This letter of acceptance will serve as your official documentation when applying for your study permit through Citizenship and Immigration Canada (www.cic.gc.ca). Please visit the Government of Canada - Citizenship and Immigration Canada website for more information on Immigration, Refugees and Citizenship Canada (IRCC) estimated study permit processing times for your country, available at: www.cic.gc.ca/english/information/times/temp/students.asp.

Note: please submit a complete application to the IRCC with all requested details and allow for sufficient time for study permit application processing based on your country of citizenship.

Next Steps

Arriving in Canada

Once your study permit has been approved it's time to start planning your arrival in Canada! There are three important items you must consider before leaving your home country to come to St. Clair College:

Hi Omeir Khatri

Congratulations! We are pleased to make you **an unconditional offer** to study with Brunel University London from September 2019. Please read this letter carefully as it contains everything you need to know about your offer.

Your Course

Your Brunel Student ID:	1939557
Course Title:	MSc Management
Department:	Brunel Business School
Mode of Study:	Full Time (with Extended Placement)
CAH3 code:	CAH17-01-04 (Management Studies)
Academic Level:	Masters Degree
Registration Date:	16 September 2019
End Date:	30 September 2021
Tuition Fees:	Based on the information you have provided on your application form, you have been classed as an Overseas student for fees purposes. Tuition fees for 2019/0 will be £16,850. Fees and Additional Costs are payable for each year of your course. Fees for any subsequent year of study will not increase by more than 5% each year.

We have assessed your fee status against regulations set by the UK government. For information on these regulations please visit the independent organisation [www.ukvisas.gov.uk](#). If you think we have incorrectly identified your fee status you should contact the Admissions Office immediately.

If you are being sponsored by a company, organisation, or charitable trust you must provide us with a sponsor letter (financial guarantee) before or when you register, otherwise you will be deemed a self-funded student responsible for paying your own fees.

You can find a full copy of our [Terms and Conditions](#) on our website.

Additional Costs:

Some courses carry additional course-related costs that you will be required to pay. Please read the [Additional Costs](#) to see if any additional costs apply to your chosen course.

Your Offer

There are no conditions on your offer. Your unconditional offer is based on the qualifications you have declared in your application.

If you have chosen a postgraduate course with a work placement option, please be aware that you will be responsible for finding your own placement. Guidance can be obtained from the [Work Placement](#). If you are not certain that you wish to undertake a work placement, we would recommend that you change to the full-time course. If, after registering on the course, you are then able to secure a placement and wish to change back, it is possible to change onto the placement course.

If you have a Tier 4 (General) visa and you register on a postgraduate course with a work placement option but are then unable to secure a placement, if you change to the full time course you would be expected to complete your course earlier than if you had undertaken the placement. In this situation we would be obligated to report this to UK Visas and Immigration (UKVI) and your visa may be curtailed (shortened) accordingly.

Registration requirements

When it is time to join your course and register as a Brunel University London student, you must provide the following:

- The original or a certified copy of your highest qualification: Bachelor of Business Administration from Guru Gobind Singh Indraprastha University
- Provide evidence of approved sponsorship or a scholarship, or pay either 60% of the course fee or the full course fee for this academic year (including your deposit payment).

Further Information

Tier 4 (General) Immigration Information

Please note that this letter is NOT the Confirmation of Acceptance for Studies (CAS) that you need in order to apply for a Tier 4 (General) Student Visa, if you need one in order to study in the UK. Under the current Tier 4 regulations, a CAS is only valid for 6 months. We will issue your CAS no more than 3 months before the start of your course, provided you have an unconditional offer at that point. If you have met the conditions of your offer and you need a CAS but you have not received this 3 months before your course starts, please contact [our office](#).

Estimated costs of living

To meet UK Visas and Immigration (UKVI) maintenance requirements, when you apply for your Tier 4 student visa you will need to show that you have £1,265 for living costs for every month of your course (up to a maximum of 9 months or £11,385). This is in addition to your remaining tuition fees, and may not accurately reflect your personal costs. We recommend that you plan your finances accordingly before you start your course. Useful advice about this can be found on the [UKVI website](#).

Changing the course that you wish to study

Now that you have been offered a place, we recommend that you ensure this is the course you definitely wish to study. Under the current UK Immigration Rules, once a Tier 4 (General) visa has been obtained, there are restrictions on the ability of a student to change courses on that visa. In some cases, the course change (including adding a work placement) may only be possible if a new Tier 4 application is made from outside of the UK. Please contact the Admissions Office **before** you are issued a Confirmation of Acceptance for Studies (CAS) if you wish to study another course or add a work placement (if available), to your current offer.
