Report of Freshers Party 2019

The 31st August 2019 was marked as an unforgettable day in the life of every fresher at JIMS, Vasant Kunj as the Fresher Party, welcoming all the freshers of 2019, was held in The Ocean Pearl Retreat, Satbari, Chattarpur. The program kick-started with the introduction round and the ramp walk for the contestants of Mr. and Ms. Fresher 2019. All the participants were well dressed, conforming to the dress code and walked the ramp in their own style. In the second round, the participants had to show their talent in 60 seconds frame. The last round of competition was the 'question-answer' round where the selected participants had to answer the questions. The judgment was based on their dressing style, ramp walk, the way they answered questions and overall performance.

The results were finally declared and the title for Mr. Fresher 2019 was bagged by SARTHAK LUTHRA (BA(JMC)-Shift-I) and Ms. Fresher 2019 title was received by MUMVEEN KAUR BA(JMC)-Shift II. After the competitions, it was for the freshers and seniors to rock the fresher party with dancing and grooving. Finally the program ended, leaving behind sweet memories that will be treasured lifelong.

Ms. Fresher 2019 Mumveen Kaur of BA(JMC)-Shift II & Mr. Fresher 2019 SARTHAK LUTHRA of (BA(JMC) Shift-I) with HODs and the Registrar.

Report:

Prabandhan- the Management Club of JIMS Vasant Kunj organized first activity of the semester "Solving Business Problems through Case Study" on 23rd January 2020.

The case study approach allows in-depth, multi-faceted explorations of complex issues in their real-life settings. The value of the case study approach is well recognized in the fields of business, law and policy.

The case study is a method which provides descriptive situations which stimulate trainees to make decisions. The purpose of the case method is to make trainees apply what they know, develop new ideas to manage a situation or solve a problem. The focus is more on the approach the trainee uses rather than on the solution. As a training tool, the case study

method can be used to develop decision-making skills, enhance team spirit, better communication and interpersonal skills and strengthen the analytical skills of trainees.

The session aimed at building confidence and developing business problem solving skills of BBA students. Few case studies were presented in front of to the class and then questions relevant to it were discussed by the students. Students participated with enthusiasm and those who faced any issue were guided by the members of the Prabandhan Club. The session continued for an hour from 11:15 till 12:15 with smoothness. Those who showed active participation were rewarded suitably and appreciated for it. The session ended with a motivating speech from the President and the Vice President of the club. This event was a success like the past events and hopefully all the future events.

Report:

On 7th February 2020 Prabandhan Club organized a 'BRAND QUIZ' in JIMS Vasant Kunj. It was successfully executed by the members of the club with a great sense of accomplishment. The business quiz focused on examining the ability of the students of 2nd semester and the team ensured that they are well familiar with different brands in the market. The quiz was for one hour and it took place in the respective classes. All the students were divided into 4 teams each with around 10 members each and the questions were asked alternatively. Students who answered the question appropriately were awarded accordingly. This way Prabandhan club was again fortunate to organize the event successfully which truly helped the students to acquire knowledge about the particular brands.

The following guideline provide steps that can be undertaken to promote IDY 2020 and encourage people to do Yoga from Home, especially at 7 am on the 21st June, 2020.

(These are suggested steps which should be considered in addition to specific communications sent by the Ministry of AYUSH)

The corona crisis has offered an opportunity for the people to explore the true benefits of yoga this year. The prime Minister in his 65th Mann ki Baath program on 31st may 2020 said that "Yoga has assumed importance across the world and people who were not aware of it have also started learning it. During the corona crisis, people in Hollywood to Haridwar have become conscious of the benefits of Yoga. Sitting at their homes, people are learning about Yoga". Yoga is good for community, immunity and unity. He further added that in times of corona crisis, its importance has increased as Yoga is mainly about strengthening the respiratory and immune system. Unlike the previous years this year the IDY is being done in the confines of your home. You may involve your family in the practice of Common Yoga protocol during IDY on 21st June 2020 between 7am to 7.45am.

