assistant-HR)

Beneficiaries with number:

1. Faculty and Academic Assistant, Department of Management Studies - 2
2. BBA Students II A (Evening), JIMS, Vasant Kunj - 41

Faculty Coordinator:

1. Ms. Prabhjot Kaur
2. Ms. Rinki (Academic Assistant)

Learning Objectives:

1. To help students gain first-hand information regarding various processes of the organization.
2. To co-relate abstract knowledge with practical exposure by the organization

Report:

Students of BBA 2nd-A (evening) got the opportunity to visit the Parle Product Plant. As the bus reached the plant, we were accompanied by the representative of "PARLE Biscuits Pvt. Ltd" to the Video room where they played a video about the precautions to be taken while on the round

in the premises of the company. She explained the whole manufacturing and bottling process from initial stage to the final stage i.e. till the transporting of the product. During the rounds, we were taken to the factory tour where we saw various stages like mixing of raw material, blending tank, shaping machine, sealing machine, packaging machine and storage room. Students were amazed at the speed at which the process occurred and how the automation systems could be set according to requirements, as minimum of human efforts was required. Thus, the visit was very informative, knowledgeable, educational and enriching. Every one of us enjoyed the visit as we learned a lot of new things which will certainly help us in future.

Learning Outcomes:

1. Students gain insight about PARLE Products' manufacturing process.
2. They well-interacted to clear their queries about the various processes.

1. Ms. Nisha Wadhawan

Learning Objectives:

1. To help the students acquire necessary knowledge about industry, its working and advertising strategies.
2. To help the students understand the importance of practical knowledge of corporate during campus life.

Report:

Our visit to Yakult India Pvt. Ltd. Sonapat was scheduled on 31st January, 2020. The whole experience was quite good. We were received by Mr. Aadish(PR) at Yakult. Mr. Aadish gave a presentation on the Yakult product and its nutrients. He discussed its benefits with us. He also

told the students about different countries where Yakult is being sold. Further, he told the students about home delivery of Yakult where female salespersons are being hired to deliver the products at doorstep. These delivery personnel are also making homemakers aware about probiotic products. There was an interactive question and answer session. After the presentation students were taken on tour to manufacturing plant. Moreover, the students enjoyed a lot. It was very knowledgeable and stimulating visit.

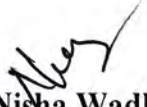

Learning Outcome:

1. Better understanding of importance of industrial knowledge and skill development during campus life.
2. Live interaction with the corporate personnel helped the students to know corporate life better.

Industrial Visit to – Bata India Pvt. Ltd

Event Category: Industrial Visit

Topic: Industrial Visit at Bata India Pvt Ltd

Date: 03rd February, 2020

Time: 10am- 1.30pm

Venue: MB Rubbers Private Limited, D-13,14,15 Site number 4, Industrial Area, Sahibabad, Uttar Pradesh - 201010

Resource Person(s) with Designation and Organization: Mr. Dev Chaudhary

Beneficiaries with number:

1. Faculty, Department of Management Studies - 1
2. BBA Students VI A(M)- 36, VI B(M)-42 and VI A(E)-37 (Total Students-115)

Faculty Coordinator:

1. Mr. Gaurav Bhardwaj
2. Dr Himani Gupta
3. Dr. Shruti Bhuttani

Learning Objectives:

1. To make the students well aware about the production cycle and process of footwear of Bata.

Report:

The BBA department of JIMS Vasant Kunj organized an Industrial Visit to Bata Pvt Ltd for the BBA students on February 3, 2020. Bata India is the largest retailer and leading manufacturer of footwear in India and is a part of the Bata Shoe Organization. Incorporated as Bata Shoe Company Private Limited in 1931, the company was set up initially as a small operation in Konnagar (near Calcutta) in 1932. In January 1934, the foundation stone for the first building of Bata's operation - now called the Bata. The Company went public in 1973 when it changed its name to Bata India Limited. Today, Bata India has established itself as India's largest footwear retailer. Its retail network is of over 1375 stores.

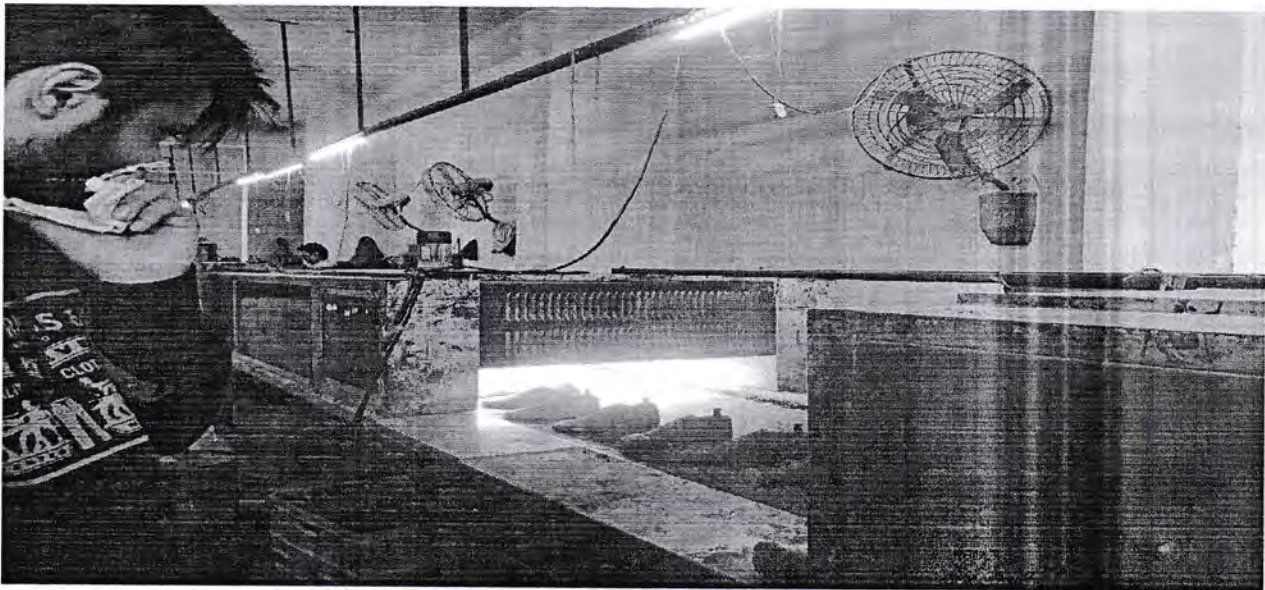

According to the observations made by students, it was great to have experienced such a close working of the company's activities. The students were divided in groups and hence leaded by instructors for each. It was learnt that the company generates great employment opportunities for the working labor in and around that area

gender ratio seemed to be equal. Approximately, it takes 45 employees for each line. Their salaries range between rupees 8,000 – 20,000. With more of manual work, the company is not equipped with high-end machines. Furthermore, the monthly production there reaches to 4,00,000 (approximately) with footwear being 90% of the same. It uses roadways transportation for the delivery in various areas (defense sector, stores, etc). In North India, it has approximately 170 agents. However, it lacked health safety measures in an atmosphere of high chemicals. Hence, after the observations so made, the tour came to end with discussions and snacks provided by the industry.

Learning Outcome:

- Students learnt about internal working process of footwear manufacturing by Bata.

Industry Visit-PARLE Biscuits Pvt. Ltd.

Event category: Industrial Visit

Topic: Industrial Visit to attaining knowledge about the manufacturing and packaging process

Date: 4th February, 2020

Time: 11:30am-1pm

Venue: Parle Product Pvt. Ltd., Delhi-Rohtak Corridor, Suryanagar, Bahadurgarh, NH-10, (Near Saankhol), Haryana 124507

Resource person(s) with Designation and Organization: Ms. Hanisha Dalal, PR Department (Assistant-HR)

Beneficiaries with number:

1. Faculty and Academic Assistant, Department of Management Studies - 02
2. BBA Students II B (E), JIMS, Vasant Kunj – 27

Faculty Coordinator:

1. Mr. Pramod Pandey
2. Mr. Sourav (Academic Assistant)

Learning Objectives:

1. To help students gain first-hand information regarding various processes of the organization.
2. To co-relate abstract knowledge with practical exposure by the organization

Report:

Students of BBA II-B (evening) got the opportunity to visit the Parle Product Plant. As the bus reached the plant, we were accompanied by the representative of "PARLE Biscuits Pvt. Ltd" to the Video room where they played a video about the precautions to be taken while on the round in the premises of the company. She explained the whole manufacturing and bottling process from initial stage to the final stage i.e. till the distribution of the product. During the rounds, we were taken to the factory tour where we saw various stages like mixing of raw material, blending tank, shaping machine, sealing machine, packaging machine and storage room. Students were

amazed at the speed at which the process occurred and how the automation systems could be set according to requirements, as minimum of human efforts was required. Thus, the visit was very informative, knowledgeable, educational and enriching. Every one of us enjoyed the visit as we learned a lot of new things which will certainly help us in future.

