REPORT – NAAC AWARENESS PROGRAMME

NAAC Awareness Programme was conducted by Guru Gobind Singh Indraprastha University, New Delhi in Seminar Hall(Block D) keeping in mind the new formats of Self Study Report and Annual Quality Assurance Report. The workshop is mainly focused on these new formats and the online application procedure for accreditation. Followings were the speakers:

1. Dr. B. S. Madhukar, Formerly Adviser, NAAC
2. Dr. Pratibha Singh, Deputy Adviser, NAAC

The workshop was divided into two sessions as below:

Session-I: Relevance of Assessment and Accreditation: Overview of Revised Accreditation Framework (RAF)

Session-II: Institutional Preparation & Process of Assessment and Accreditation

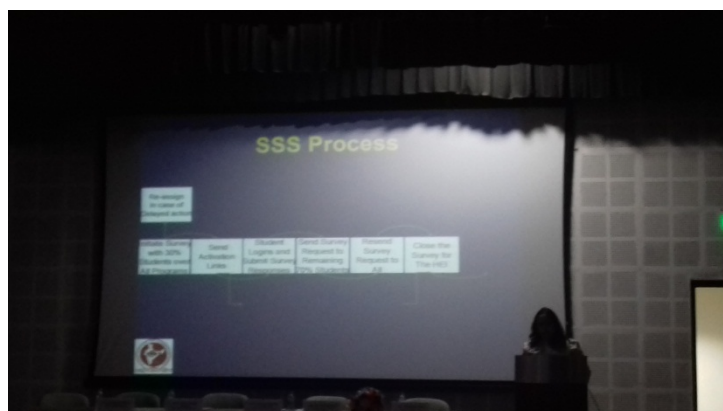

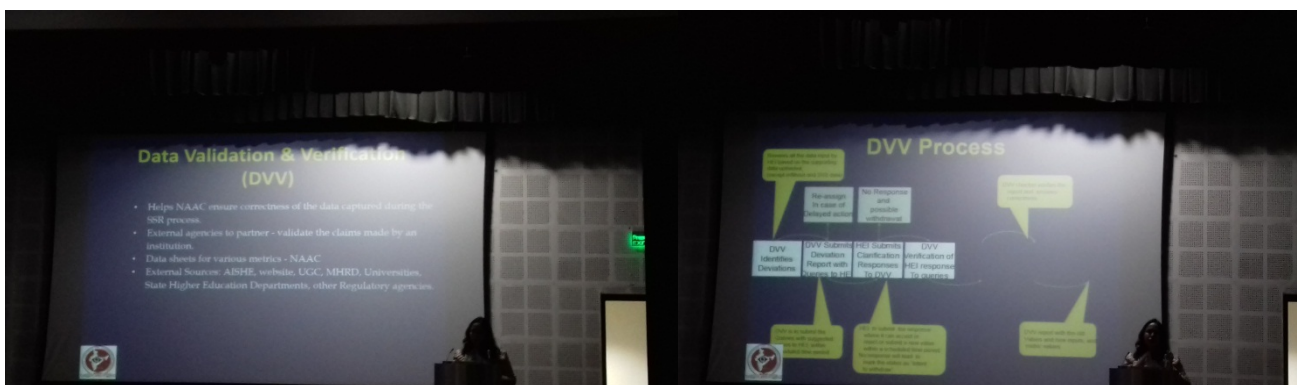

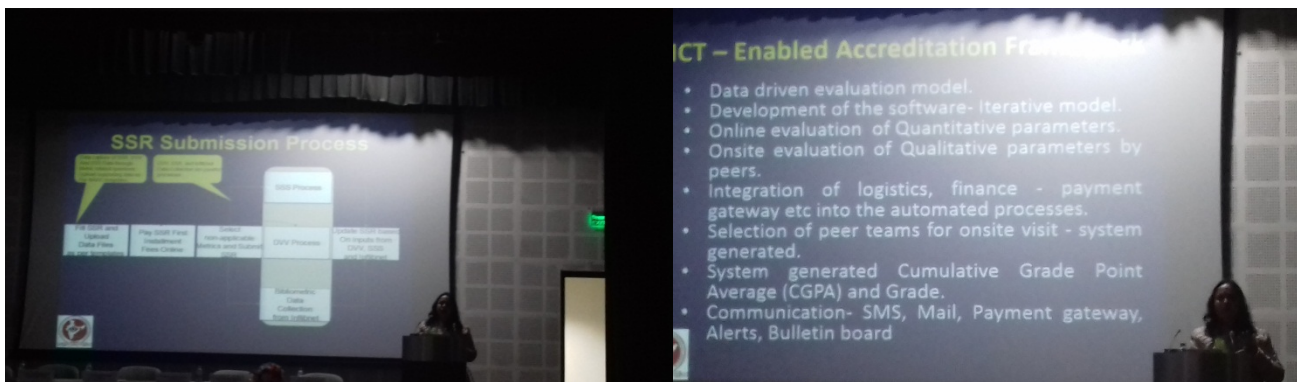

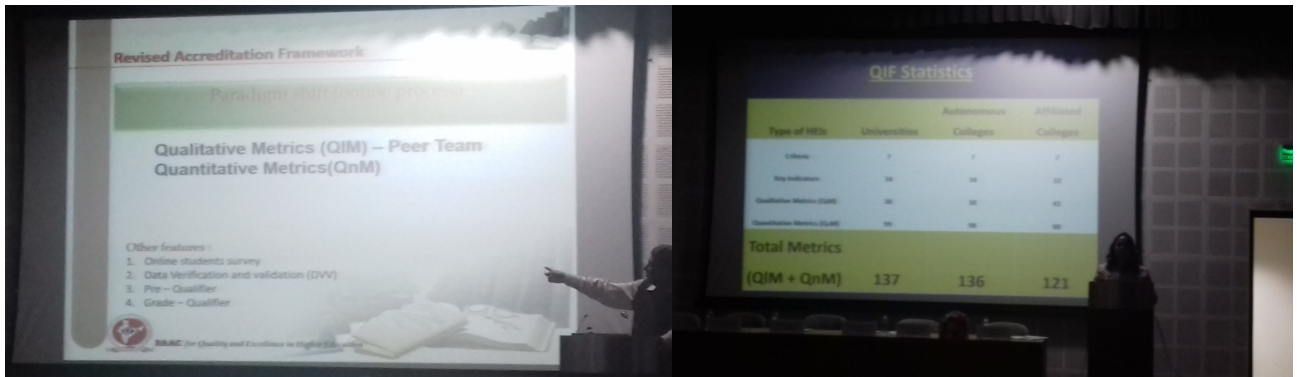

First session was taken by Dr. B. S. Madhukar and Second session was taken by Dr. Pratibha Singh.

Some of the relevant points which was shared by the speakers are as below:

- Complete accreditation process is now online.
- Steps to be followed online for accreditation are as below:
IIQA(Institutional Information for Quality Assessment) → SSR(Self Study Report) → DVV(Data Verification and Validation) → SSS(Student Satisfaction Survey) → PTV(Peer Team Visit) Management
- After IIQA, institute needs to submit SSR within 45 days which further cannot be modified by the institute.
- There are two types of questions in SSR: Qualitative(around 28%) and Quantitative(around 72%).
