INITIAL INDUCTION PROGRAM

The Talent Transformation team at Wipro grooms campus selects to help them face the challenges of the corporate world.

A holistic 360 degree approach to training is adopted and helps them hone their fundamental computer skills followed by insights into Wipro businesses, process, technology and behavioral skills.

To understand and appreciate the mindset of the young Trainees and ensure that the transformation is smooth, the induction program is done by a team of dedicated professionals who have exposure to the academic and corporate sectors alike. Project Readiness Program (PRP) is a training program designed to address the basic learning needs of the Trainees.

Corporate Readiness Program - CRP

The CRP program is focused on making young Trainees comfortable in a corporate environment. This program starts with a corporate induction.

"PINNACLE" a behavioral skills building training program ensures that the fresh Trainee start feeling at ease in the "corporate world". This activity based behavioral intervention informs the new entrants about the corporate work culture and business etiquette.

Technology Readiness Program - TRP

The technology training provides critical technical skills required to work on projects allocated to Trainees and prepare to face the demands of the project world. We begin doing this by familiarizing with Wipro's businesses and work environment.

The methodology of training is "Project Based Learning" (PBL) approach, the entire learning is designed around a series of projects that the recruits are expected to complete individually by learning and applying various topics required to complete the project. Starting with individual projects, the PBL approach ends with recruits working on a team project.

Dear Lakshit Malhotra:

Congratulations! You have been accepted to Georgian College. Thank you for accepting your offer in the IAS Applicant Portal and for submitting your payment.

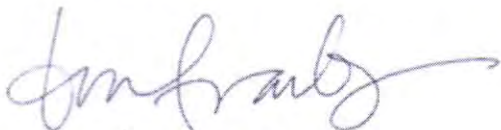

Georgian is a great place to be. It's inclusive and friendly, with expert faculty, small class sizes, and state-of-the-art technology. As a student of Canada's first and only recognized changemaker college, you'll be connected to the skills you need, the mindset to succeed, and the confidence to thrive.

Estimated tuition fees may include 2 or 3 semesters depending on program progression (visit our website on full-time programs for more information). Additional costs are approximate and may include such things as living accommodations (up to \$750.00/month), transportation (\$720.00/year), food (\$1,600.00/year) and books and supplies (\$500.00-\$2,000.00/year). Some programs have additional costs, which can be viewed on the program-specific fees section of the Tuition and Fees web page.

Lakshit Malhotra, 200478220, is eligible and considered essential (non-discretionary) for travel purposes by Immigration, Refugees and Citizenship Canada.

If you have questions, please contact international@georgiancollege.ca. We're here to help you.

We're so glad you've chosen Georgian and wish you all the best. We hope to see you on campus soon.

TUITION FEES, WITHDRAWALS AND REFUNDS

Fees are due by the payment deadline listed above. Payments hold your seat in the program and must be made by this deadline. Effective for Winter 2021/Summer 2021 a \$500 late fee will be assessed for failure to pay full fees by Day 11 of the term start. Effective Fall 2021 onward, full fees will be due in order to register for courses. Please include your student name and student number on all correspondence and payments sent to Georgian College. Once the payment has been received, a PDF receipt will be emailed to you or your agent if you have applied through an agency. If you choose not to pursue studies at Georgian College, you may be eligible for a partial refund of pre-paid tuition fees less an administrative fee that is calculated in accordance with the Ministry of Advanced Education and Skills Development refund policy. Please also note that Citizenship and Immigration Canada (CIC) will be notified of your withdrawal from Georgian College. If a request for withdrawal is not received within the first 10 working days of the term, no refund for the first semester will be issued. [Please see our policy on our website.](#)

STUDY PERMITS

After you receive your official Letter of Acceptance, you may apply for a study permit. Visit www.cic.gc.ca for information about obtaining a study permit. Once your study permit has been approved, upload a copy to the IAS Applicant Portal along with your student number and confirmation of your arrival date.

HEALTH INSURANCE

As an international student, health insurance is mandatory and is included in quoted tuition fees. You must be registered into courses in an academic semester or registered for a work term/co-op term in order for health insurance coverage to begin for that term. If you arrive early, you may need to purchase additional insurance. Please visit the [Health Insurance](#) web page for more information. If you officially withdraw from the College (or transfer to another institution) after the Add/Drop deadline, your health insurance coverage will not be refunded.