Learning Outcomes:

1. Students gain insight about PARLE Products' manufacturing process.
2. They well-interacted to clear their queries about the various processes.

Subject: Plant Visit for students of JIMS, Vasant Kunj

Dear Ms. Saumya,

Greetings!

Jagannath International Management School (JIMS) established more than a decade ago for imparting quality education in Journalism and Mass Communication, IT & Management. The institution is affiliated to Guru Govind Singh Indraprastha University, Delhi.

We, at JIMS have consciously worked at bringing out the best in our student community so that it adapts into any professional organization.

As part of their course curriculum, we arrange Industry visit for our students to have practical knowledge about the Industries and their operations/management etc.

We are starting with our new session in the first week of January 2020. Visit to your plant has always been a great learning experience for our students in the past and I hope the new batch shall also get an opportunity for the same.

Therefore, you are requested to allow our Management students to visit your factory to gather insight of functioning of a modern manufacturing organization on any two convenient days in the last week of January or first week of February 2020.

Awaiting your kind confirmation

Best Regards

Jasmeet Kaur Bajaj

Industry Visit -Yakult Danone India Pvt. Ltd

Event category: Industrial Visit

Topic: Industrial Visit to Yakult Danone India Pvt. Ltd

Date: 11th February, 2020

Time: 8:30 am

Venue: Yakult Danone India Pvt. Ltd, HSIIDC, Plot No. 402, Food Park, Rai Industrial Area, Sonapat, Haryana

Resource person with designation and organization: Mr. Aadish, PR Manager

Beneficiaries with number:

1. Faculty, Department of Management Studies -01
2. BBA Students II B (M)– 45

Faculty coordinator:

1. Dr. Manisha Gupta

Learning objective:

1. To understand the manufacturing process of Yakult probiotic drink.
2. To understand the management functions with reference to the marketing of probiotic drink

Report:

The students were welcomed by, Mr. Aadish, PR Manager. Thereafter they were given a brief presentation on the establishment of Yakult and its marketing strategies. They were informed that Yakult Danone India is a joint venture between Japanese & French industry. The capacity of the plant is 10 lakhs bottles (units) per day.

The visit was divided into two phases, An introductory presentation & Factory Tour. Yakult is a probiotic drink which contains more than 6.5 billion beneficial bacteria Lactobacillus casei strain shirota. It was in 1930 that Dr. Minoru Shirota, a Japanese scientist discovered a special strain of bacteria that was beneficial to human health. This Friendly Bacteria helps in improving digestion, build immunity and prevent infections.

The two main marketing strategies here are:

- Retails Shops.
- Home delivery by Yakult Ladies.

Yakult ladies are also responsible for spreading awareness about Yakult probiotics drink among people.

During the tour students were taken for the visit inside the Processing Unit where different stages of processing namely mixing of raw ingredients, sterilization, fermentation, blending, injection moulding, scrambling, filling/sealing, shrinking and packaging, storage and their automatic control process were demonstrated. The product is produced very hygienically. At no point does anyone touch it and the entire process is fully automated with only 30 workers working on it.

The visit was a fruitful experience for the students as they learned the processing stages and the latest technology in producing processed products. It also provided them an opportunity to familiarize themselves with the industry environment.

Learning Outcome:

1. Student got to know different stages of processing namely mixing of raw ingredients, sterilization, fermentation, blending, injection moulding, scrambling, filling/sealing, shrinking and packaging, storage and their automatic control process were demonstrated.

Industry Visit to "Lumax Industries Ltd"

Event category: Industrial Visit

Topic: Industrial Visit to Lumax Industries Ltd

Date: 13th February, 2020

Time: 9:00 am

Venue: Lumax Industries Ltd, Plot No 164-165, Sector 05, IMT Manesar, Gurugram, Haryana.

Resource person with designation and organization: Mr. Vijendra, HR Head.

Beneficiaries with number:

1. Faculty, Department of Management Studies -01
2. BBA Students IV A (M), JIMS, Vasant Kunj - 45

Faculty coordinator:

1. Ms. Swati Mathur

Learning objective:

1. To make the students well aware about the production cycle and process of Lumax Industries.

Report:

The BBA department of JIMS Vasant Kunj organized an Industrial Visit to Lumax Industries Ltd for the BBA students on 13th February 2020. Lumax Industries Ltd is known as the most experienced automotive lighting solutions Company in South Asia, making it half a century old in the industry. Lumax signifies LUMINOSITY MAXIMA for today's demanding automobile users. They have come a long way since its starting as a trading company in the year 1945, under the guidance of its founder Late Sh S.C. Jain. Today the company holds about 60% of the market shares in Indian Automobile Lighting Business.

The company has nine ultra- modern manufacturing plants in India. Out of these nine, three are situated in the cities of Gurgaon, Dharuhera and Bawal in Haryana, two in Pune, two in Uttarakhand at Pantnagar and Haridwar and one in Gujarat at Sanand. These plants have been established to lay out to match the world's best plant engineering standards. And they are effectively producing automotive lighting products in large quantities to our customer's expected standards. The main focus is on customer satisfaction and market leadership, which is why they are committed to achieve excellence in quality of our products and services. They have the most modern Manufacturing and testing facilities in India. The products that Lumax manufactures are head lamps, tail lamps, sundry lamps and auxiliary lamps for both two wheelers and four wheelers. They have a large number of clients that they cater to which include domestic as well as international clients. The management strongly believes in supporting girl child and are committed to portray their efforts to make this concept the first of its kind in the area of CSR within their Group. The unique idea that they have inculcated is that whenever a girl child is born in the Lumax family, a plant sapling shall be planted in her name by the respective parent of the child together with the plant head of that facility. The sapling will have a plate bearing the name of the child, the parents name and the date of birth. The company will also contribute a token amount towards the girl child in her name into the bank account as a gesture. The objective was to provide students an insight regarding internal working of Lumax Industries Ltd.

They gave a presentation on their industry and cleared the doubts of the students which they were having regarding the working of the industry and the challenges faced by the industry. After that, a 15 minute break was given in which the students and faculty members were allowed to go to the washrooms. Tea and snacks were also served for everyone. After that, they took us to their

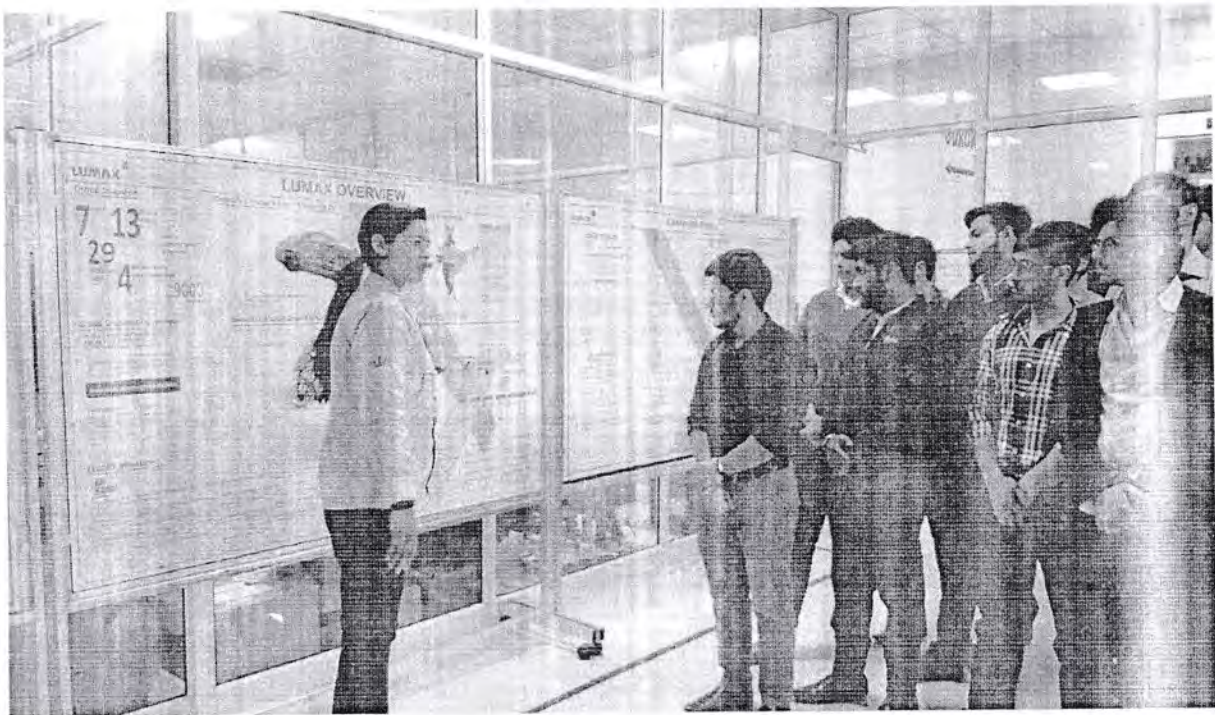

workplace where all the instruments were kept. Moreover, full explanations about the rules and regulations were given.