- Qualitative questions will be evaluated by the PEER Team during the visit to the institute.
- Quantitative questions will be evaluated online via DVV(Data Verification and Validation) teams which were selected by NAAC online from the database of various agencies. DVVs are third party agencies.
- SSR quantitative evaluation is necessary for pre-qualification for the Peer Team Visit.
- If institute fails to qualify Pre-qualification then Peer Team visit will not be held. Minimum 30% score is needed after DVV to proceed further i.e. for Peer Team Visit.
- PEER Team will visit atleast 50% of the departments.
- Institute should have evidence for each and every activity which they need to upload online and verified by DVV teams. If the data exceeds the upload limit on NAAC website, institute can upload on their website and they can give link in the report.
- Two DVV teams will verify the data provided by the institute.
- Final SSR can be downloaded from the NAAC website only after the successful verification by DVV team. Final SSR includes the changes which are recommended by DVV team.
- SSS(Student Satisfaction Survey) is also very important for the institute as it will be conducted online by the NAAC by sending a link to the students for which institute needs to provide 60% of the student data.

- Other important aspects which were discussed are Research publication details, infrastructural facilities etc.
- Final SSR will be updated by NAAC on the basis of the inputs provided by DVV team, SSS and inflibnet (for research publication only in case of Autonomous colleges and Universities).