CO-OP INFORMATION

International students in work integrated learning programs, such as co-op, internships, practicum, field placements, must have a valid co-op work permit in order to complete their work term in Canada. Due to lengthy Immigration processing times, we recommend students apply for this as soon as possible, prior to arriving in Canada, as any delay can impact their eligibility to work. Co-op Consultants provide resources and support including job postings; however, students must also complete an independent job search to maximize their success in securing co-op positions. Students can increase their opportunity for success with a valid driver's licence and flexibility with work term locations. **Students should apply for their co-op work permits when they apply for their study permit.**

REGISTRATION

Students are required to register themselves in classes **prior to arrival**. Registration is permitted for students who have provided confirmation of an approved study permit. Study permits should be uploaded to the IAS Applicant Portal. Accommodations will be considered for students experiencing delays in processing. Registration dates and times will be available in **Banner two** (2) months before classes start. To log in to Banner, your username will be: xxxxxxx@student.georgianc.on.ca and your initial password is your date of birth (YYMMDD). You will be required to change your password after your first login. Once you have changed your password, you must register to [reset your password](#). At your registration time, you will sign in to your **Banner** account and register for your classes. Check [Important dates](#) for the first and last day to add or drop courses. Once you register, no changes can be made to your timetable until the add/drop period opens. You are responsible for the fees associated with your registration and must communicate a formal withdrawal to the college if you are unable to attend.

FORMS AND PLACEMENT REQUIREMENTS

A co-op work permit is required to begin placement. Many programs, particularly in Health and Wellness, Community Safety, and Human Services, include placements that require immunization or criminal record checks among other possible requirements. These requirements must be met before your placement starts. It is your responsibility to ensure that you are eligible to participate. Click on the "Placement requirement forms" tab on GeorgianCollege.ca/admissions/forms to see if your program has requirements you need to meet before the term starts. If you have questions, find your program coordinator's contact information at GeorgianCollege.ca/full-time-programs.

Dear SAAD KHAN,

Congratulations and welcome to the Gandhi Fellowship Program, Batch of 2021-23!

I trust you are in good health and following all COVID-19 safety protocols.

The Gandhi Fellowship is the flagship program of Piramal Foundation (hereinafter referred to as the "Foundation"). This program is amongst the most aspirational Fellowship programs in the country, owing to our dynamic educational curriculum. Young people like you, from across the country embark on lifelong journeys of personal transformation as they lead our interventions in the communities we serve. These experiences lead to deeper self-awareness, discovery of personal values and stronger leadership skills and life-skills.

The Foundation is focused on universal primary education, reducing child mortality rates, improving maternal and tribal health and improving access to safe drinking water in the Aspirational Districts identified by the Niti Aayog. We currently work across 24 states, a lot of which is in partnership with the Central and State Governments. Over the years, we have developed innovative solutions and a deep understanding of our communities, along with strong technical partnerships. These are pivotal in helping us continue to serve our communities in partnership with government institutions across India.

The country is deeply impacted by the global Covid-19 pandemic. While we continue to be committed to the well-being of the communities we serve, it is equally important for us to ensure the safety and well-being of our team members.

Usually, the entire duration of the fellowship is designed to be spent in the location where you are placed. Given the current exigent circumstances, your fellowship journey may be a combination of working from home and working from our program locations. This is a critical choice we make to ensure your safety and wellbeing over the course of this journey with minimal impact on your transformational journey. These decisions will be shared with you periodically by our leaders and will be made considering the multiple factors that impact your safety, well-being and learning journeys.

Other nuances of the duration of this fellowship are detailed in the attached Annexures for your reference. We urge you to please read through them and write to us on register@gandhifellowship.org for any clarifications we could assist you with.

To confirm your participation as a Gandhi Fellow in the Gandhi Fellowship Program, Batch of 2021-23, please sign a copy of this letter along with each page of the Annexures and **share it with us within 5 days of receiving this offer letter**. After this date, our offer for you to join the fellowship will stand withdrawn.

I extend our warm welcome to you and wish you great success as you embark on this journey of self-discovery and self-development as you transform the nation's Education system and continue further on your journey as a Nation Builder.

I look forward to seeing you at the Orientation!

Yours sincerely,