The visit was very useful for the students as they could now relate their theoretical knowledge with the practical exposure which they have gained after visiting this plant. It was a good learning experience for the students

Learning outcomes:

1. Students were able to have an insight of the internal working of Lumax Industry.
2. Students were able to learn how the collection, transportation, testing, processing and manufacturing of auto parts takes place.
3. Students were able to understand the challenges being faced by the auto parts while storing and distribution.

Industry Visit-Lumax Industries Ltd

Event category: Industrial Visit

Topic: Industrial Visit to Lumax Industries Ltd

Date: 25th February, 2020

Time: 9:00 am

Venue: Lumax Industries Ltd, Plot No 164-165, Sector 05, IMT Manesar, Gurugram, Haryana.

Resource person with designation and organization:

Mr. Jai Kishan Taneja, Plant Head.

Beneficiaries with number:

1. Faculty, Department of Management Studies -01
2. BBA Students IV B (M), JIMS, Vasant Kunj – 38

Faculty coordinator:

1. Ms. Divya Gupta

Learning objective:

1. To make the students learned about the production processes of Lumax Industries.
2. To understand the practical implacability of the theoretical aspects.

Report:

The BBA department of JIMS Vasant Kunj organized an Industrial Visit to Lumax Industries Ltd for the BBA students on 25th February 2020. Lumax Industries Ltd is known as the most experienced automotive lighting solutions Company in South Asia, making it half a century old in the industry. Lumax signifies LUMINOSITY MAXIMA for today's demanding automobile users. They have come a long way since its starting as a trading company in the year 1945, under the guidance of its founder Late Sh S.C. Jain. Today the company holds about 60% of the market shares in Indian Automobile Lighting Business. The company has nine ultra- modern manufacturing plants in India. Out of these nine, three are situated in the cities of Gurgaon, Dharuhera and Bawal in Haryana, two in Pune, two in Uttarakhand at Pantnagar and Haridwar and one in Gujarat at Sanand. These plants have been established to lay out to match the world's best plant engineering standards. And they are effectively producing automotive lighting products in large quantities to our customer's expected standards. The main focus is on customer satisfaction and market leadership, which is why they are committed to achieve excellence in quality of our products and services. They have the most modern Manufacturing and testing facilities in India. The products that Lumax manufactures are head lamps, tail lamps, sundry lamps and auxiliary lamps for both two wheelers and four wheelers. They have a large number of clients that they cater to which include domestic as well as international clients. The management strongly believes in supporting girl child and are committed to portray their efforts to make this concept the first of its kind in the area of CSR within their Group. The unique idea that they have inculcated is that whenever a girl child is born in the Lumax family, a plant sapling shall be planted in her name by the respective parent of the child together with the plant head of that facility. The sapling will have a plate bearing the name of the child, the parents name and the date of birth. The company will also contribute a token amount towards the girl child in her name into the bank account as a gesture. The objective was to provide students an insight regarding internal working of Lumax Industries Ltd.

They gave a presentation on their industry and cleared the doubts of the students which they were having regarding the working of the industry and the challenges faced by the industry. After that, a 15 minute break was given in which the students and faculty members were allowed to go to the washrooms. Tea and snacks were also served for everyone. After that, they took us to

their workplace where all the instruments were kept. Moreover, full explanations about the rules and regulations were given.

The visit was very useful for the students as they could now relate their theoretical knowledge with the practical exposure which they have gained after visiting this plant. It was a good learning experience for the students

Learning outcomes:

1. Students were able to understand how the defects are checked by a manufacturing unit at the DOJO centre of the company.
2. Students were able to learn how the processes of processing and manufacturing of auto parts takes place.

Glimpse of Industry visit:

National Stock Exchange

Sansad Marg,

New Delhi-110001

Dear Mr. G.C Sharma,

Greetings from JIMS !

This is with reference to our communication regarding visit of our students to your esteemed organisation.

By way of an update, Jagannath International Management School (JIMS) at Vasant Kunj, New Delhi, was established in 2003. Ever since, the Institute has focused on developing an identity of its own on the strength of academic performance of students, faculty research, collaboration with national and inter-national agencies and participation in Community - oriented sustainable development activities.

Accredited by NAAC with 'A' Grade and approved by the UGC under Section 2(f), the Institute has been conducting Three Years Degree programmes in Journalism, Information Technology and Management Studies, all affiliated to GGS Indraprastha University, New Delhi.

The Institute has the distinction of being the only College with the maximum number of Gold medals awarded to its BA(JMC) students in the University. The institute is also a Participant Member of United Nations Global Compact (UNGC) and United Nations Principles for Responsible Management Education (UN PRME), New York, USA. Besides, the Institute is a Member of the Innovation Cell, Ministry of Human Resource Development, Government of India, and the Unnat Bharat Abhiyan, Ministry of Human Resource Development, Government of India.

The Institute has the privilege of collaborating with the Department of Science & Technology, Government of India for executing the Radio Mathematics Project for improving Mathematics literacy in the neighbourhood community.

Besides, the Institute has the distinction of undertaking Research Consultancy/Projects for Department of Science & Technology (DST), National Human Rights Commission (NHRC), Indian Council of Social Science Research (ICSSR) and Child Fund India. As a part of its Community orientation, the Institute has a Community Radio Station, an Eco Club, NSS Unit and Rotaract Club.

As part of the course curriculum, we arrange visits for our Management students to have practical knowledge about the organizations and Industries and learn about their operations.

We would be happy in case our students could be provided an opportunity to visit NSE in two separate groups of 40 students each in February, 20 (except Saturday, Sunday and holidays).

The visits can be organized on a date and time suitable to you as per the organizational convenience.

Awaiting your kind confirmation.

Best Regards

Jasmeet Kaur Bajaj

Industrial Visit to – NSE, Parliament Street

Event Category: Industrial Visit

Topic: Industrial Visit to National Stock Exchange

Date: 25th February, 2020

Time: 9:00 am

Venue: Jeevan Vihar Building, Parliament Street, New Delhi

Resource Person(s) with Designation and Organization: Mr. Karan Kapoor, Assistant Manager -Finance

Beneficiaries with number:

1. Faculty, Department of Management Studies - 1
2. BBA Students VI B (E)- 23

Faculty Coordinator:

1. Mr. Vipul Singh

Learning Objectives:

1. To make students well informed about the stock market and financial products
2. To make the students learn about how the trading is done through Demat account and courses offered by NSE

Report:

The Corporate Affairs Cell of the Management department of JIMS Vasant Kunj organized an Industrial Visit to NSE, Parliament Street for the BBA students on 25th February, 2020. The session was taken by Mr. Karan Kapoor, Assistant Manager-Finance. He made a presentation about the stock market, the historical developments of stock trading. He also gave inputs about various financial products and how to inculcate financial prudence. The students were given information about NCFM modules and how they can enroll in these courses. They were also told about the Summer Attachment program which was an internship program for the IV Semester students. There was a Q and A session in which the doubts of students were clarified. The students really enjoyed the session as they had a great learning experience.