IDY-2020 presents an occasion for all the Universities & their affiliated colleges along with all the schools to come forward and spread the message about the rewards of regular practice of yoga among their students/employees/staff. Every individual stands to gain from the regular practice of yoga through long term benefits in health, happiness and well being. Each Student/Staff can play an important role in making IDY an effective national movement for health and wellness. Here are some suggested activities to reach out to all the students/employees/staff and induct them into the blissful world of yoga:

- This year's IDY will be observed around the themes Yoga @Home and Yoga with family.
- Institutions are requested to issue internal guidelines within their organization/offices giving the background of the observation of International Day of Yoga (IDY)-2020.
- Efforts may be taken to organize Yoga related activities such as online lectures, workshops etc. by Yoga experts, starting 1 week ahead of IDY. This would help in building up enthusiasm as we draw closer to 21st June, 2020.
- Since the focus of IDY would be on individual and family yoga demonstrations based on Common Yoga Protocol (CYP), efforts may be made to familiarize the employee/staff with CYP. Organising of training programmes of 15 day duration (one hour per day) on CYP and ensuring participation using social distancing norms is recommended. Alternatively Ministries can disseminate the videos of common yoga protocol that is in Youtube and yoga portal.
- The Common Yoga Protocol shall be performed individually or with family within the confines of their homes on 21st June, 2020 from 7:00 A.M. to 7:45 A.M. followed by any suitable and customized 15-minute programme on Yoga.
- Institution may strive to distribute Yoga attire, Yoga Mats, Caps etc. duly having the logo of IDY to their students/employees/staff and encourage everyone to practice and adopt Yoga.

- Some competitions on Yoga-theme may also be organized to create interest among the students/employees.
- Institution may arrange a live screening of Doordarshan's national telecast related to International day of Yoga on 21st June, 2020, to foster the sense of participating in the nation-wide yoga movement.
- Banners/ Cut outs on IDY - 2020 may be displayed at vantage points.
- Institution can display Yoga Charts and standees inside their offices.
- If the Institution is having any official newsletter, bulletin or magazine, articles and related matter about Yoga may be published.
- Institution may encourage their students to participate in quiz and other competitions being organized by Ministry of AYUSH. They may encourage their students to participate in the online video contest (My Life- My Yoga) conducted by CCRYN, Ministry of AYUSH and ICCR. One can find the guidelines and competition details in the yoga portal of Ministry website.
- Organise Yoga lectures, webinars on health in association with NGOs involving Yoga experts.
- It is of utmost important that the concept of Yoga@Home be highlighted in any such communication, due to COVID-19 to avoid any miscommunication/misunderstanding which may lead to the violation of leading GoI advisories on the management of the pandemic— especially mass gatherings, social distancing norms, and use of basic protective measures such as masks and sanitisers.
- Institution may plan long term activities related to Yoga, so that the impact of IDY-related mobilization goes on well beyond 21st June, 2020.

Annexure 2: Sample letter, email, and message

Letter: I want to be a part of IDY -2020. What should I do?

Congratulations for deciding to be a part of IDY- 2020.

Yoga is an invaluable ancient Indian practice with numerous benefits to both physical and mental health. Given, the context of the current COVID-19 pandemic including restrictions on the movement of people and a slowdown in economic activity, the benefits offered by Yoga have become especially important for physical and mental wellbeing. Of particular importance are its proven benefits on general health and immunity enhancement, along with its globally accepted role as a stress buster.

As the mass performance of the Common Yoga Protocol (CYP)—one of the most popular Yoga programmes across the world—will remain at the heart of the International Day of Yoga (IDY) like always, this year IDY will be observed in a non-congregative manner. Therefore, you and your family are requested to join thousands of others on this day from your respective homes by doing the 45- minute long CYP drill at 7.00 AM on 21st June 2020. The CYP is a Yoga Protocol developed by accomplished Yoga experts, to facilitate harmony in the observation of IDY. Over the last few years, it has become one of the most popular Yoga programmes in the world. It is designed to be easily adoptable by the majority of the people irrespective of age and gender, which can be learnt through simple training sessions, even through online classes (individuals facing health issues are advised to consult a physician before taking up Yoga practice).

To make the observation of IDY at home possible, the Ministry of AYUSH and other stakeholders have been running multiple training programmes on Yoga and CYP. These programmes are being intensified, and daily online sessions on CYP will be streamed on the Ministry's Social Media Platforms as well as partner TV Channels. You may follow the Ministry's social media handles for additional details. Announcement on specific activities for 21st June 2020 will also be made available on these channels as we approach the IDY. Various reputed Yoga institutions will also be imparting online training lessons in CYP in the coming days. Please use the attached resources in preparing yourself and your family for IDY 2020.

If you are already trained in CYP, please start teaching the same to your family members.

As June 21st is just a few days away. Prepare yourself, and be there to do Yoga with the world.

See you at 7.00 AM on 21st June 2020.