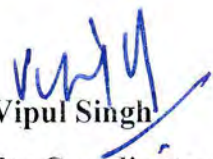

Learning Outcome:

- To provide students an insight about the stock market operation
2. To learn through interaction and discussion the various financial instruments and to motivate students to inculcate financial prudence.

d. For Greater Noida Campus, The training shall be conducted in two batches as per the following details:

CONFIDENTIAL Page 1 of 3

- French, Batch 1 – The training shall be completed in 24 sessions of 2 hours each (total 48 hours), with sessions being conducted twice a week on **Thursdays and Fridays**, except in case of unavoidable reasons such as holidays etc. in which case the session shall be re-scheduled with mutual agreement of the Client and ILI. The training sessions shall be from 14:30:00 Hrs. to 16:30 Hrs. The training shall commence on 3rd October 2019. There shall be 43 students in Batch 1.
 - German, Batch 1 – The training shall be completed in 24 sessions of 2 hours each (total 48 hours), with sessions being conducted twice a week on **Thursdays and Fridays**, except in case of unavoidable reasons such as holidays etc. in which case the session shall be re-scheduled with mutual agreement of the Client and ILI. The training sessions shall be from 14:30:00 Hrs. to 16:30 Hrs. The training shall commence on 3rd October 2019. There shall be 42 students in Batch 1.
 - The trainee list shall be provided by the Client to ILI before commencement of the Training and shall remain unchanged except under unavoidable circumstances such as medical reasons etc., in which case ILI shall be intimated about any such change. The trainees shall also be required to sign a class roster before the start of each session to maintain attendance.
 - ILI shall charge the Client on 'per student' basis. The minimum number of students enrolled for the language training is 230. Charges payable per student is Rs. 2000/- (Rupees Two thousand only) for a 48 hours course. The number of students shall be counted as per the list given by client at the beginning of the training, and not as per the number of trainees left at the end of the training. Taxes (GST applicable @ 18%) shall be applicable on the above mentioned amount. Accordingly, total amount payable shall be:
 $230 \text{ (students)} \times 2000\text{-} / \text{(Charges per student)} + 18\% \text{ GST} = \text{INR } 5,42,800\text{-} / \text{(Rupees Five Lakhs Forty Two Thousand Eight hundred only)}$
 - In case client wishes to add more trainees to the existing batches, the same can be done maximum till the completion of 2nd class. The charges mentioned in point 'f' shall change accordingly.
 - The payment shall be made by the Client in the form of Bank Transfer / Local Cheque / DD in favor of "INTERNATIONAL LINGUA INSTITUTE".
 - The Client shall make the payment as per the following cycle -
 - (i) 10% advance payment (Before the commencement of course)
 - (ii) 50% after the completion of 24 hours of training.
 - (iii) 40% after the completion of the training and award of Certificates
- The client shall process the payment within 21 days from the date of invoice.
- The Client shall not, during the course of the Training and within 18 months after its completion, hire / contract the Trainer(s) provided by ILI without the written consent of ILI.

Course material provided by ILI as part of the Training shall remain property of ILI. The Client shall not copy / distribute it amongst others (except those attending the training) without consent of ILI.

ILI agrees to the following:

- a. The trainer(s) will reach the training venue 15 minutes prior to the scheduled start time of a training session and shall remain at the training venue for 15 minutes after completion of the session for clearing / answering doubts, if any.
- b. ILI shall provide all the necessary course material as part of the Training. No extra cost shall be charged from the Client for these.
- c. ILI shall conduct a final assessment on the last day of the training and shall provide certification to the trainees who have successfully cleared the Training.

AGREED AND ACCEPTED:

TITLE: DIRECTOR

For JAGANNATH INTERNATIONAL MANAGEMENT SCHOOL

DATE: 19th September 2019

NAME: DR. SATISH SETH

TITLE: DIRECTOR GENERAL

Please return a copy of the signed agreement, by mail / fax / courier, to International Lingua Institute, NOIDA.

MEMORANDUM OF UNDERSTANDINGBETWEEN"INSTITUTE OF BULLS & BEAR MANAGEMENT"AND"JAGANNATH INTERNATIONAL MANAGEMENT SCHOOL, VASANT KUNJ"

This agreement made and entered into at NOIDA on 28th day of January 2020 between **Institute of Bulls & Bear Management (IBBM & MMIFM) MMIFM**, an institute running under the aegis of Moneymakers India Securities through its authorize signatory Mr. Ravi Shankar Sankaran, having its Corporate Office at UGF-04, Ocean Plaza, Sector 18, Noida, UP 201301 (herein after referred to as "IBBM & MMIFM", which expression shall, unless repugnant to the context or meaning thereof, include its successor and assigns) of the ONE PART

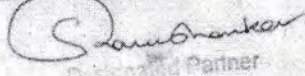

And

JAGANNATH INTERNATIONAL MANAGEMENT SCHOOL, VASANT KUNJ is an Institution with all modern facilities functioning at Vasant Kunj, Pocket 9, Sector B, OCF, New Delhi, (INDIA). **Jagannath International Management School, Vasant Kunj** is represented herein by **Director** which expression shall unless repugnant to the context mean and intrude its successors and assigns of the OTHER PART.

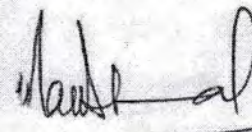

WHEREAS

- A. IBBM & MMIFM is engaged in the business of providing training or education in Financial Market, through the use of computer & software based systems and acquired distinct and unique reputation as to the quality of training in Financial Market.
- B. IBBM & MMIFM is in possession of the technical know-how and expertise and knowledge in Financial Market and associated fields.
- C. IBBM & MMIFM has also developed the Training Resources material required in providing education or training in Financial Market.
- D. Second Party being desirous to provide training to their candidates in Financial Market.
- E. Second Party has also requested IBBM & MMIFM to provide the Training Resources material & Software, required in training and for conduct of the Financial Lab of the College and IBBM & MMIFM has expressed its willingness to supply the same.

Moneymakers India Securities LLP

Ravi Shankar Sankaran
Authorized Partner

DR. RAVI K. DHAR
Director

Jagannath International Management School
OCF Pkt-9, Sector-B,
Vasant Kunj, New Delhi-110070

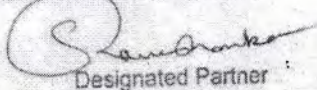

- F. Jagannath International Management School, Vasant Kunj has also requested IBBM & MMIFM for the use of the technical know-how, expertise and knowledge, required in the training in Financial Market for conducting training courses.
- G. The use of trade names, Logos, technical know-how, training resources material, advertise such association or invite applications for admission to any course conducted by it, not to print any stationary including invoices, receipts, brochures, handbills, inserts which has any information related to association or course and / or any promotional material, all the above mentioned rights would be provided only after the execution of the final agreement. If not followed then shall be considered as breach of terms of this MOU and this MOU would be liable for termination by IBBM & MMIFM upon such act by Jagannath International Management School, Vasant Kunj.

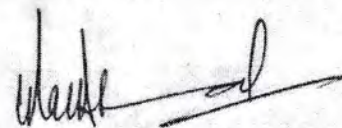

The parties have had preliminary discussions in this matter and have ascertained areas of broad consensus. The parties now, have therefore, agreed to enter in writing these areas of consensus, under a Memorandum of Understanding.

Now this Agreement witnesses that:

1. Jagannath International Management School, Vasant Kunj shall provide its infrastructure facilities as agreed upon which includes the following:
 - Computer Systems with minimum 4 GB RAM (No. of Systems : 2 candidates per terminal. ex if 30 candidates then 15 terminal)
 - High Bandwidth Internet Connection
 - Basic amenities like drinking water and washroom should be made available on the premises.
4. Jagannath International Management School, Vasant Kunj shall provide adequate support to the trainer and other staff member of IBBM & MMIFM.
5. In the event of any dispute with candidate, Jagannath International Management School, Vasant Kunj shall be the only party to resolve the issue.
6. Every candidate will get signed annexure 2 from his/her parents' guardian. **Annexure 2** signed by parents of every candidate need to be submitted with IBBM team & College before starting the first class of the training.

MoneyMakers India Securities LLP

Designated Partner

DR. RAVI K. DHAR
Director

Jagannath International Management School
OCF Pkt.-B, Sector-B,
Vasant Kunj, New Delhi-110070

RESPONSIBILITIES OF IBBM & MMIFM

IBBM & MMIFM will provide the Training to the candidates as per Annexure 1.

Details of the training is given below

Total No. of weeks: 14 (Per week 4 Hours Training, any 2 days of the week decided mutually between both the parties, 2 Hours Each)

Total No. of Hours: 56 Hours (28 Hours Theory and 28 Hours Practical)

Maximum No. of Candidates: 60

Minimum no. of Candidate: 25

Every student will be awarded a certification after successfully completion of the programme. Candidates will be prepared for NISM Series VIII Equity Derivative Exam also.

- Each Terminal will have one Live technical software where live candles formation will be happening and candidates can do short term/Intra-day live dummy trading.
- Each Terminal will have Capital market Historical data of Last 1 year.
- Dummy Trading Platform will be provided at each terminal so that candidates can feel the environment of real trading.
- Any candidate can open Live real trading account subject to his interest and can trade live under the guidance of the trainer.
- All the computers provided by the college should have minimum 4 GB RAM along with good internet speed and Window 7.
- All software will be installed under the guidance of IBBM & MMIFM's IT team. College will make sure there will be no misuse of the software.

Training timing and days will be mutually decided between IBBM and College team.

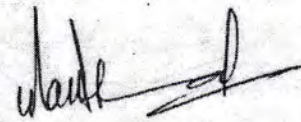

Term and Termination

The Parties agree that the initial term of the MOU shall be for a period of 14 weeks. In order to avoid any loss to the students, the agreement can only be terminated once the course curriculum as stipulated in annexure 1 is completed. This agreement cannot be terminated in the first 14 weeks from the date of MOU or the completion of the course curriculum as stipulated in annexure 1 under any circumstances. This stipulation would not apply in case either party indulges in criminal activities,

This MOU can be terminated by any party, after completion of first 14 weeks or on the completion of the course curriculum as stipulated in annexure 1.

Confirmation for Industrial Visit

2 messages

NB Workshops <workshops@networkbulls.com>
To: Sushmita Jaipuria <sushmita.jaipuria@jagannath.org>

Fri, Aug 30, 2019 at 5:03 PM

Dear Ms. Sushmita,

Greetings from Network Bulls!

Thanks for giving us an opportunity to serve your esteemed institution.

This is to confirm your participation in the Cisco Networking Industrial visit at **Network Bulls** on **11th and 12th September** It will start in the morning at 11:00 am and will last for 3 to 4 hours.

Industrial Visit: You can opt for a free of cost industrial visit to Asia's Biggest Cisco Training Labs at our campus in Gurgaon where students will get an opportunity to acquire live theoretical and practical training on networking and working of Cisco Routers, Switches and Firewalls. We have a Data Center fully equipped with over 2000 Cisco Routers, Switches, Firewalls, IPS Systems, ISE Servers, Call Managers, IP Phones and a lot more at our campus.

Benefits of Industrial Visit to students:-

1. Students will go through in-depth learning of Cisco Networking and how networks work in the real industry
2. This visit will help students to know about Career options and growing scope in the networking field.
3. Students can practice on real live devices & get experience.

Streams for **Workshop or Industrial Visit-EC, IT, CSE, BCA, MCA, Electronics** and **45-50** students are welcomed during one visit, if students are more then we can plan it in 2nd slot and so on. Industrial Visit will be totally free.

Our Address for Industrial Visit-

SCO-9,10,11,12-2nd & 3rd Floor,
Above Vishal Mega Mart, Old Delhi
Road, Sector-14, Gurgaon-122001,
Haryana

Industrial visit schedule:-

11:00 am to 1:00 pm - Theory session with the trainer

1:00 pm to 1:30 pm- Lunch/Break(lunch is free for faculty's & paid for students)

1:30 pm to 2:00 pm- students counseling/ Lab visit

2:00 pm to 3:00 pm - Practical session in the lab on real live networking devices

Kindly share the details :

- Name & strength of coordinator for the certification.
- Contact details of the faculty member who are coming for the Industrial visit for the coordination.

We ensure that you will find our initiative extremely beneficial for your students. If you have any queries kindly get back to us. We are looking forward to a quick and positive response from your side and a long-term association with your esteemed organization.

Thanks & Regards,
Rajashree Bidyabati

REPORT

“Industry Visit: NETWORK BULLS”

Event Category: Industry Visit

Topic: Visit to Network Bulls

Date: 11th Sept, 2019

Time: 10:45am onwards

Venue: Network Bulls, SCO-9,10,11,12, 2nd Floor, Above Vishal Mega Mart, Old Delhi Road, Sector 14, Gurugram, Haryana 122001, India

Resource Person(s) with Designation and Organization:

Ms. Rajashree Bidyabati (7291997472, 7840018811)

Beneficiaries with number:

BCA-III (E) JIMS, Vasant Kunj ----45

Faculty Coordinator:

I. Ms. Snehlata, Class Coordinator, BCA-III-E

Learning Objectives:

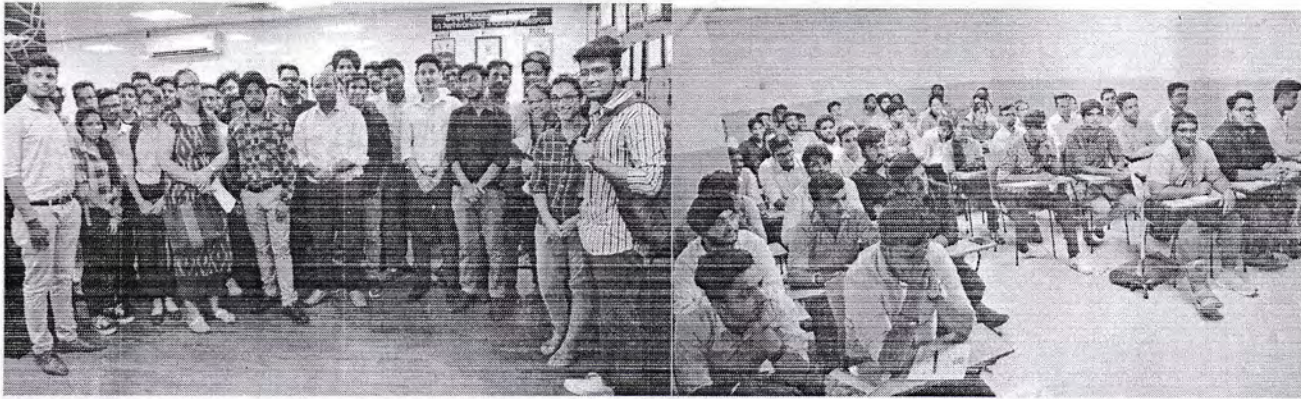

1. To learn about Routers, Switches, Firewalls, Bridges, Hubs, Cabling
2. To learn about Introduction about Protocols - FTP, HTTP, DNS, DHCP, Email Server, Gmail
3. To understand OSI, IPv4 addressing.

Report:

Department of Information Technology, JIMS, Vasant Kunj organized an Industry Visit at Network Bulls for BCA – IIIrd semester students. Mr. Singh & Ms. Rajashree Bidyabati, interacted with the students and their extensive knowledge and accumulated experience were a great source of help.

The visit was commenced with an excellent presentation which covered vast topics like I.P and MAC addresses, Classes, Layers and types of networks which were discussed at length. After discussing the topics, the presenter talked about the courses and opportunities that are provided at Network Bulls. After a brief break, students were graciously presented with an opportunity to get 'hands-on' experience on the software(Cisco Packet Tracer) currently being used in the industry. The practical comprised of providing I.P addresses and connections to the

systems contingent upon HCP and Static connections. Students enjoyed a lot and dispersed with a sincere hope that such events should be organized time and again giving the students such experiences.

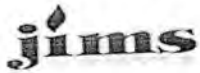

Learning Outcome:

1. Students got hand-on experience of creating local area networks; routing the packet over network using software packet tracer.
2. Created simulation for DHCP connection.
3. Students got the exposure of different Networking Device.
4. Students interacted with the speaker and got many inputs on Skill development.

Dear Ms.Sushmita,

Thanks for giving us an opportunity to serve your esteemed institution.

As per our telephonic discussion **10th, 11th & 12th September** are available for Industrial Visit, kindly provide confirmation according to your comfortable dates. It will start in the noon at 12:00 and will last for 3 to 4 hours.

As discussed with you I would like to inform you:

1. Students will go through in-depth learning of Cisco Networking which is delivered by skilled and experienced professionals.
2. This workshop will help students to know about Career options and growing scope in the networking field.
3. These workshops give students exposure to real-world challenges and opportunities.
4. Cisco Certified trainers will conduct the workshop at your campus & these trainers are an integral part of the NB's technical training team. They will be carrying Networking devices along with them.
5. Meals and refreshments for the trainers.
6. All the participants will be provided with the participation certificates and notebooks from Network Bulls.
7. For Workshop, only transportation charges will be there as our trainer will be carrying Notebooks, Certificates and Networking devices along with them.

The topics which we cover are:-

Basics of Networking
 Scope of networking
 Virtual Private Network by giving daily life examples so that the students can correlate
 Different devices details like routers, switches, hubs etc
 Different networks like WAN, MAN, LAN, VAN,
 About Firewalls, proxies,
 OSI model of networking
 EIGRP Configuration
 Creating VLANs
 Telnet Configuration
 Adding IP address
 Enable Password
 Career growth in the networking field

We ensure that you will find our initiative extremely beneficial for your students. If you have any queries kindly get back to us. We are looking forward to a quick and positive response from your side and a long-term association with your esteemed organization.

REPORT

"Industry Visit to National Science Center"

Event Category: Industry Visit

Topic: Visit to National Science Center

Date: 27th September, 2019

Time: 11 am onwards.

Venue: National Science Center, Pragati Maidan, New Delhi

Contact Person(s) with Designation and Organization: NIL

Beneficiaries with number:

1. BCA-I (Ist & IInd Shift) JIMS, Vasant Kunj ----84

Faculty Coordinator:

1. Dr Harsha Ratnani, Class Coordinator –BCA-I-M
2. Ms. Garima Saini, Class Coordinator –BCA-I-E

Learning Objectives:

1. The objective of the visit was to develop the scientific awareness and scientific temper among the students along with inculcating Scientific Awareness & Scientific Temper.
2. To understand the growth of science and technology and their applications in industry and human welfare, with a view to develop scientific attitude and to create, inculcate and sustain a general awareness amongst the people.
3. To understand the importance of preserving science & heritage of country.

Report:

The students of BCA-I-M & E visited National Science Museum, New Delhi as a part of the Industrial Visit. National Science Centre, Delhi is one of the largest Science Centre in Asia and it is popularly known amongst its visitors as, "A Dream Castle for One and All". The iconic structure of the Centre is an exemplary landmark in the arena of modern architecture which is strategically located in the vicinity of the commercial exhibition hub of India i.e. Pragati Maidan Complex. The primary objective of the Centre is to engage, educate and entertain the visitors through thematic exhibitions, interactive educational activities and outreach programmes. The Objective of our visit was to develop the scientific awareness and scientific temper among the students.

National Science Centre, Delhi, was inaugurated on 9th January 1992 by Shri P V Narsimha Rao, the then Hon'ble Prime Minister of India. National Science Centre, Delhi, is a unit of National Council of

Science Museums (NCSM), which itself has 27 Science Centres & Science Cities under its umbrella. NCSM is funded and governed by the Ministry of Culture, Government of India.

At the reception amphitheater, the students were given a brief introduction to the world of science by the educators of the center. The center has six permanent halls full of interesting and hands-on participatory exhibits. Students learnt about the exhibition halls, especially, the galleries 'Our Science and Technology Heritage', 'The March of Information Revolution' and 'Water-The Elixir of Life'. Besides these, there were small but attention grabbing exhibits like the magic tap which gushes forth water suspended in space without any inlet, a harp, where merely moving one's hands creates music and a maze of mirrors which gives illusionary effect which evoked much interest in students.

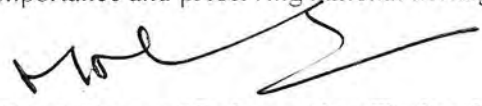

BCA-I-M & E Students within National Science Center during the visit

Learning Outcome:

1. The students attended various exhibition and galleries like Water Gallery, Our Science & Technology Heritage Gallery, Human Biology Gallery, Fun Science Gallery, Emerging Technologies Gallery
2. Students got insight various science discoveries via live shows –The Blue Planet Science On Sphere show, Holo show, 3D film show, Communication Saga show, Nuclear Power Plant Operations Show which were very informative as well as interesting.
3. The students also learned about the importance of scientific importance and preserving national heritages.

REPORT

“Industry Visit: Microsoft Corporation”

Event Category: Industry Visit

Topic: Visit to Microsoft Corporation

Date: 5th Oct 2019

Time: 09.00 am

Venue: Microsoft Campus

Microsoft Corporation, 10th Floor, Tower B & C, DLF Building No 5 Epitome, Cyber City, DLF Phase III.

Contact Person(s) with Designation and Organization: Mr Atul Kumar (8882003939)

Beneficiaries with number:

1. BCA-V M students –28

Faculty Coordinator:

1. Ms Kirti Sharawat, Class Coordintaor, BCA-V-M

Learning Objectives:

1. Industrial realities are opened to the students through industrial visits. The objective of an industrial visit is to provide us an insight regarding internal working of companies.
2. It provides students with an opportunity to learn practically through interaction, working methods and employment practices.
3. This Industrial visit was arranged specially for the students BCA-V for a special session on “AR, VR, ML, Blockchain & Kotlin”.

Report:

Department of Information Technology, JIMS, Vasant Kunj organized the Industrial visit for students with focus on “AR, VR, ML, Blockchain & Kotlin”. During the special session the students were introduced to the basics of all these topics and they also learn how to create Augmented and Virtual Reality. The sessions were conducted by experts in each field. The session provides conceptual understanding of the function of Blockchain as a method of securing distributed ledgers, how consensus on their contents is achieved, and the new applications that

they enable and basic knowledge of ML and Kotlin. Posts completions of these technical sessions students were given chance to interact with experts.

Students during the special session on AR, VR, ML, Blockchain & Kotlin at Microsoft Corporation

Students during the closing ceremony of the visit at Microsoft Corporation

Learning Outcome:

1. During this special industrial visit the students explored what is role and future of AR & VR.
1. Various developing platforms, Limitations, Advantages and Disadvantages of Kotlin.
2. Future and Impact of Machine Learning and Blockchain on business outcomes.

Greetings from JIMS!

In keeping with our faith in imparting to our students exposure to experiential learning and industry operations management, we have been organizing visits of our students to important establishments relevant for their professional development.

I would therefore, like to request you to facilitate the visit for our students of Bachelors of Computer Application in August, September or October **2019 (except Saturday-Sunday)**.

By way of an update on our institute, I would like to inform you that JIMS Vasant Kunj, which was established in 2003 has since covered many milestones in its journey of excellence. The institute is the first among all the affiliated institutes of Guru Gobind Singh Indraprastha University to have been accredited by NAAC Bangalore with A Grade and been ranked by the State Fee Regulatory Committee, Government of NCT of Delhi as an A+ category institute of the university, apart from third party rankings like those of C fore HT Media Survey 2013 in which the institute has been ranked among the top two media schools of Delhi/NCR and MBA universe.com B-School Survey in which the institute has been ranked among the top three B-Schools of Guru Gobind Singh Indraprastha University.

The visit can be organized on a date and time suitable to you as per the organizational convenience. A line in confirmation would be welcome.

Thanks & Regards

REPORT

"Industry Visit To World Book Fair 2020"

Event Category: Industry Visit

Topic: Visit to World Book Fair'2020

Date: 9th January, 2020

Time: 11 am onwards.

Venue: Pragati Maidan, New Delhi

Contact Person(s) with Designation and Organization: NIL

Beneficiaries with number:

1. BCA-II (Ist & IInd Shift) JIMS, Vasant Kunj ----87

Faculty Coordinator:

1. Dr. Harsha Ratnani, Class Coordinator –BCA-II-M
2. Ms. Garima Saini, Class Coordinator –BCA-II-E

Learning Objectives:

1. Book fairs give students a motivation to read by offering them a wide selection of books to choose from that they can look at before they decide to buy. The book fairs like these give them an even bigger selection because they get books from many different publishers.
2. They give student's s an opportunity to pick out and read books together. They give them the chance to instill a love of reading that lasts a lifetime.
3. Book fairs also offer resources to schools and students for reasonable price. The students and teacher got a chance to see and buy books they might want for their subjects at special discounts.

Report:

New Delhi World Book Fair is a major calendar event in the publishing world. NDWBF 2020 was scheduled from 4 to 12 January 2020 at the centrally located Pragati Maidan, New Delhi on the theme "Gandhi: The Writers' Writer". The theme aims to highlight the influence of Mahatma Gandhi on Indian literature and some major authors of India as well as abroad on 150 year of Gandhi ji. It had also focused on the aspects of Gandhi as a writer, editor, journalist, publisher, printer and a mass communicator par excellence. The other objective was to organize certain

events within the book fair which included skits, dramas, street plays, musical presentations, storytelling sessions and some other relatable events which promoted literature among children. Also, to deepen the trust and understanding among various publication houses and educational organizations.

Around 1,500 book stalls had been set up in this World Book Fair with more than 800 books of various publishers at different bookstalls. The book fair showcased books from Indian authors as well as acclaimed authors from abroad. Book lovers and voracious readers were able to find books of different Indian and foreign languages, along with adaptation and translations at NDWBF. Apart from literary and publishing conferences and programmes, the fair also opened up a gateway to the publishing and intellectual world of South Asia.

BCA-II-M & E Students after the visit

There were a lot of things to be learnt from NDWBF 2020 which majorly included the following:

1. This year's theme of World Book Fair was an attempt to give booklovers a glimpse of how Mahatma Gandhi, a great strategic communicator, inspired and influenced generations of writers and how the writers understood and emulated Gandhiji in words.
2. Students got a variety of books to choose from their respective stream as well as fiction. More than 500 publishers had their stalls. Even someone who does not read many books ended up buying a book at the book fair.
3. Almost all books stalls offered flat 10% -20% discounts on books. Many open stalls at the book fair offered books at throwaway prices.

Hello Mam,

Greetings from MCN Solutions.

It was nice talking to you regarding the Industry Visit near our office premises. We hereby invite your students for attending the above mentioned event as participants. I am hereby attaching the company profile along with agenda for Industry visit.

About MCN Solutions

MCN Solutions is a fifteen-year-old custom software development and outsourcing services provider. We specialize in mobile app and web development for small to mid-sized businesses. MCN Solutions is a matchless creation of software professionals commencing several domains, with robust management, industrial experience, and a wide-ranging technical skill set. Our team is committed to delivering quality products to our customers on time.

About C# Corner:

C# Corner, headquartered in Philadelphia, PA, is an online global community of 5 million software developers. We serve 5+ million visitors with 9 million page views each month. We publish the latest news and articles on cutting-edge software development topics. Developers share their knowledge and connect via content, forums, and chapters. Thousands of members benefit from our monthly events, webinars, and conferences. We also provide tools for career growth such as career advice, resume writing, training, certifications, books and white papers, and videos. We also connect developers with their potential employers via our Job board.

Agenda: Demo of some Future technologies Products Like:

1. Amazon Alexa
2. Microsoft HoloLens
3. Google Card Boards
4. Echo Dot
5. Google Home
6. Interaction with Project Mail & any technical session by the expert

Venue: MCN Solutions Pvt.Ltd
 H-217 Sector 1st Floor 63 Noida,

Looking forward for your positive consideration and acknowledgement.

Best Regards
 Atul Gupta

REPORT

“Industry Visit: MCN Solutions Pvt. Ltd.”

Event Category: Industry Visit

Topic: Visit to MCN Solutions Pvt. Ltd.

Date: 12th Feb, 2020

Time: 10:30am onwards

Venue: MCN Solutions Pvt. Ltd., H-217 Sector 1st Floor 63 Noida,

Resource Person(s) with Designation and Organization:

Mr. Atul Gupta (9910125804)

Beneficiaries with number:

BCA-IV (M & E) JIMS, Vasant Kunj ----89

Faculty Coordinator:

1. Ms. Sonali Sharma, Class Coordinator, BCA-IV-M
2. Ms. Snehlata, Class Coordinator, BCA-IV-E

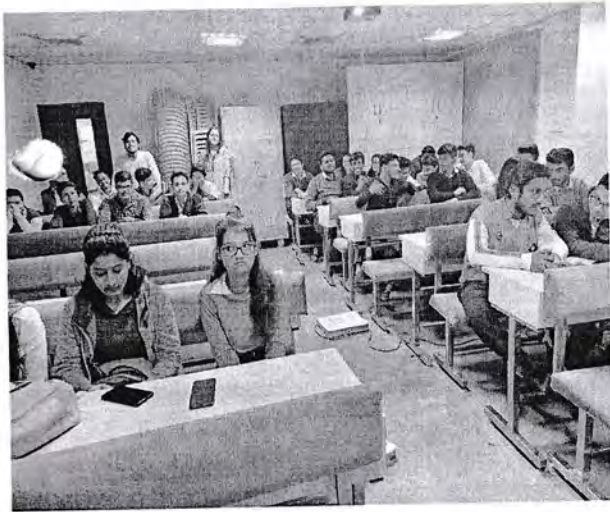

Learning Objectives:

1. To learn about latest development in IT sector
2. To learn about virtualization and ethical hacking
3. To get hand on experience on virtual reality/augmented reality

Report:

Department of Information Technology, JIMS, Vasant Kunj organized an Industry Visit at MCN Solutions Pvt Ltd for BCA – IV semester students of both morning and evening shift. Mr. Atul, interacted with the students and their extensive knowledge and accumulated experience were a great source of help.

The main objective of the visit was to make the student aware of various aspects of the IT industry. The speaker conducted a very informative session for the students. He motivated the students to select their domain and area of interest. He also guided the students to select areas like web development, mobile application development, software testing etc. and its importance in the current software market. Moreover, students got the chance to interact with a cybersecurity expert who also gave them a brief introduction to Linux technology. In the end and for the most interesting part of the visit the students got to have hands-on experience with virtual and augmented reality with awe-inspiring gadgets present at the facility. It was an informative, interesting and successful visit.

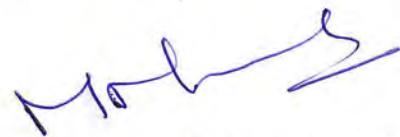

Mr. Atul Gupta teaching students about virtual reality and augmented reality

Learning Outcome:

1. Students got hand-on experience on the application of virtual reality and augmented reality.
2. Various career opportunities related to ethical hacking were discussed.
3. Areas like web development and mobile app development were also discussed.

REPORT

Session on "Industrial Visit to – Parliament House"

(Thursday, 29th August 2019)

Event Category: Industrial Visit

Topic: Parliament House

Date: August 29th, 2019

Time: 11.00 am- 2.00 pm

Venue: Parliament House, New Delhi

Resource Person(s) with Designation and Organization: NA

Beneficiaries with number:

1. Faculty, Department of Media & Communication Studies - 1
2. BA(JMC) Students (V- M-Batch 2017-20), JIMS, VasantKunj- 33

Faculty Coordinator:

1. Ms. Garima Malhotra, Assistant Professor

Learning Objectives:

1. To make students well informed about the Indian Parliament Structure and Parliament new reporting
2. To make students learn about fundamental concept of Rajya Sabha and Lok Sabha

Report:

The Department of Media & Communication Studies, JIMS, Vasant Kunj organized an Industrial Visit to Parliament House, Delhi for BA(JMC) students on 29th August 2019. After a lot of security checks, students found themselves seated in the Visitor's Gallery of Lok Sabha and Rajya Sabha. The Lok Sabha or House of the People is the lower house of parliament. It has a green carpeted floor to signify the representatives' relationship with the grass-root. Sitting in the public gallery of the Lok Sabha was a real treat for the students. It lent a

feeling of responsibility that doesn't come when watching the proceeding on Television. All
great experience for all the students.

Glimpse of Industry Visit:

Group Picture at outside of the Parliament House

Learning Outcome:

- To make students aware about the functioning of Lok Sabha and Rajya Sabha
- To provide student an insight about the Parliament News Reporting.

Dear Sushmita,

Hope you are doing well. Sorry for the delay in answering you – but I was very busy with the delegation from Moscow.

So? First of all - you and Dr Dhar are most welcome in my office – let us fix the date.

About topics for our interaction with students – see in attachment the topics and please chose which are more interesting and suitable for your students.

Plus these (I have already shared them with you during your visit to my office)

Session 1: Infographics

- Roles and skills in a full-cycle design team
- Evolution of formats: from print to mobile only
- Interactive graphics at the heart of election day coverage
- Case study: US Presidential Elections 2016, Russian Presidential Elections 2018

Session 2: Audio

- 2019 trends: smart speakers and podcasts
- Multiplatform distribution of audio content
- Case study: Radio Sputnik, RIA Novosti Podcasts

Session 3: Video, VR & AR

- The risks and rewards of live streaming on the ground
- Multiplatform live streaming
- 360 video and its news potential
- VR and AR: know the difference
- Case study: RT #1917LIVE, RIA.Lab

REPORT

Session on "Industrial Visit to – Sputnik News Agency"

(Thursday, 24th October 2019)

Event Category: Industrial Visit

Topic: Sputnik News Agency

Date: October 24, 2019

Time: 1.00 pm- 4.00 pm

Venue: Russian Information Center, Bhagwan Das, Road, New Delhi

Resource Person(s) with Designation and Organization: NA

Beneficiaries with number:

1. Faculty, Department of Media & Communication Studies - 1
2. BA(JMC) Students (V- M-Batch 2017-20, I- M-Batch 2019-22), JIMS, VasantKunj- 25

Faculty Coordinator:

1. Ms. Garima Malhotra, Assistant Professor

Learning Objectives:

1. To make students well informed about the functioning of International News Agency
2. To make students learn about collection of data for news

Report:

The Department of Media & Communication Studies, JIMS, Vasant Kunj organized an Industrial Visit to Sputnik News Agency (Russian), Delhi for BA(JMC) students on 24th October 2019. During this visit, students got the chance to interact with Russian experts and they discussed about the structure and functioning of news agency. They asked so many questions to experts about the collection of data for news and how that news circulated on different news portals. Students also learned about the writing style of news in an international news agency. It was really a great exposure for them to visit an international news agency and interact with Russian News Experts.

Snapshot of Industry Visit:

Group Picture at Sputnik News Agency (Russian Information Center)

Learning Outcome:

- To make students aware about the functioning of an international news agency.
- To provide student an insight about the writing style of news stories for a news agency.

Dear Sushmita,

I am writing to you on behalf of NDTV and this is regarding our show Politics Ka Champion Kaun. This is a weekly debate show where we pick up a topic and have guests, Ashutosh, Mamya Kale & Geeta bhatt debate on the same. This is the only show which has 70% of time appointed to Audience questions....so it will be nice if student could join this week.

Time and day of the show is Friday 11:30 Am till 1:00 PM. Please if you could confirm the same by tomorrow first half and let me know how to take this forward.

regards,
Rajat Khanna

REPORT

Session on "Industrial Visit to – NDTV"

(Friday, 1st November 2019)

Event Category: Industrial Visit

Topic: NDTV

Date: November 1, 2019

Time: 9 am-2 pm

Venue: NDTV, Archana Complex, Greater Kailash-1, New Delhi - 110048

Resource Person(s) with Designation and Organization: N/A

Beneficiaries with number:

1. Faculty, Department of Media & Communication – 1
2. BA(JMC) Students [3rd (M) 2018 - 21], JIMS, Vasant Kunj- 51

Faculty Coordinator:

1. Ms. Sanyogita Choudhary

Learning Objectives:

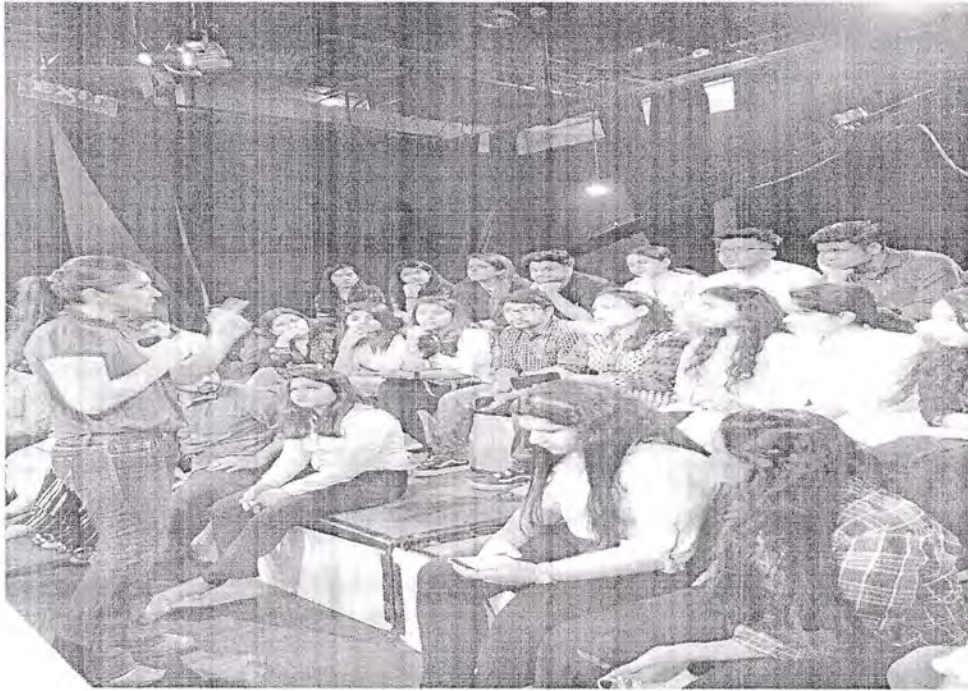

1. To make the students understand the Television production process.
2. To make the students learn the about the nuances of TV news production.

Report:

The Department of Media & Communication Studies, JIMS, Vasant Kunj organized an Industrial Visit to NDTV for the BA(JMC) students on 1st November, 2019. All the students went to the studio; saw the lights, camera and audio set up. They explained about the production process. They also participated in the live discussion programme. Students were also explained about the equipment used for production process and the kind of questions they should ask during the discussion programmes. The technical instructor took the students to a tour of the channel to show the working of various departments of a news channel. This visit helped students in understanding the TV programme production techniques, camera handling in news programs, studio lighting and multi-camera shoot.

the tour, they were all given snacks.

Glimpse of Industry Visit:

Students at NDTV Channel Studio, Delhi

Learning Outcome:

- To provide students an insight of the internal working of a Television News Channel.
- To learn about the nuances of TV news production.

Subject: Request for visit to BBC

Season's Warmest Greetings from JIMS!

This is to request you to grant permission to students of Department of Communication Studies to visit your highly esteemed organization and be able to observe studio and its process at any date and time convenient to you in the month of October ,19 .

It gives me immense pleasure to inform you that JIMS, Vasant Kunj New Delhi is affiliated to Guru Gobind Singh IP university. By way of an update on JIMS, JIMS group of higher educational institutions was founded in 1997 by the Jagannath Gupta Memorial Educational Society (Regd.) for providing holistic education to the youth of Delhi, in particular, and the country, in general. Ever since then, the Society has established 8 institutes of excellence in Delhi and NCR to impart professional and technical education in the cutting edge disciplines of management studies, information technology, mass communication, engineering, hospitality and hotel management. Apart from these, the Society has established 3 more campuses in Rajasthan, on one of which is located Jagannath University, a private university established through an Act of the Rajasthan Assembly.

Eagerly looking forward to your reply. In anticipation of favourable response.

Thanks & Regards

Industry Visit- Report

Event Category: Industry Visit

Topic: BBC News

Date: 14th November, 2019

Time: 12:00 PM- 04:00 PM

Venue: 5-6 Floor, Hindustan Times House, 18-20, KG Marg, New Delhi

Resource Person(s) with Designation and Organization: Ms. Huda

Beneficiaries with number:

1. Faculty, Department of Media & Communication Studies- 01
2. BA(JMC) students [3rd Semester], JIMS, Vasant Kunj- 10

Faculty Coordinator: Ms. Priyanka Tyagi

Learning Objectives:

1. To make students well informed about the working environment of BBC News
2. To make students learn about different organizations and divisions of news channels

Report: The Department of Media & Communication Studies, JIMS, Vasant Kunj organized an industry visit for BA(JMC) students on 14th November, 2019. During their visit, they have seen the entire process of producing news and sharing it to the viewers. Students learnt the nuances of PCR and MCR and their functions too. They also saw the different sections of BBC News including studios of television news, radio programs and different language desks of BBC News. It was surely and enriching experience for students to witness the working of the most prestigious news channel and gain some practical knowledge.

Picture: Photos were prohibited in the channel

Learning Outcome:

1. Students learnt the importance of technical and creative departments of news channel
2. Students learnt through interaction regarding the news flow and nuances of studio

Dear Sushmita

It was a pleasure to interact with the students from your institute last week. The show with Baba Ramdev required an audience who could match his energy. We had intelligent questions, quick reactions and a well-behaved and disciplined audience which is a gem nowadays.

I would like to thank you and the students for making it to our show with the hope that we can do this regularly.

Regards

Vandana

REPORT

Session on "Industrial Visit to –NDTV"

(Friday, 24th January 2020)

Event Category: Industrial Visit

Topic: NDTV

Date: January 24, 2020

Time: 4 pm to 6 pm

Venue: Archana Complex, Greater Kailash-1, New Delhi

Resource Person(s) with Designation and Organization: NA

Beneficiaries with number:

1. Faculty, Department of Mass Media and Communication - 1
2. BA(JMC) Students [], JIMS, VasantKunj- 40

Faculty Coordinator:

1. Dr.Neeru Johri, Head, Department of Mass Media and Communication
2. Ms.Shikha Kukreja, Asst. Professor, Department of Mass Media and Communication

Learning Objectives:

1. To make students well informed about the television programme production.
2. To make students learn about the studio structure and functioning of entire production team.

Report:

The Department of Media & Communication Studies, JIMS, Vasant Kunj organized an Industrial Visit to NDTV for the BA(JMC) students on 24th January, 2020. The students were showed around the NDTV studios in order to gain knowledge about the behind the scenes process of program production. They learned about the different fundamentals of three production stages i.e. pre-production, production and post-production. In NDTV studio, students got the chance to interact with production team and come to know about the challenges of production studio. Students also learned about the live broadcasting, croma shoot, online and offline editing procedure. It was a great experience for all the students.

Photography was prohibited in NDTV

Learning Outcome:

- To provide students an insight about the television programme production
- To make students aware about the roles and responsibilities of production personnel
